FOREWORD

The present volume of the Annual Report of the Department of Higher Education presents the status of Higher Education in the State of West Bengal during the year 2005-06 and describes, in particular, the activities of the Department. It also contains an account of the activities of different organizations and institutions attached to the department of Higher Education.

The Department has been taking all possible measures for qualitative and quantitative improvement of higher education in the State. Over a period of last few years, considerable expansion of opportunities in higher education has taken place in almost all the areas. More than one hundred colleges of the State have been accredited so far by NAAC with grades which are mostly A+, A, B++, and B. Two of our eminent universities, Jadavpur University and Calcutta University have already been awarded five star status by NAAC.

During the year 2005, nine new General Degree Colleges have been approved with full financial support under "Pay Packet Scheme". Private trusts have come forward to supplement the efforts of the State Govt. in the establishment of self financing colleges including professional colleges.

Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI) has been established as a private self financing "deemed to be university" in the State with the approval of Govt. of India. Calcutta University has earned the unique distinction of being "a University with Potential for Excellence". Both Jadavpur University and Bengal Engineering & Science University have been declared as the "Institute of National Importance" under the Govt. of India's scheme for special grant. Indian Institute of Science, Education and Research, Kolkata, a Centre of Excellence like Indian Institute of Science, Bangalore, has been approved to start its academic programme from the academic session 2006-07.

225 years old Calcutta Madrasah has been upgraded to a college, based on 'Kidwai Committee's Report'. Our universities have established a number of collaborative programmes with reputed foreign universities in different academic fields. Calcutta University, Jadavpur University and Rabindra Bharati University have established joint academic collaborations with reputed Italian universities like Rome, Turin, Venice and Naples.

In the field of Engineering & Technology education, we have been able to strike a balance between 'expansion and quality improvement'. Rs. 154 crore centrally sponsored World Bank assisted programme is now under execution to upgrade the technical education imparted in a few selected institutions in the State.

Calcutta University has extended autonomy for all Post Graduate Departments in its affiliated colleges. UGC has declared St. Xavier's College as an **Autonomous College**. Calcutta University Act has been amended to make room for such autonomous colleges.

State Government has continued its efforts for strengthening the infrastructure of the colleges. 1000 new teaching posts have been created for non-Govt. colleges under pay packet scheme including teachers training colleges. 227 vacant teaching posts are also being filled up in Govt. colleges. 17 vacant posts of Principals in Govt. colleges have also been filled up during the year.

In order to reach the large cross section of the society and to allow the benefit of higher education to those who can not afford to come under the conventional system of education, Netaji Subhas Open University has been set up to offer under-graduate, post-graduate and Professional courses in some selected areas through open education system.

The State Govt. is committed to inculcate a sense of responsibility and accountability at all levels.

CHAPTER – 2

ADMINISTRATIVE SET UP OF THE HIGHER EDUCATION DEPARTMENT

2.1 INTRODUCTION

This report is being published for the 14th year in succession. It presents the status of higher education in the state of West Bengal. It describes in particular, the activities of the Department of Higher Education of the Government of West Bengal for the year 2005-2006. It also contains an account of the activities of different organisations and institutions attached to the Department of Higher Education as furnished by the organisations/institutions themselves. However, the report does not provide information on other departments concerned with education. The report does not have any relevance as a Government Order or official policy pronouncement.

PRESENT STATUS

The Higher Education Department is the successor to the erstwhile Department of Education. The Department of Mass Education Extension was carved out of the Department of Education to deal with, among other things, the subject of adult education, in terms of Notification No 5106-A.R. dated the 21st April, 1988. The Department of Technical Education & Training was similarly created in terms of Notification No 16129-A.R. dated the 29th June, 1991. The Polytechnic institutions which had so long functioned under the Higher Education wing of the erstwhile Education Department were taken over by the newly created department. Finally, the Education Department was abolished and in its place were created two departments, namely, the School Education Department and the Higher Education Department in terms of Notification No 670-Home (Cons) dated, the 8th Nov, 1995.

2.2 ADMINISTRATIVE SET UP

The highest executive of the Higher Education Department is the Minister-in-Charge of the Department.

The Principal Secretary is the official head of the Department of Higher Education. He is assisted by Special Secretaries, Joint Secretaries, Deputy Secretaries, Assistant Secretaries and Officers on Special Duty. The Principal Secretary also functions as the Secretary to the Chancellor of the State Universities connected with the Department.

ADMINISTRATIVE SET UP

The Department of Higher Education is comprised of a number of branches and cells, namely, Establishment Branch, Budget Branch, University Branch and Chancellor's Secretariat, Non-Govt. College Branch, Govt. College Branch, Appointment Branch, N. C. C. Branch, Technical Education Branch, Archives Branch, Miscellaneous and Social Education Branch, Pension Cell, N. S. S. Cell, Vigilance Cell, Audit Cell and Computer Cell.

EDUCATION DIRECTORATE

The commitment of the Department of Higher Education in financial and administrative matters of the Colleges (Govt. and Non-Govt.) is carried out through the Education Directorate. The Directorate is headed by the Director of Public Instruction who is also an ex-officio Secretary to the Govt. of West Bengal.

The D.P.I. is assisted by Addl. Directors of Public Instruction (A.D.P.I) and Joint Directors of Public Instruction (J.D.P.Is), Deputy Directors of Public Instruction, Asstt. Director of Public Instruction. The sections of the Education Directorate which deal with various matters related to the Colleges include Appointment, College (Non-Govt. and Govt.), Pay Packet (PPS), U.G.C., Training, Accounts, Physical Education, Scholarships & Stipends, Planning & Statistics (P & S), Social Education, Hindi Education, National Cadet Corps (N.C.C.) and Law. There are also some special cells under the Directorate, namely, Audit Cell, Law Cell, etc. The sectional activities are performed under the supervision of different JDPIs, DDPIs. Besides, there are Accounts and Administrative Officers who supervise functions like release of pay packet, grants, pension, drawal of salaries etc.

DISTRICT LEVEL ADMINISTRATION

There are three Regional Education Offices under the Education Directorate located in Calcutta, Chinsurah and Jalpaiguri, controlling Presidency, Burdwan and Jalpaiguri divisions respectively. Deputy Regional Education Officers (D.R.E.O.) are in charge of these three offices now. They have the status of an Jt..D.P.I. The D.R.E.O.s assist the D.P.I. in the supervision of the Non-Govt. Colleges. The D.R.E.O., Jalpaiguri also releases the pay packet for colleges in all the districts of Jalpaiguri division excepting Malda district.

DIRECTORATE OF TECHNICAL EDUCATION

The Higher Education Department exercises administrative and financial control over the engineering and technological colleges in this State through the Directorate of Technical Education which is headed by the Director of Technical Education (D.T.E.). The D.T.E. is assisted by a Joint Director of Technical Education, Deputy Directors of Technical Education, Assistant Directors of Technical Education and other staff members.

THE WEST BENGAL STATE COUNCIL OF HIGHER EDUCATION

It was established in 1994 with a view to assisting the Department in formulating policy and implementation of certain matters entrusted to it. The office bearers of Council have also been assigned certain statutory functions under the West Bengal Prohibition of Ragging in Educational Institutions Act, 2000. Minister-in-charge of the Department is the Chairman of the Council.

WEST BENGAL COLLEGE SERVICE COMMISSION

The Commission came into existence in 1979. It prepares merit panels of candidates eligible for recruitment to the posts of Lecturer in different subjects in non-government colleges affiliated to the universities of West Bengal. It also recommends candidates for appointment in the vacant posts of Principal in these colleges. The Commission also organises State level Eligibility Test (SLET) for Lecturership in Universities and Colleges.

WEST BENGAL DISTRICT GAZETTEERS

This wing of the Department publishes or reprints the Gazetteers of different districts of West Bengal, the State Gazetteer and allied literature.

PASCHIM BANGA HINDI ACADEMY

This Academy has been promoting education in Hindi in West Bengal since 1990.

STATE ARCHIVES

It is a specialised wing of the Department of Higher Education functioning as a repository of historical official records.

OTHER ORGANISATIONS / INSTITUTIONS

The organisations/institutes, which come under the administrative and financial jurisdiction of the Department of Higher Education in this State, are :

CHAPTER – 3

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

3.1 INTRODUCTION

JU and BESU have been conferred the status of “Institutions of National Importance by UGC. Both the universities have been sanctioned special UGC grant. St. Xaviers College, Kolkata has been declared by NAAC to be the first autonomous college in West Bengal. Ramkrishna Mission Vivekananda Educational and Research Institute(RKMVERI) has been established as the 1st self financing (DU). Calcutta Madrasah celebrating its 225 years of establishment has been given the status of an autonomous college by the State Govt. Presidency, Scottish Church and Loreto College have earned the distinction to be the “Colleges with Potential for Excellence” by the UGC. Accreditation status of the colleges (by NAAC) has been improved substantially. Scope for Post Graduate education has been expanded in General Degree Colleges. The State Govt. has provided fund for the construction, repair and renovation of buildings, setting up of laboratories and new class rooms in the universities and colleges. The Government, as in previous years, approved the setting up of self financing colleges including non-government colleges under pay packet scheme and sanctioned the creation of teaching and non-teaching posts for these colleges. Govt. also created 1000 teaching posts in non-government colleges and provided funds for development of infrastructure. The West Bengal State Council of Higher Education took an active role in coordinating activities of the state universities and advised them on various issues relating to improvement in the quality of Higher Education in the State. For Qualitative improvement of technical education, State Govt. has sanctioned Rs.10 crore under World Bank Programme.

3.2 POLICIES

The following principles have guided the formulation and implementation of different programmes for higher education.

- (i) Expansion of access to higher education and decentralisation of power-base.

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR _____

- (ii) Equity in educational opportunity and social justice.
- (iii) Consolidation and qualitative improvement of colleges and expanding the base of social relevance of higher education.
- (iv) Linkage of education to employment through vocationalization.
- (v) Emphasis on engineering and technological education with special reference to Information Technology and Bio-Technology.
- (vi) Diversification of subject compositions.
- (vii) Emphasis on Basic Science courses and scientific research.
- (viii) Emphasis at the same time on arts, culture, languages, physical education and humanistic values.
- (ix) Mobilisation of internal resources.
- (x) Accountability at all levels.

3.3 BUDGET OF THE HIGHER EDUCATION DEPARTMENT

The total budgetary provision excluding the provision under Central Scheme for the year 2005-2006 and 2006-2007 has been Rs. 721,94,92,000 and 805,54,31,000 out of which the amount provided in the Plan Budget was Rs. 10,32,00,000 and 35,00,00,000 respectively.

3.8 NON-GOVERNMENT COLLEGES

The State Government assists the non-government colleges to improve their quality of education and infrastructure.

Funds are sanctioned for development programmes such as repair/construction of classrooms, common rooms, toilets, libraries, laboratories, auditoriums, hostels, and boundary walls as well as repair/installation of electrical works.

1. Some of the colleges which have received financial assistance for construction of building are K. K. Das College, Kolkata, Saltora Netaji Centenary College, Bankura, Joypur P. Roy, College,

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR _____

3.10 MEASURES FOR QUALITY IMPROVEMENT OF HIGHER EDUCATION

A) NAAC Accreditation Status :

The State Level Quality Assurance Co-ordination Committee constituted in 2003-2004 for the purpose of facilitating NAAC accreditation process for the colleges in the State, has been functioning satisfactorily. In the State, 7 universities and 106 colleges have been accredited by NAAC so far. Out of the colleges accredited, Midnapore College and Ramkrishna Mission Vidya Mandir, Presidency College, Kolkata have been awarded 'A+' ranking and 9 colleges have been awarded 'A' ranking. The process of accreditation has gained momentum and has been progressing steadily.

B) Accreditation of Engineering & Technology Courses (NBA of AICTE) :

Three more new private self-financing Engineering & Technology Colleges have been established during the year 2004-05 taking the total number of Engineering & Technology institutions directly within the purview of the Deptt. of Higher Education to 52 with an intake capacity of more than 13,000. A few more proposals for establishment of Engineering & Technology Colleges are awaiting AICTE approval. Some existing colleges have also proposed to add new courses. While examining any new proposal, the State Govt. has been taking all precautions to see that only the proposals which satisfy all AICTE requirements, are issued NOC of the State Govt. Two new private self-financing MBA institutes with sixty intake in each have come up during the year. In addition, few private Engineering Colleges have introduced MBA programmes in their institutes taking the number of institutes having MBA or equivalent programme to 29.

3.11 SCHOLARSHIP & STIPEND

In order that no brilliant student is prevented from pursuing post-matric studies because of poverty, the Central Government as well as the State Government introduced various scholarship schemes, four of which are being currently administered in the state by the Scholarship and Stipend Section of the Education Directorate, Government of West Bengal :

- i) National Scholarship Scheme
- ii) National Merit Scholarship Scheme
- iii) D.P.I. Special Stipend Scheme
- iv) Hindi Scholarship Scheme

For the National Scholarship and National Merit Scholarship Schemes, no advertisements in the media are published annually on regular basis, as the application forms are distributed and the merit lists are prepared and sent to us by the Secondary Board / H.S. Council / Universities; but in case of the D.P.I. Special Stipend Scheme and the Hindi Scholarship Scheme, separate media advertisements are published on regular basis usually around the middle of every calendar year seeking application from suitable candidates.

I. National Scholarship Scheme

Introduced in 1961-62, this scheme ran continuously for more than two decades before being formally withdrawn from the 2004-05 session. This means no candidates passing their qualifying examination (like Madhyamik / H.S / Graduation) in 2004-05 or later can apply for the National Scholarships any more; only the renewal cases will be sanctioned now for those scholars who qualified for this scholarship before 2004-05. Such renewal will continue till about 2009-2010 session.

Rates of National Scholarship :

Stage	Non-hosteller or Day Scholar	Hosteller or Residential
At H.S Stage (for Madhyamik-passed candidates)	@ Rs.60/- per month	@ Rs. 100/- per month
At Graduation Stage of General Education-1st year	@ Rs.60/- per month	@ Rs. 100/- per month
(for H.S.- passed candidates) - 2nd & 3rd years	@ Rs. 90/- per month	@ Rs. 140/- per month
At Graduation Stage of Professional Courses (for H.S.- passed candidates)	@ Rs. 120/- per month	@ Rs. 300/- per month
At P.G. Stage of General Education (for B.A./ B.Sc / B.Com. passed candidates)	@ Rs. 120/- per month	@ Rs. 300/- per month

Sanction Figures in 2005-2006 :

Budget – Head	Amount sanctioned	Number of Scholars awarded
(Non-Plan)		
2202-80-107-NP-003-V-31-02	Rs.77,50,570/-	2717
(Plan)		
2202-80-107-SP-001-V-34	Rs.14,87,700/-	328
	<u>Total = Rs. 92,38,270/-</u>	<u>3045</u>

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR _____

The backlog in the sanctioning of National Scholarship, which has developed over the years, has been started to be cleared from this year (2005-06). If the necessary financial allotments be made available in a timely manner, it is hoped that this backlog would be cleared to the practicable extent possible within the next two to three years.

II. National Merit Scholarship Scheme

This scheme has been introduced since the 2004-05 session, replacing the earlier National Scholarship Scheme. A few changes in the funding pattern, rate, quota, selection criteria etc. have been effected. For instance, (i) while the earlier National Scholarship (NS) Scheme was mainly state-funded, the new National Merit Scholarship (NMS) Scheme is entirely Centre-funded; (ii) the parental income-ceiling (bar) has been raised from Rs. 25,000/- per annum to Rs. 1.00 lakh per annum; (iii) the practice of giving Certificate of Merit in lieu of Scholarship to eligible students whose parental income exceeds the stipulated limit, has been discontinued; (iv) the State's quota of 3176 (NS) post-matric scholarships has been reduced to 1421 (NMS); (v) the monthly rate of post-matric scholarship has been enhanced from the range of Rs.60/- — Rs.300/- to Rs 300/- — Rs.750/- covering different stages of study; (vi) the scholarship will be paid for 10 months in a year.

National Merit Scholarship Rates and Quota (for West Bengal) :

Stage of study for which Scholarship is given	Rate per month	State's quota of scholarship(NMS)
Classes IX – X	Rs. 250/- (for 10 months in a year)	678
Classes XI – XII	Rs. 300/- (for 10 months in a year)	853
Graduation	Rs. 500/- (for 10 months in a year)	426
Post-Graduation	Rs. 750/- (for 10 months in a year)	142

In West Bengal, the NMS for the college and university-level scholars will be administered through the Deputy D.P.I. (Scholarship & Stipend), while NMS for the school-level scholars (IX-X and XI – XII) will be administered through the Director of School Education (DSE).

N.M.S. Sanction Figures from the Education Directorate in 2005 – 2006 :

Budget – Head (Central Sector)	Amount sanctioned	Number of Scholars awarded
2202-03-107-CS- 001-V-31-02	Rs.10,24,500/-	79

2005 – 2006 was practically the very first year of implementation of the NMS. To establish the required processing i.e. working norms in accordance with the stipulated NMS guidelines took a while in each of the concerned offices (viz. the H.S. Council, Universities and the S&S Section of the Education Directorate). Things will move much faster from the coming year, it is hoped.

The procedure which is followed for selecting candidates at the PG & UG-level for the National Merit Scholarship Scheme and for disbursement of the scholarship to them is as follows :

The State's quota (142) for PG – level scholarships (NMS) is divided among different universities of the state. The universities then prepare their own Merit Lists (as per the quota) based on the results of their students in their graduation – level examinations and on the annual family income of the students. If the annual family income of the student exceeds Rupees one lakh, his/her name will not be included in the Merit List. The universities then distribute formal application forms and Entitlement Cards for the NMS among their merit-listed candidates and ask them to submit the completed application forms either directly to the Education Directorate (Scholarship & Stipend Section) or through to the university office.

For the UG – level National Merit Scholarships (quota = 426), the West Bengal Higher Secondary Council prepares the merit list and distribute the formal application forms plus Entitlement Cards to the suitable HS – passed candidates in a similar manner as described above.

III. D.P.I. Special Stipend Scheme :

This covers two types of financial assistance : (i) General Stipend, and (ii) Ad-hoc grant. D.P.I. Special Stipends (General Stipend) are given to those Madhyamik-passed / graduation-passed students who have good results but not enough to get them a place in the merit list for National Scholarship / National Merit Scholarship. A fresh Madhyamik-passed stipend holder may continue to get the stipend (renewal) till the last year of his / her graduation, provided he/she continues to obtain over 50% marks in all the intervening year-ending or semester examinations. There is however a need for allowing the fresh H.S.-passed candidates as well to apply for this stipend. In that case the candidates who, for some reasons, miss the stipend after their Madhyamik Exam., can get a chance to apply for it after their H.S.

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR _____

Current rate, quota and eligibility information for D.P.I. Special Stipend Scheme (General Stipend):

Qualifying students	Stipend for which stage of study	Total quota	Rate per month	Current Minimum marks required	Guardians' / parents income ceiling (per annum)
M.P.-passed	H.S. & U.G	250	Rs.40/-	75%	Rs. 25,000 p.a.(for Non-salaried parents/ Guardians) Rs. 35,000/- p.a.(for Non-salaried parents/ Guardians)
Graduation (with Honours) -passed	PG	200	Rs.60/-	55%	Rs.50,000/-p.a (for non-salaried parents/ Gurdians) Rs.60,000/- p.a. (for Salaried parents/ Guardians)

The other category of D.P.I. Special Stipend, called Ad-hoc Grant, is given to four institutions in the state – (i) R.K. Mission Vidyapith, Purulia, (ii) R.K. Mission Ashrama, Sarisha, (iii) R. K .Mission Multi-purpose school, Kamarpukur and (iv) Jalpaiguri Govt. Engineering College, who in turn disburse this grant among a fixed number of their most needy and meritorious students.

Sanction Figures in 2005 – 2006 :

Type	Budget – Head (Non-Plan)	Amount Sanctioned	Number of Scholars awarded
D.P.I. Spl. Stipend (General Stipend)	2202-80-107-NP-001-V-31-02	Rs. 1,86,220/-	300
D.P.I. Spl. Stipend (Ad-hoc Grant)	2202-80-107-NP-002-V-31-02	Rs. 57,474/-	122 (distributed among the four institutions)

The rate and quota of D.P.I. Special Stipends Scheme (both General Stipend and Ad-hoc Grants) are in urgent need of revision and rationalization especially in view of the recent enhancements effected in case of National Merit Scholarships, Hindi Scholarships etc.

IV. Hindi Scholarship Scheme :

In order to encourage the study of Hindi in Non-Hindi speaking states, Government of India has implemented the Hindi Scholarship Scheme for the post-matric students [H.S., U.G., P.G., and Research(M. Phil. / Ph.D. etc)]. The scholarship is given to students whose mother tongue is not Hindi and who are studying in a Non-Hindi speaking state in a recognized full-time course with Hindi as the sole subject or as one of the subjects. The quota of Hindi Scholarships For West Bengal is 239. This means every year 239 fresh candidates could get Hindi Scholarship in West Bengal (the renewal cases do not count towards quota).

Hindi Scholarship Rates and Eligibility Criteria :

Stage of Study	Quota (Total = 239)	Rate	Eligibility for applying
For H.S. stage	143	@Rs.300/- per month	Hindi is to be subject In H.S. course and 60% marks in aggregate in the Matric Exam. (Madhyamik / CBSE/ ICSE etc.)
For Graduation (UG) stage	72	@Rs.500/- per month	Hindi to be a subject in UG-course and 60% aggregate marks in the H.S. Exam.
For Post-Graduation (PG) and/or Research Stage	24	@Rs.1000/- per month	Hindi to be the subject of study and 60% marks in Graduation or Post-Graduation as the case may be

Sanction Figures for Hindi Scholarship in 2005 – 2006 :

Budget – Head (Non-Plan- Developmental)	Amount sanctioned	Number of Scholars awarded
2202-05-200-ND-001-V-50	Rs. 5,41,750/-	348 (including the back-logs from previous year/s)

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR _____

3.12 FULL AND HALF FREE STUDENTSHIP FOR THE ENGINEERING & TECHNOLOGY STUDENTS :

In order to extend relief to the poor and meritorious students admitted into Govt. Engineering and Technology colleges, the State Govt. has taken measures to grant the benefit of full and half free studentship. 10% students selected on merit cum means basis will come under the purview of the scheme each year. Private self financing colleges have also been asked to extend such facilities to the possible extent.

3.13 PHYSICAL EDUCATION

1. Development grant were sanctioned to the Govt. Physical Education Colleges for purchase of Books, Journals, Equipments etc.
2. Development grant for infrastructural facilities were sanctioned to the Govt. Colleges having Post Graduate Departments.
3. Sports equipment grant to 21 Govt. General Degree Colleges alongwith Physical Education Colleges for smooth running of Sports Department were sanctioned.
4. Development grant for improvement of academic facilities were sanctioned to two Govt. Physical Education College having M. P.Ed. courses.
5. Grants were sanctioned to organise the XVII West Bengal Inter Physical Education Colleges Athletic Meet and Cultural Exchange held at Kalyani.
6. Grants were sanctioned to organise National Seminar on Health, Physical Education and Sport Science at Deptt. of Physical Education, Kalyani University.
7. Grants were sanctioned for Gymnasium and equipment at Nikhil Banga Sikha Mahavidyalaya, Bishnupur, Dist. Bankura during 2005-2006.
8. Grants were sanctioned to Govt. Physical Education College, Hooghly to organise a seminar on Physical Education.
9. The XVII Inter Govt. College Athletic Meet, XV Inter Govt. College Football Tournament, VI Inter Govt. College Table Tennis Tournament and III Inter Govt. College Badminton Tournament, 2006 were held successfully at Yuba Bharati Krirangan and SAI Complex on 21st February to 25th February, 2006.

ENGINEERING & TECHNOLOGY AND MANAGEMENT EDUCATION

4.1 Engineering and Technology Education

4.2 Management Education

CHAPTER – 4

ENGINEERING & TECHNOLOGY AND MANAGEMENT EDUCATION

4.1 ENGINEERING AND TECHNOLOGY EDUCATION

Till 1968, West Bengal had only 9 engineering institutions, all of which were either in the government or in the university sector. The total intake of undergraduate and postgraduate students in engineering was in the range of 1500 only. This went up slightly to a figure of 2050 in 1994. Self-financing engineering colleges were encouraged in a big way by the government and barring the notable exception of the Kalyani Government Engineering College - the only engineering college in the government sector that was established at Kalyani in Nadia in 1995 – all others were in the private sector. In last 10 years time, the number of engineering institutions has leapfrogged to 54 with a total intake capacity of nearly 15000.

2 new Engineering & Technological Colleges have been set up on self-financing basis in the academic session 2005-2006 – one Engineering and the other for Pharmaceutical Technology. In addition Pharmaceutical Technology and Hotel Management courses have been introduced in two more existing engineering colleges. Total number of Engineering & Technological institutes (including university Engineering departments) in the State is now 54 with an approved intake of nearly 15000.

Information and Communication Technology related courses :

It may be emphasized that due to increasing demand of technical manpower in the field of information technology and related areas, most of the newly established institutions have introduced degree courses in Information Technology, Computer Science & Engineering and Electronics & Communication Engineering. Thus out of nearly 15000 engineering seats, share of seats in Information Technology, Computer Science & Engineering, Electronics & Communication Engineering and other similar courses is 9580 seats.

Biotechnology courses : Biotechnology, Bio-Med. Engineering and Food Technology courses are now taught at undergraduate level in a number of colleges. Biotechnology and Food Technology courses all available at Jadavpur University, Calcutta University and West Bengal University of Technology.

Introduction of Master of Computer Application (M.C.A.) Courses :

The expansion of engineering and technology education in the State has been further facilitated by the introduction of M.C.A. course in as many as 27 (twenty-seven) Institutions including the universities. The total intake capacity for the Master of Computer Application (M.C.A.) Course is more than 1200.

This apart, NIT, Durgapur, Bidhan Chandra Krishi Viswavidyalaya, Netaji Subhas Open University, Visva-Bharati and Indira Gandhi National Open University also conduct MCA course.

Lateral Entry Scheme :

In tune with the scheme of the All India Council for Technical Education, the State Govt. has extended the scope of degree level engineering education to the diploma holders in engineering in the State through the Lateral Entry Scheme. Under this scheme, diploma holders from the State Polytechnics have got the opportunity to seek direct entry in the second year of undergraduate engineering courses after qualifying in a state level admission test conducted for the purpose to the extent of 15% of the total intake.

Post Graduate Programme :

Apart from Jadavpur University, Bengal Engineering and Science University and Calcutta University, West Bengal University of Technology also conducts in house Master Programmes in Biotechnology, Bio-Informatics, Information Technology, Computer Sc. & Engineering and Software Technology. Kalyani Govt. Engineering College has introduced M. Tech. in Computer Science & Engineering and Production Engineering. M. Tech. have also been approved in Haldia Institute of Technology, Haldia, for Chemical Engineering, Electronics & Communication Engineering. At Netaji Subhas Engineering College M. Tech. in Computer Science & Engineering, Electronics & Communication Engineering and Instrumentation & Control Engineering are being taught.

Technical Education Quality Improvement Programme (TEQIP) :

Under this project, six states were selected by the National level Selection Committee in the first cycle. In the second cycle, the State of West Bengal has been selected along with six (6) other states. In West Bengal, three (3) Universities have been selected as lead and eight (8) Engineering & Technological Colleges have been selected as network institutions.

The lead institutions are Bengal Engineering & Science University, Jadavpur University and University College of Technology (under Calcutta University).

The Network institutions are Netaji Subhas Engineering College, Kolkata; Asansol Engineering College, Asansol; College of Textile Technology, Serampore; Kalyani Govt. Engineering College, Kalyani; Haldia Institute of Technology, Haldia; Jalpaiguri Govt. Engineering College, Jalpaiguri; College of Ceramic Technology, Kolkata; Institute of Engineering & Management, Kolkata.

An amount of Rs. 62.00 crore has already been disbursed to the 3 Lead and 8 Network institutes. Lifetime allocation under the Project, as approved by GOI is 154.80 crore to be utilized over a period of 4 years ending in 2008.

EXISTING FACILITIES IN ENGINEERING & TECHNOLOGY COLLEGES :

B.E./B.Tech./B.Pharm and B.HM courses at post-H.S. Level are available in 54 Engineering and Technology Institutes of the State. These includes the 6 (six) university/university faculties, 6 (six) Govt. Engineering & Technology colleges, the Institute of Jute Technology under the Ministry of Textiles, Govt. of India, and rest are private engineering colleges.

The post-B.Sc. level B. Tech. Courses are available at the Faculty of Engineering & Technology, Jadavpur University and the University College of Technology, Calcutta University. Jadavpur University also conducts a part time evening B.E. course for the diploma holder engineering students.

4.1.3 MASTER OF COMPUTER APPLICATION (MCA) PROGRAMME :

Upto 1994-95 academic session, there were only three universities viz. Jadavpur University, Bengal Engineering & Science University and North Bengal University which offered MCA course to about 100 students.

During the year (2005-2006) M.C.A. has been extended to Techno India, Hooghly.

Institutionwise intake for MCA programme is given in the following table :

ENGINEERING & TECHNOLOGY AND MANAGEMENT EDUCATION _____

PROPOSED DEVELOPMENT IN ENGINEERING & TECHNOLOGY EDUCATION

1. The State Govt. in the Higher Education Department will issue No Objection Certificates for establishment of a new private engineering & technology colleges selectively for the courses in emerging areas only.
2. Introduction of postgraduate courses in the College of Leather Technology, Kolkata, the College of Ceramic Technology, Kolkata and also in a few well performing private engineering colleges are under consideration.
3. Further development of infrastructural facilities at all the Govt. Engineering & Technology Colleges of the State.
4. The efforts for the development of infrastructural facility for the aided Engineering Institutes would be further supplemented.
5. Action-oriented drive for filling up the vacant posts of faculties & technical supporting staff would be expedited.
6. Qualitative improvement of higher technical education concentrating on consolidation of the gains rather than going on further expansion.

4.2 MANAGEMENT EDUCATION

Indian Institute of Social Welfare and Business Management is the oldest Management Institute not only in West Bengal but also in whole of India, offering MBA (CU) and a few other specialized Management Programmes. Subsequently, Management Programme (PG) was introduced in Central Govt. funded Institutions, in a few state universities and also in a good number of private self financing institutes.

Presently, full time (2 yr. post graduate Management Programme) MBA/PGDBM is imparted in Central Govt. funded institutions like, IIM, Kolkata; IIT , Kharagpur; NIT, Durgapur and Visva Bharati, Santiniketan.

Full time MBA Programme is also imparted within the purview of the Department of Higher Education, West Bengal in the following catagory of institutes.

UNIVERSITIES

5.1 GENERAL INFORMATION :

Out of Fifteen State aided universities in West Bengal, ten universities come under the administrative jurisdiction of the Department of Higher Education. A list of the universities is given below. The Department has in recent years, set up two universities. The Netaji Subhas Open University was established in 1997 for the education of the distant learners. The West Bengal University of Technology was set up in 2000 to improve the quality of instruction and research in Engineering and Technology and Management. B.E. College (DU) has been upgraded to Bengal Engineering & Science University by virtue of Bengal Engineering & Science University Act, 2004.

The Bidhan Chandra Krishi Viswavidyalaya (BCKV) and Uttarbanga Krishi Viswa Vidyalaya come under the jurisdiction of the Department of Agriculture. A university for the study of animal sciences and fisheries was created out of the BCKV in 1995 by the Department of Animal Resource Development. A new agricultural university, Uttar Banga Krishi Viswavidyalaya was also carved out of the BCKV in 2001. The West Bengal National University for Juridical Sciences under the jurisdiction of the Department of Law started functioning in 2000. Recent addition to the universities in the State is The West Bengal University of Health Sciences which started functioning from 1st January, 2003. In 2005, Ramkrishna Mission Vivekananda Education and Research Institute, the first private self financing Deemed University has been established at Belurmath.

5.1.3 ACADEMIC STRUCTURE

Academic activities of the universities are carried out through various departments under different Faculty Councils. The Deans of these Councils advise on academic matters and co-ordinate the departmental programmes. For the planning and implementation of the academic programmes of the departments, there is a departmental committee in each of them. The Head of the Department is the Chairman of the said committee. The Board of Studies under each Faculty Council plans and reviews the syllabus and assists the examination process.

5.2 CALCUTTA UNIVERSITY (1857)

The Calcutta University along with the Bombay University and the Madras University was established in 1857. The university is now being governed by the Calcutta University Act, 1979 which came into force on February 10, 1983.

The Calcutta University affiliates colleges mostly at the under-graduate level and also offers courses directly at the post-graduate level. A number of colleges affiliated by the University is 204. The university has allowed a few of its affiliated colleges including the Presidency College, the Maulana Azad College and the Dinabandhu Andrews College to teach at the post-graduate level.

The Calcutta University has four campuses, namely,

- ASHUTOSH SHIKSHYA PRANGAN at 87/1, College Street,
- RASHBEHARI SHIKSHYA PRANGAN at Rajabazar,
- TARAKNATH SHIKSHYA PRANGAN at 35, Ballygunge Circular Road, and
- SAHID KHUDIRAM SHIKSHYA PRANGAN at Alipore.

It has 58 departments and offers 80 courses to nearly 12,000 post-graduate students.

The university monitors and awards Ph. D. degrees to research scholars. On an average, the Ph.D. degree is awarded to 175 students each year. According to a **NISSAT** report, in terms of output and impact, the university is among the first ten universities of the country in research on science and technology. The **UGC** has awarded **CAS/DSA/DRS/COSIST** programmes to more than fifteen departments of the university on the basis of research performance.

The four major campuses of the university have leased line access to the **VSNL** server. Through optical fibre network different departments and faculty members get access to E-mail and Internet facilities by router system. The central library is automated by using **SOUL** developed by **IFILIBNET**.

The university has created the B.C. Guha Center for Genetic Engineering and Biotechnology and the S.N. Pradhan Institute of Neuroscience with financial assistance from NRIs and eminent individuals.

The State Government and the Government of India have also extended financial assistance to the B.C. Guha Centre.

The National Assessment and Accreditation Council (NAAC) visited the university and awarded a five star status to it in May 2001. The University has also been declared by UGC as the "University with potential for excellence".

5.2.1 VARIOUS DEPARTMENTS OF THE UNIVERSITY AS LOCATED IN DIFFERENT CAMPUSES ARE INDICATED BELOW :

- (a) ASHUTOSH SHIKSHYA PRANGAN, College Street, Ph. 241-0071 (6 lines)
Teaching Departments :
Arabic & Persian, Bengali Language & Literature, Commerce, English, French, Hindi, Library & Information Science, Linguistics, Languages (Foreign), Pali, Urdu, Sanskrit, Journalism & Mass Communication.
- (b) RASHBEHARI SHIKSHYA PRANGAN, 92, A.P.C. Road, (Rajabazar) Ph. 350-8386/6387
Teaching Departments :
Chemistry, Applied Mathematics, Applied Physics, Applied Psychology, Bio-Physics, Molecular Biology & Genetic, Centre for Atmospheric Science, Chemical Engineering, Chemical Technology, Chemistry, Computer Science & Engineering, Electronic Science, Physiology, Radio Physics & Electronics, Polymer Science & Technology, Psychology.
- (c) TARAKNATH SHIKSHYA PRANGAN, 35, Ballygunge Circular Road, Calcutta-19
Ph. 475-3680-82/4681
Teaching Departments :
Agriculture, Anthropology, Bio-chemistry (Including Bio-Technology & Environmental Science), Botany, Geography, Geology, Marine Science, Pure Mathematics, Statistics, Zoology.
- (d) HAZRA ROAD CAMPUS, 51/1 and 51/2 Hazra Road, Calcutta-19, Ph. 475-5801
Teaching Departments : Law.
- (e) SAHID KHUDIRAM SHIKSHYA PRANGAN, 1, Reformatory Street, Alipore, Calcutta-27
Ph. 479-1645/2861
Teaching Departments :
Education, Philosophy, Political Science, Sociology, History, Islamic History & Culture, Ancient Indian History & Culture, Museology, Business Management, Archaeology.
- (f) B. T. ROAD CAMPUS, 56A B.T. Road, Calcutta-50, Ph. 557-5082
Teaching Department : Economics.

UNIVERSITIES

- (g) COLLEGE OF MEDICINE CAMPUS, 244, A.J.C. Bose Road, Cal-20 Ph. 248-2041/2084
Teaching Department : S. N. Pradhan Centre for Neuroscience.
- (h) JUDGES COURT ROAD CAMPUS, Judges Court Road, Alipore, Ph. 479-5594
Teaching Department : Department of Home Science.

5.2.2 FACULTIES & DEPARTMENTS

A list of FACULTY COUNCILS for Post Graduate Studies of the University together with the University Departments attached thereto are given below :

- (i) FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN ARTS
Departments of Ancient Indian History & Culture, Arabic & Persian, Archaeology, Bengali Language and Literature, Economics, English, French, Hindi, History, Islamic History & Culture, Linguistics, Museology, Pali, Philosophy, Political Science, Sanskrit, Sociology and Tamil.
- (ii) FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN COMMERCE, SOCIAL WELFARE & BUSINESS MANAGEMENT
Departments of Business Management, Commerce.
- (iii) FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN LAW
Department of Law.
- (iv) FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN EDUCATION, JOURNALISM AND LIBRARY SCIENCE
Departments of Education, Journalism & Mass Communication, Library & Information Science.
- (v) FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN FINE ARTS, MUSIC AND HOME SCIENCE
Departments of Home Science.
- (vi) FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN ENGINEERING AND TECHNOLOGY
Departments of Applied Physics, Chemical Technology, Chemical Engineering, Computer Science and Engineering, Polymer Science and Technology, Radio Physics & Electronics.
- (vii) FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN SCIENCE
Departments of Anthropology, Applied Mathematics, Applied Psychology, Bio-Chemistry, Bio-Physics, Botany, Chemistry, Geography, Geology, Marine Science, Molecular Biology & Genetics, Physics, Physiology, Pure Mathematics, Statistics, Zoology, Electronic Science, Psychology.

(viii) **FACULTY COUNCIL FOR POST-GRADUATE STUDIES IN AGRICULTURE SCIENCE & VETERINARY SCIENCE**

Department of Agricultural Chemistry, Agronomy, Horticulture, Genetics and Plant Breeding, Plant Physiology, Seed Science and Technology.

5.2.3 COUNCIL FOR UNDERGRADUATE STUDIES

- (i) Council for Under-Graduate Studies in Arts, Science, Commerce, Home Science, Fine Arts and Music.
- (ii) Council for Under-Graduate Studies in Medicine, Dental Science, Homoeopathy, Veterinary Science, Nursing and Ayurved.
- (iii) Council for Under-Graduate Studies in Engineering and Technology.

5.2.4 The following departments of the University have been recognised by the UGC as Centres of Advanced Study (CAS) in the Thrust Areas :

Departments of Botany, Chemistry, Radio Physics & Electronics.

5.2.5 The following departments of the University have been selected as Departments for Special Assistance (DSA) by the U. G. C. :

Departments of Bio-Physics, Physics, Applied Mathematics, Anthropology, Bio-Chemistry, History, Journalism and Mass Communication, Commerce.

5.2.6 The following departments of the University have been recognised by the UGC as DSA :

Departments of Statistics, Geology, Business Management, English.

5.2.7 Grants under the COSIST Scheme of the U. G. C. have been sanctioned in favour of the following

Departments of the University :

Departments of Bio-Physics, Applied Mathematics.

In addition to the courses of various departments mentioned above, a number of courses are offered by other constituent Colleges/Institutions of this University as given below :

5.2.8 Name of the courses taught by the University directly: (Starting from PG level courses or above and ending with Diploma and / or UG level courses; including Technical courses, if any.

5.2.10 HIGHLIGHTS OF THE ACTIVITIES OF THE UNIVERSITY DURING 2005-2006

Registry : There were approximately 94800 students in the year 2005-2006 got themselves registered with the University for carrying on different courses of studies. The department has fully computerised the registration process and issuing the Registration Certificate in a computerised format.

Ph.D. Registration : The total number of candidates granted Ph.D registration during the year 2005 was 385.

New Courses Introduced by this University :

1. 2- years M.A. / M.Sc. in Human Development.
2. 2-years M.V.A.
3. 4½ years Degree course in Unani Medicine and Surgery.
4. 1-year Certificate course in Media Studies.
5. 1-year post M.Sc. Diploma course in Bio-informatics.
6. 2-years M.Sc. course in Computer and Information Science.
7. 2-years M.Sc. course in Bio-technology.
8. 2-years M.Sc. course in Nursing.
9. 2-years M.A course in Tamil.
10. 3-years M.C.A course.
11. 2-years M.Sc. course in Environmental Science.
12. 3-years B. Tech course in Information Technology.
13. 2-years M.Sc. course in Microbiology.
14. 1-year P.G Diploma in Journalism and Mass Communication
15. 3-years B.B.A(Honours).
16. B.A. /B.Sc./B.Com Vocational course replaced by B.A. / B.Sc. / B.Com Majore course.

New Affiliation :

During the period under review 4 newly established colleges have been given affiliation by the University. Extension of affiliation in 29 different subjects was granted to 72 colleges.

Autonomous College :

One of the major recent developments has been the conformation of autonomous status on St.Xavier's College, Kolkata. It is the first autonomous college under this University of Calcutta. An Autonomous College will conduct its own examinations and set its own curricula but degrees will continue to be awarded by the University.

Convocation :

On 27th March 2006 Convocation was held to confer the degree of Doctor of Science, Honoris Causa on Prof. Andre Beteille and Dr Sankar Lal Adhya, and the Doctor of Literature, Honoris Causa,

on Prof. Purussottama Lal. Prof. Andre Beteille also delivered the convocation speech. Eminent Teacher Award for 2005 were conferred on Prof. Arun Kumar Dattagupta, Prof. Archana Sharma, Prof. Indubhusan Chattopadhyay, Prof. Kajal Sengupta and Prof. Mihir Choudhury.

Asutosh Museum :

The Asutosh Museum of Indian Art has been given a new look this year after a thorough refurbishing, relocating, repainting and rearrangements of the exhibits. This new look museum has attracted visitor both from India and abroad in unprecedented numbers.

During the period under review the work of documentation of Art and Archaeological material in the Asutosh Museum has also made significant progress. 351 items consisting of excavated terracottas from Chandraketurah, Berachampa, 24-Parganas(N) and folk art objects from West Bengal, Bangladesh, Orissa and Jharkhand have been entered into the Register.

Placement Cell :

During the period since the last convocation, 191 students have so far been placed in jobs through this cell in companies such as Hindustan Lever Limited, HCL Technologies Ltd, Tata Consultancy Services, Tata Chemicals Ltd, Haldia Petrochemicals Ltd etc.

Present Achievement :

- In December 2005 the University Grants Commission has conferred on the University of Calcutta the status of a "University with Potential for Excellence" (UPE).
- The Times Education Foundation, a London-based organisation engaged in educational research, has recently published a global ranking of universities in a publication entitled The Times Higher Education Supplement. In this ranking the University of Calcutta has taken its proud place among the top 100 universities of the world in the Arts and Humanities section.
- Every year the Institute of Higher Education, Sanghai Jian-Tong University, China has been publishing a list of the world's top 500 institutions of higher learning. The most recent list is now available on the Internet under the heading "Academic Ranking of the World Universities, 2005". University of Calcutta is the only University from India and also from the SAARC region to appear on the list.

5.3 JADAVPUR UNIVERSITY (1955)

In the year of 1905-06, the attempt of the British rulers to partition Bengal led to a countrywide agitation. The intense nationalist movement found cultural expression in one form of reaction against the prevalent system of education. The National Council of Education, Bengal, was started in 1906 'To impart and promote the imparting of Education – Literary and Scientific, as well as Technical and professional – on national lines and exclusively under national control, not in opposition to, but standing apart, from existing system of Primary, Secondary and Collegiate Education.

The foundation of the National Council of Education, Bengal, was made possible by three generous donors: Raja Subodh Chandra Mallik, Brojendra Kishore Roy Chowdhury of Gouripur and Maharaja Surya Kanta Acharyya Choudhury Bahadur of Mymensingh. The first President of NCE, Bengal was Sir Rash Behari Ghose. Thereafter Rabindranath Tagore, Sri Aurobindo, Dr. Bidhan Chandra Roy, Prafulla Chandra Ray and other eminent leaders were associated with it.

Under the leadership of Sir Rash Behari Ghose, a society named 'Society for Promotion of Technical Education in Bengal' in parallel to NCE, Bengal, was founded with the objective of imparting scientific and technical education for industrial progress. The Bengal Technical Institution (later known as the College of Engineering and Technology, Bengal) was started in the wake of such efforts. In 1910 the Society for Promotion of Technical Education in Bengal was amalgamated with NCE, Bengal.

At the time of Independence the College of Engineering and Technology, Bengal was virtually functioning as a University. Under the statutory recognition of the Govt. of West Bengal, on 24 December 1955 the institution was accorded the status of a University and its name was altered to 'Jadavpur University'.

5.3.1 FACULTIES & DEPARTMENTS

UNDER-GRADUATE COURSES :

A Faculty of Science :

B.Sc. Hons. (Day Course) – 3 years (6 Semester)

Chemistry, Geological Science, Mathematics, Physics.

B. Faculty of Arts :

B.A. Hons. (Day Course) – 3 years (6 semester)

Bengali, Comparative Literature, Economics, English, History, Library & Information Science, Philosophy, Physical Education. Political Science, Sanskrit.

B.A. Hons. (Eve. Course) – 1 Year examination system Library & Information Science.

C. Faculty of Engineering & Technology :

B.E. (Day Course) – 4 years (8 semester)

Chemical Engg., Civil Engg., Computer Sc. & Engg., Construction Engg.,
Electrical Engg., Electronics & Telecommunication Engg., Information Technology,
Instrumentation & Electronics Engg., Mechanical Engg., Metallurgical & Material Engg.,
Pharmaceutical Tech., Power Engg., Printing Engg., Production Engg.

B.Tech. (Post B.Sc.) (Day Course) – 3 years (6 Semester.)

- i. Food Tech. & Bio-Chem Engg.,
- ii. Instrumentation & Electronics Engg.

Architecture Engg. B. E. (Day Course) – 5 years (10 Semester.)

B. E. (Eve. Courses) – 5 Years (10 Semester)

Civil Engg., Electrical Engg. & Mechanical Engg.

POST-GRADUATE COURSES :

A. Faculty of Science :

M.Sc. (Day Course) – 2 years (4 Semester)

Chemistry, Applied Geology, Mathematics, Electronics Science & Physics.

M. Tech. in Bio-Technology – 1½ years (3 Semester)

M.Phil. in Environmental Science.- 2 years

M.Sc. (Eve. Course) – 3 years (6 Semester)

Chemistry , Mathematics & Physics.

B. Faculty of Arts :

M.A. (Day Course) – 2 years (4 Semester)

Bengali, Comparative Literature, Economics, English, History, International Relation,
Library & Information Science, Philosophy, Physical Education, & Sanskrit.

M.A. (Eve. Course) .- 3 years (6 Semester)

Bengali, Economics, English, History, Philosophy

M.Phil. in Arts – 2 years

Bengali, Comparative Literature, Economics, English, History, International Relation,
Philosophy, Sanskrit, Sociology & Women Studies.

C. Faculty of Engineering & Technology :

M.E. /M.Tech./ M.Pharm. (Day Courses) – 2 years (4 Semester)

Architecture Engg., Chemical Engg., Civil Engg., Computer Sc. & Engg., Electrical Engg., Electronics & Telecommunication Engg., Food Tech. & Bio-Chemical Engg., Software Engg., Instrumentation & Electronics Engg., Mechanical Engg., Metallurgical & Material Engg., Pharmaceutical Tech., Production Engg., Master of Bio-Medical Engg., Master of Control Engg., Master of Water Resource Engg., M.Tech. in Energy Science, M.Tech. in Material Sc., Master of Multimedia Development.

Master in Computer Application (MCA) – 3 years (6 Semester)

M.Tech. in Computer Technology (Eve.) – 3 years (6 Semester)

B. Ed (Special Education) course in Locomotor & Neuromuscular Disorders & Mental Retardation and P.G. Diploma in Bioinformatics.

D. Following Language courses are also conducted by the University –

French, German, Italian, Spanish, Bengali, Japanese, Hindi, Sanskrit, Portuguese, Russian, Tamil.

E. New Courses :

Faculty Council of Arts –

2 years Post Graduate Diploma Course in Digital Library Management (Evening)

2 years Post Graduate Diploma Course in Yoga Therapy.

Faculty Council of Science –

Dept of Instrumentation Science –

- 1 yr. P.G. Diploma in Instrumental Techniques in Chemical.
- 25 weeks Certificate course on Training of Lab. Asst.

Faculty Council of Engineering & Technology –

M.E. (Automobile Engineering) - {two years full time} - Dept. of Mechanical Engineering.

Master of Illumination Engineering.- {two years full time}- Dept. of Electrical Engineering.

Master of Power Engineering {two years full time} - Dept. of Power Engineering.

Master of Clinical Pharmacy & Pharmacy Practice - {two years full time} - Dept. of Pharmaceutical Tech.

Master of Nanoscience & Technology - 2 years Day Time

Master of VLSI Design & Micro- Electronics Technology. (Eve. Course) – 3 Years

M.Tech. in Distributed and Mobile Computing (Eve. Course) – 3 Years

Multi-modal Digital Distance Education –

- M.Tech IT Courseware Engg. - 2 years
- P.G. Diploma in Multi-Media & Web Technology.

5.3.2 INTERDISCIPLINARY SCHOOLS

- School of Study in Environmental Radiation & Archaeological Science
- School of Bioscience & Engineering
- School of Education Technology
- School of Energy Studies
- School of Environmental Studies
- School of Illumination Science, Engg. & Design
- School of Advanced Studies on Industrial Pollution Control Engg.
- School of International Relations and Strategic Studies
- School of Material Science & Technology
- School of Media, Communication & Culture
- School of Oceanographic Studies
- School of Water Resource Engg.
- School of Women's Studies
- School of Laser Sc. & Engg.
- School of Natural Product Studies
- School of Cultural Texts & Records
- School of Linguistic & Language Technology

5.3.3 CENTRES FOR STUDIES

- Ambedkar Studies
- Cognitive Science (Philosophy)
- Computer Aided Design (Computer Sc. & Engg.)
- Condensed Matter Physics Research (Physics)
- Counselling Service & Studies in Self Development (Philosophy)
- Distributed Computing (Computer Sc. & Engg.)
- European Studies (History)

UNIVERSITIES

- Human Settlement Planning (Architecture)
- IC Design and Fabrication (E.T.C.E.)
- Indology (Sanskrit)
- Knowledge Based System (Elec. Engg., Jupiter Bldg)
- Marxian Studies (Economics)
- Mathematical Biology & Ecology (Mathematics)
- Micro-Processor Application (Computer Sc. & Engineering)
- Nuclear and Particle Physics Research (Physics)
- Plasma Studies
- Quality Construction
- Quality Management System (Mech. Engg.)
- Refugee Studies (International Relation)
- Relativity and Cosmology (Physics)
- Surface Studies (Chemistry)
- Tagore Studies (Bengali)
- Transport Studies (Civil Engg.)
- Welding Studies (Met. Engg.)
- Thermal Power & Process Management (Mech. Engg.)
- Yoga
- V. Rabi Chandran Centre of Pharmaceutical Science

5.3.4 AFFILIATED INSTITUTIONS

- Name of the College / Institution affiliated to the University

Sl.No.	Name of the College / Institution
1.	Smt. J.D. Birla Institute
2.	Jadavpur Vidyapith College of Education
3.	Institute of Business Management
4.	Marine Engineering and Research Institute**

** Only course is affiliated

5.3.5 HIGHLIGHTS OF ACTIVITIES DURING 2005-2006

New courses introduced :

1. All India Council for Technical Education (AICTE) has approved a 3-year Part time P.G. course in VLSI Design and Microelectronic & Intelligent Automation Robotics and 2 years full-time PG courses in Clinical Pharmacy and Pharmacy Practices, Nanoscience and Technology, Illumination Engineering, Power Engineering and I. T (Courseware Engineering).
2. Department of Adult, Continuing Education and Extension has introduced the following four One- Year Post Graduate Diploma Course from this session, namely,
 - i) Software Engineering & Business Management
 - ii) Bioinformatics
 - iii) Montessori and Kindergarten Teachers' Training and
 - iv) Herbology.
3. The Department of Adult, Continuing Education and Extension has also introduced from this year B. Ed (Special Education) degree programme in Locomotor impairment and Cerebral Palsy in collaboration with Indian Institute of Cerebral Palsy. This is the first of its kind in Eastern India and is in tune with the identified thrust area of Special Education under the **'University with Potential for Excellence' scheme.**
4. The School of Education Technology (SET) has introduced a M. Tech I.T (Courseware Engineering) course in the class-room format. Further, the university through SET is also offering (a) P.G Diploma in Multimedia and Web Technology and (b) M. Tech IT (Courseware Engineering) in Multimodal Digital Distance Education format.
 - The Faculty of Engineering and Technology, Jadavpur University has been selected as a lead Institution under the World Bank assisted Technical Education Quality Improvement Programme (TEQIP) of Government of India. The University has been granted an allocation of Rs. 23.57 crores under the programme.
 - In the Faculty of Arts, a 2 - year Post Graduate Diploma in Yoga Therapy under the Department of Physical Education has been introduced. A P.G. Certificate course in Editing and Publishing has also been introduced.
 - Two new Centres for specialized Studies and Research viz, 1) **Centre for Quality Construction** and Sir C. V Raman Centre for Physics & 2) **Music** have been started.

- Department of English has been designated by the UGC as a **Center of Advanced Studies (CAS)**. This is a great national recognition considering the fact that the Department is the first among Indian Universities to get this status. Further, Department of Philosophy has been approved for CAS, Phase IV for five years, 2004 -2009 by the UGC.
- **University Grants Commission** has also extended support to four Departments of the Arts Faculty, namely, Comparative Literature, Philosophy, International Relations & Economics under its AS/HSS (Strengthening of the Infrastructure of the Humanities and Social Sciences) programme.
- The Department of History received the Departmental Research Support (DRS) grant of Rs.38.00 lakhs under the UGC Special Assistance Programme to conduct Research on the 'Environmental History of India'.
- The Department of Science and Technology, Government of India has extended support to the Department of Chemical Engineering and School of Energy Studies with grants of Rs. 65.00 lakhs and Rs. 20.00 lakhs respectively under its FIST (Funding for Improvement of Science & Technology Infrastructure in University) programme.
- UGC has brought two of the premier Engineering Departments, Mechanical Engineering and Chemical Engineering, under its Departmental Research Support (DRS) of Special Assistance Programme (SAP) and Department of Metallurgical & Material Engineering has been upgraded from DRS to DSA (Department of Special Assistance) status.
- **Industry Institute Partnership Cell** has accelerated its speed in industry interaction providing multiple services towards consultancy/testing /R & D facilities to about 160 organizations/ Government departments as well as in public and private sectors all over India. A few examples of such Industries are: Bridge & Roof, ABB, Metro Railway, The Asiatic Society, Indian Ordinance Factories, Eastern Railways, Hindustan Paper Corporation Ltd., Price Water House, BSNL, KMDA, Exide Industries Ltd., Indian Oil, ESAB India Ltd., Jute Corporation of India, CPWD, Hindustan Petroleum, Britannia Industries, CESC, M.N. Dastur and Company, Airport Authority of India etc.
- Prof. Samaresh Bhattacharyya, Department of Chemistry and Dr. Nibir Mondal, Department of Geology of the University have been awarded the prestigious "Bhatnagar Award' of the year 2005 for their outstanding contribution in the field of concerned research areas.

5.4 RABINDRA BHARATI UNIVERSITY (1962)

The Rabindra Bharati University was founded on May 8, 1962 under the Rabindra Bharati Act to mark the birth centenary of poet Rabindranath Tagore. Its main objective is "to encourage in conformity with the ideas and thoughts of Rabindranath Tagore, the integration of cultural heritage of the nation consistent with its linguistic and socio-economic history and to enable it to function more efficiently as a university encouraging and providing for instruction, teaching, training and research...". The Maharshi Bhaban and Bichitra located at Jorasanko Complex of the university houses (i) a biographical museum on Tagore and aspects of the Bengal Renaissance; (ii) three Art galleries—the first one exhibiting Tagore's paintings (original), the second the portraits and personal effects of the family and the third the paintings of the Bengal School painters, notably Abanindranath Tagore, Nandalal Bose, Jamini Roy, Ramkinkar Baij etc.

5.6 KALYANI UNIVERSITY (1960)

The University of Kalyani was established in 1960 with a campus area of over 400 acres in Kalyani town. It is well connected by road and railway, with a railway station for the University. The University is situated in a locality with rural and backward areas. Yet, its distance from Kolkata is only 60 km. This location advantage of the University makes it particularly suitable for the Cafeteria Approach' of higher education. The University ensures on one hand, the development of excellence, and on the other, contribution of higher education through dissemination of knowledge to rural areas in an open and flexible system. The University is also considering the possibility of upgrading some of its affiliated colleges with the Academic Autonomy, and postgraduate teaching. The University is presently offering twenty-six postgraduate programmes under four faculties, namely, Science, Arts & Commerce, Education, Technology & Management. The total number of approved teaching posts at present is 217, catering to around 2596 post-graduate students. In its administrative set up, there are approximately 32 officers, and 499 staff on the pay-roll at the moment, which vindicates a streamlined academic administration.

Total no. of Department – 9

Bio-Physics & Bio-Chemistry, Botany, Computer Science (DCA) one year,
Chemistry, Environmental Science, Mathematics, Physics, Statistics, Zoology.

FACULTY OF EDUCATION :

Total no. of Department - 2

Education Deptt.-B. T. (1 year), M.A./ M. Sc. in Education (two years),
Physical Education –B.Ed (in Physical Education) 1 yr., M. P. Ed (2 Yr.).

OTHER POST GRADUATE COURSES :

FACULTY OF ENGINEERING & TECHNOLOGY

FACULTY OF LAW

FACULTY OF MUSIC & FINE ARTS

UNDERGRADUATE COURSES

FACULTY OF ARTS

B. A (Hons.) in English, Sociology, Economics, Bengali.

FACULTY OF SCIENCE :

B. Sc. (Hons.) in Chemistry, Physics, Mathematics, Statistics, Botany, Zoology.

OTHER UNDERGRADUATE COURSES

The University conducts B.A. / B.Sc. /B.Com. Pass & Honours courses in it's 36 affiliated degree colleges. Besides this, University conducts certificate course in Chinese & Russian Languages and B.Tech. Courses in: (a) Information Technology, (b) Electronics & Instrumentation. M. Phil. courses in English, Education & Economics are also conducted by the University.

5.6.3 HIGHLIGHTS OF THE MAJOR ACTIVITIES UNDERTAKEN DURING THE YEAR.

New Courses and Programmes :

The following new courses/programmes have been introduced from the academic session 2003-2004 and 2004-2005 on enhanced fee pattern :

- 2-year M.Sc course in Physiology.

Accreditation by NAAC & subsequent steps :

After the process of Assessment and Accreditation of the University as a whole by NAAC during 2001, the University is taking Strategic Plans for accelerating new programmes of teaching and research in Emerging Areas before the next visit of the Peer Review Team of NAAC which is due in 2007. The Internal Quality Assurance Cell is going to organize one day workshop on Best Practices under the auspices of NAAC and for which financial assistance to the tune of Rs.1.05 lakh has been received from NAAC.

Assistance received from UGC & State Govt. under Plan Head :

The progress of the Developmental schemes also speaks for continuing progress. The University has received and fully utilized a grant of Rs. 204.00 lakh out of a total allocation of Rs. 340.00 lakh as X Plan Developmental Assistance from UGC. Appreciating the progress the university has so far made, UGC has released the third installment of Developmental Assistance to the tune of Rs. 68.00 lakh.

To take steady stride towards sustained development the University in the current financial year has submitted a proposal for capital construction to the tune of Rs. 2.50 crore to the Govt. of West Bengal towards construction of the Departments of Molecular Biology & Biotechnology, Microbiology, Physiology, Geography and renovation of Library Building and those are under active consideration of the Higher Education Department. Against an administrative approval of Rs. 14.00 lakh the University has received an amount of Rs. 7.50 lakh towards construction and repair of Science Faculty Road.

UGC Refresher Course Centre :

The UGC had already identified this University for Refresher Course Centre (UGC-RCC) for College and University Teachers from the year 2001-2002. For the year 2005-2006 proposals for organizing Refresher Courses in the following emerging areas on inter-disciplinary basis have been submitted to UGC :

- a) Literature & Politics b) Teacher Education Programme in Higher Education
- c) Microbial Biotechnology d) Nanotechnology e) Biodiversity.

Earned Accolade from DST- Govt. of India :

It would be worth mentioning that after availing of the funding of Department of Science & Technology (DST), Govt. of India under the FIST(Fund for Improvement of infrastructure in Science & Technology) Programme to the tune of Rs. 143.00 lakh the departments of Chemistry, Biochemistry & Biophysics, and Zoology have now applied for the Special Assistance Programme of the UGC and those are under active consideration.

Seminars Held :

A number of seminars were organised at different University departments. Notable among themselves were :

- “One day Seminar on Year of Physics” held on April 21, 2005 and organized by the Department of Physics.
- “National Symposium on Developmental Dynamics” held during November 23-25, 2005 and organized by the Department of Zoology.
- “International Symposium on Recent Advances in Mathematical Science and Earth Science” held during December 02-04, 2005 and was organized by the Dept. of Mathematics.
- “National level one day seminar on Observational Astrophysics” held on September 27, 2005 and organized by Dept. of Physics.
- “One day Interactive Workshop on Curriculum Development in Molecular Biology and Biotechnology” held on August 17, 2005 and organized by the Department of Molecular biology and Biotechnology.
- One day interactive National Seminar organized by Department of English entitled “Renaissance Literature Self & Authority” held on 11.1.2006.
- “National Seminar on Physical Education” was organized by the Dept. of Physical Education during 29-30 November, 2005.
- “One day interactive Seminar on Faculty Development” organized by the Dept. of Business Administration held during June 20-24, 2005.
- NAAC Sponsored Workshop on “Best Practices on Higher Education: Awareness amongst the Colleges” held during March 7-8, 2006.

Speakers :

1. Prof. Swapan Pramanik, Vice-Chancellor, Vidyasagar University.
2. Prof. Subimal Sen, Vice Chairman, West Bengal State Council of Higher Education.
3. Dr. M.S. Shyama Sundar, Deputy Advisor, NAAC.
4. Prof. Protip Chowdhuri, Former Secretary, West Bengal State Council of Higher Education.

Invited Talks delivered by Eminent Scientists and Functionaries :

- Professor James Laskay, Professor, University of Leubek, Germany on 03.12.2005 on “The role of neutrophil Granulocytes as host cells and transport vehicle for intracellular pathogen”

- Dr. Bikash Chandra Sanyal, Hony Advisor UNESCO & Head of India House (la Inde), Paris , France on " Challenges before Higher Education Today" on 02.1.2006.
- Dr. Subhas Chandra Mojumder, Scientist, National Chemical Institute, Toronto, Canada on "Introduction to Nanotechnology and its application in various fields" on 03.1.2006.
- Swami Jitatmananda , Ramakrishna Mission , on " Importance of Indian Culture in the Global Civilization Today" held on 02.1.2006.

Visit of University Faculties in Abroad :

Notable International Seminars/Conferences at abroad represented by the departmental teachers:

- "Fifteenth International I-O Conference " held during June 27- July 01, 2005 at Beijing, China. (Economics).
- "Gordon Research Conference on Free Radical Reactions" held during July 03-08,2005 at USA. (Chemistry).
- "Seventeenth International Symposium on Aphids" held during October 02-07, 2005 at Australia. (Zoology).
- "XX Congress of International Union of Crystallography" held during August 23-31, 2005 at Florence , Italy. (Chemistry).
- "Ground Water Development using Remote Sensing and GIS Techniques" held during August 22-25,2005 at Jakarta, Indonesia. (Environmental Science).
- "Six Decades of Weed Science : the Discovery of 2,4-D(1945-2005)" held during November 7-11,2005 at Ho Chi Minh City, Vietnam. (Environmental Science)
- " International Seminar of Celebration of Organic Synthesis" held during September 13-15,2005 at Nottingham University,UK. (Chemistry)
- " The Inter Congress Symposium of the Asia and Oceania Society for Comparative Endocrinology" held during February 06-10, 2006 at Bangkok , Thailand. (Zoology).

XIX Convocation of the University :

The XIX Convocation of the University was held on March 09,2006 where the Convocation address was given by Professor V.N. Rajasekharan Pillai, Vice Chairman, University Grants Commission.

Internationally acclaimed Scientist Professor M.S. Swaminathan and Eminent Educationist Professor Sankar Kumar Sen received the Degrees of Honoris Causa in person. Professor Rabindra Kr. Dasgupta and Shri Bikash Bhattacharya were conferred the degrees of Honoris Causa in absentia. Hon'ble Chancellor of the University and Governor of the State Shri Gopalkrishna Gandhi presided over the Convocation.

Research Activities :

The University Departments in all of its faculties have recorded remarkable performance in research. The University is oriented towards serious effort to develop its potential by strengthening and extending research activities in its preferred areas through collaborations with other Institutions / Bodies in India and abroad. On-going Foreign Collaborations in research on selected areas with Countries like Japan, Sweden, Germany, UK, France are helping the University for proceeding towards its goal. The University very recently has entered into a Memorandum of Understanding with Valencia University, Spain.

In the changing scenario of Higher Education system in the twenty first century, the University is active in strengthening its research activities in the emerging and developing areas. Following on-going Research Projects at different University Departments as mentioned below are noteworthy :-

- i) To combat the problem of arsenic contamination in ground water of several districts of West Bengal, the Chemistry department has been continuing extensive researches on arsenic mobilisation and its possible remedial measures with the support of Indo-French Centre For The Promotion Of Advanced Research (IFCMR), **Indo-Swedish Collaboration and with the Project supported by Rajiv Gandhi National Drinking Water Mission of the Govt. of India.**

The Collaborative Project entitled "**Nanoscale Biogeochemistry of Arsenic and Remediation of High Arsenic Groundwaters in Southern Asia**" funded by EPSRC, Wiltshire, UK with a sanctioned amount of £ 75,000 sterling pound (Rs. 54.00 lakh) involving University of Manchester, UK has left much impression in this regard.

A number of Major Research projects have also been sanctioned in the recent past by DST and CSIR in Chemistry department. One of such projects is "Mono and Poly nuclear complexes of heavier transition metals incorporating Ligands with extended delocalization. A search for new electron transfer centres and photoactive materials."

Researches in emerging areas are also being conducted with the help of the equipment procured out of the grant received from DST under FIST programme.

- ii) The Department of Biochemistry & Biophysics is continuing its research with funding of various agencies like CSIR, DBT, DST, ICMR, DRDO, LSRB etc. The projects entitled "Molecular mechanism of DNA entry into E.coli cells during its artificial transformation" funded by DBT; "Studies on the mechanisms of oxidant mediated Ca^{2+} release from microsomes of pulmonary vascular smooth muscle" funded by DRDO and "Studies on signal transduction mechanism in oxidant induced alteration of Ca^{2+} dynamics on microsomes of Pulmonary smooth muscle cells " funded by DBT have yielded in considerable research output.
- iii) With the second phase of support from UGC against a sanctioned amount of Rs. 18.70 lakh extensive researches on "High Temperature Superconductivity" are being conducted at the Department of Physics,
- iv) The Department of Zoology has been able to maintain its excellence through its research projects like "Identification , pathobiology and control of some dreaded protozoan poultry diseases of West Bengal" funded by DST, " An investigation for testing efficacy and mechanism of action of certain potentized homoeopathic drugs in combating artificially induced hepatocarcinoma in mice and rats " funded by AYUSH , Ministry of Health & Family Welfare, Govt. of India, " A comprehensive study on arsenic toxicity and its amelioration by administration of ultra-low doses of homoeopathic drugs " a BOIRON LAB, Lyon, France project for which the foreign collaborator has sanctioned an amount of 80,000 EURO. etc.

In the recent past DST, Govt. of India has sanctioned a Major Project entitled " LH/HCG receptor gene expression in mouse uterus and its relevance in steroid hormone and prostaglandin synthesis" against an allocation of Rs. 19,86,702/-.

Research in Humanities Streams :

- v) In the Department of Economics researches are going on "Economic efficiency in petro-refining in India" funded by ICSSR and on "The political economy of labour in a globalised economy" funded by IDPAD- ICSSR against an allocation of Rs.15,11,114/-.
- vi) Under the aegis of financial support of the Ministry of Tribal Affairs effective researches are being conducted in the Department of Sociology on the projects entitled "Mother and Child health care programmes among the tribals in the district of Nadia" and "Tribal girl students hinderance towards achievement – A micro study of welfare strategy in the district of Nadia". UGC has provided support through a major research project entitled "Risk and labour: Concern for human sufferings in Small and medium-scale industries in low and high performing economics."

The on-going research projects at different university departments.

Sl. No.	Name of the Teacher	Title of the project	Duration	Funding Agency	Amount
1.	Dr. D. Chatterjee Dept. of Chemistry	Geochemistry of Ganga Sediment and Ground-water Arsenic Mobilisation.	3 Years	I.F.C.P.A.R. (Indo-French Centre for the Promotion of Advanced Research)	Rs. 8,46,000.00
2.	Prof. R. N. Bhattacharyya, Dept. of Economics	CPR Institutions of West Bengal: An Analysis of Environmental Economy Interface.	3 Years	I.G.I.D.R. (Indira Gandhi Institute of Development Research)	Rs. 6,67,000.00
3.	Prof. R. N. Bhattacharyya, Dept. of Economics	Economics and Institutions for sustainable use of Coastal Wetlands : A study of India and Bangladesh.	3 Years	I.C.R.I.E.R. (Indian Council for Research on International Economic Relations)	US \$ 59,500 @ Rs.45/- Rs. 26,77,500/-

5.7 UNIVERSITY OF NORTH BENGAL (1962)

The University of North Bengal was established by an Act of the Legislature of West Bengal in 1962 and assigned the mandate of providing teaching, training and research in various branches of advanced learning and promoting the dissemination of knowledge to fulfill growing socio-economic and technical manpower needs in the six North Bengal districts and the neighboring state of Sikkim. The University occupies an area of about 330 acres and is situated at a distance of 9 km from Siliguri and 4 km from Bagdogra Airport in the Terai region of Darjeeling District. The University Act was amended by the West Bengal Act of XXV of 1981, which came into force with effect from September 16, 1981.

5.7.1 Postgraduate and Postgraduate Diploma / Diploma Courses in the Faculties of the University.

(i) FACULTY OF ARTS, COMMERCE AND LAW

M.A. in Bengali, English, Nepali, Hindi, Economics, Philosophy, Sociology, Political Science, Geography & Applied Geography,

M.Com.,

LL.M.,

Adult and Continuing Education, Extension & Field Outreach.

* M.B.A. (2 yrs.)

* Post Graduate Diploma in Marketing Management / Tourism & Hotel Management / Environmental Law.

* Diploma in Museum Studies.

* Diploma in French Language.

M.Phil. in Political Science, History, Philosophy, Nepali, Himalayan Studies, Economics, B.Lib. & Information Science (1 yr.)

LL.B. Hons. (5 years).

**) means self-financed Courses.

(ii) FACULTY OF SCIENCE

M.Sc. in Botany, Chemistry, Computer Science & Application, Mathematics, Physics, Zoology, Anthropology, Bio-technology, Computer Science.

M.C.A.

* Post Graduate Diploma in Tea Management/ Disaster Management./Information Technology

* B.B.A./B.C.A.

* M.Phil. in Remote Sensing & GIS.

**) means self-financed courses.

(iii) FACULTY OF MEDICINE

D.O. and M.D. courses (2 years) in Anatomy, Physiology, Community Medicine, Anaesthesiology, Pathology are conducted in the North Bengal Medical College.

5.7.2 CENTRES IN THE UNIVERSITY

(i) Centre for Himalayan Studies, (ii) Centre for Life Science, (iii) Centre for High Energy & Cosmic Ray Physics, (iv) Centre for Development Studies, (v) Centre for Women's Studies, (vi) Centre for Remote Sensing Applications, (vii) University Science Instrumentation Centre, (viii) Computer Centre, (ix) Centre for Studies in Local Languages & Culture, (x) Centre of Distance Education and (xi) Information Technology Centre.

5.7.3 UNDERGRADUATE COURSES

B.A./B.Sc./B.Com./B.Ed./B.Phys.Ed./B.B.A./B.C.A./B.Pharm. Course are conducted in the following affiliated colleges.

Types of Colleges	Number
General Degree Colleges	55
B. Ed. Colleges	10
Physical Education College	1
Law Colleges	2

5.10 THE WEST BENGAL UNIVERSITY OF TECHNOLOGY (2000)

The West Bengal University of Technology Act 2000, under the West Bengal Act XV of 2000, was passed by the West Bengal Legislature and published in the Calcutta Gazette (Extraordinary) vide publication No 146-L dated 20th July 2000. The West Bengal University of Technology came into existence on 7th August 2000. It started functioning with the assumption of office of the first Vice-Chancellor on 15th January 2001 through affiliation of Institutions / Colleges.

The University is currently located at BF-142, Sector-I, Salt Lake and has a Second Campus at AQ13/1 Sector V, Salt Lake, Kolkata-700091. It is proposed to build main campus at Haringhata, on NH 34 near Kalyani, on a 40-acre land. The boundary wall for the allotted land is taken up as at first stage of construction. West Bengal Industrial Infrastructure Development Corporation is the Project Management Agency.

To achieve self-reliance the Country requires Centre of Excellence for evolving World Class Technology. The University has twin objectives: (a) to serve as a Centre of Excellence in teaching and research & (b) to provide affiliation to engineering, technological and management institutes. In order to fulfill the above objectives three Centres of Excellence viz. Department of Biotechnology, Department of Information Technology & IBM Centre of Excellence Laboratory have been set up in the University.

At present as many as 76 engineering, technology and management institutes all over West Bengal have been successfully functioning under the guidance and control of this University.

The University has taken over the charge of the IIIT-C and transformed it into a Department of Information Technology of the University. Besides, the other in-house programme of the University i. e. M.Tech. in Biotechnology, M.Tech. in Bioinformatics, M.Sc. in Bioinformatics, M.Tech. in Software Engg., M.E. in Computer Science & Engg., M.E. in Information Technology have been running in full swing.

Mission of the University :

- Post Graduate study and research would be emphasized for the grooming of scientists, engineers and technologists.
- The management system of the University would be compact and responsive to global changes in technology.
- The University would have intimate and collaborative linkages with national and international research institutes, universities and industry.

- The University would have an International Centre to organize national and international seminars, as well as conferences and lectures by international experts in different fields of science and technology.
- To organize courses in engineering and technology, especially in emerging areas. .To organize distance education programmers aiming at a virtual University.
- To develop Centre of Excellence for higher studies and research in basic and applied science, engineering, technology and management education.
- To create awareness in key areas of environmental science, conservation of energy and resource, information technology and biotechnology.
- To organize continuing education programmes for updating the knowledge and skills of working professionals.
- To organize and offer consultancy services to the industry and other organizations desiring such assistance.
- To undertake such other activities as may be necessary to fulfill the mission of sustaining the emerging areas of science and technology.

Evaluation :

A detailed calendar of academic and related activities is published at the beginning of each year and is followed rigorously. Each academic year is divided in two semesters - Even (January to June) and Odd (July to December). At the conclusion of each semester, an end-semester examination is conducted as per program announced by the Controller of Examinations. The performance evaluation comprise two distinct components :

- "day-to-day" evaluation through practical tests, assignments, quizzes, participation and regularity.
- "end-of-semester" evaluation through written/practical examinations for theory and practical items and appropriate interactive assessment of sessional items.
- The examination scripts are centrally evaluated under supervision of respective head examiners to enable adherence to uniformity in the standard of grading. Individual grade cards are issued in 7-point grading system simultaneously the whole process taking about one month from the conclusion of examination.

Academic Activities During 2005-06 :

The University now has 45 permanent employees and 24 teaching faculty members on its rolls. There are two Advisers to help the University with our academic activity.

The library has now nearly 12500 books and subscribes to nearly 50 Indian and three foreign journals. Besides these, there is access to nearly 35000 full text e-journals. This caters towards the need of the University staff, students and the faculty. The University has established a Digital Library in collaboration with L2C2Technologies. It involved an upgradation of a Library Management software KOHA to a truly Digital Library management software. The Library is now open 14 hours a day on weekdays and 12 hours on Sundays and Saturdays. This has been made possible with the induction of Earn While You Learn Scheme for the students. Under this scheme the students can earn @ Rs.50 per hour for a maximum of 25 hours in a month.

Industry Institute Partnership and Research activities in the School of Information Technology.

- University has decided to go in for technical collaboration with ESP microDesign Inc., for participating in a joint venture.
- ESP microDesign Inc., an US based start up organisation seeks to commercialise a new parallel digital processor platform. This new platform will provide customers with both the design tools and the production hardware needed to develop and manufacture a revolutionary class of solutions to difficult digital processing problems. The innovative technology provides design engineers a fully software programmable architecture that has the capacity to meet the performance needs of next generation wireless communication devices, network packet routing boxes, medical imaging diagnostic machines, robotic vision systems, natural human speech interfaces and more.

List of some of the Ongoing Research Projects

1. Implementation of a Re-configurable DSP Processor on Xilinx Vitex II FPGA.
2. ASIC implementation of a Dynamically Re-configurable high speed DSP processor.
3. Conversion of Analog signal or Binary Data to Double Based Numbers – A VLSI mixed signal Processor.
4. Conversion of Analog signal or Binary Data to Residue – A VLSI mixed signal processor.

5. Performance enhancement of a Re-configurable DSP Processor by implementing the MAC Unit using Triple based number systems.
6. An Integrated Development platform for a Re-configurable Parallel Digital Signal Processor system.

The School now runs 3 PG courses in CSE, IT and Software engineering in PG and one B.Tech. IT. All these programs are AICTE approved. One PG Diploma in Software engineering is also being offered.

School of Biotechnology

- From the School of Biotechnology the University is offering two M.Tech. programs in Biotechnology and Bioinformatics. The Biotechnology program is fully supported by the Department of Biotechnology, Govt. of India. An annual grant of nearly Rs.30 lakhs has been obtained on this account from DBT. The University has also been accorded the status of an Associate member by the DB/T Task Force on Bioinformatics. Both the M.Tech. courses are approved by the AICTE. A program of Integrated Ph.D. in Molecular Biology has also been started. The students of Biotechnology are recruited through a centrally administered admission process.
- Two 100 litres fermentors for growing *Azotobacter chroococcum* in the Biofertiliser project have been set up.
- As on date it has been made possible to isolate and study 21 novel microbes with the ability to take up heavy metal ions using EDXRF of IUC-DAE and Transmission Electron Microscopy. A systematic study is being conducted about the presence of heavy metal ions and other trace elements in microbes, plants and eukaryotic cells from East Calcutta Wetlands.

Following are the ongoing funded projects :

1. Bioinformatics tools and comparative microbial community analysis Deptt. of Science & Technology, India under DAAD-DST personal Exchange program.
2. Genetic Resource Management of East Calcutta Wetlands – Funded by Department of Science and Technology under the DST Fast Track scheme for Young Scientists.
3. Ionizing Radiation induced DNA DSB studies of Methanogens isolated from East Calcutta Wetlands funded by IUC-DAE, CSR, Calcutta.

2. Basic elements profiling of East Canada's networks for phylogenetic based growth condition prediction (Feb 2002, 2003, Canada)

Mathematical simulation of the chemistry is based on the use of the chems partitioner as a tool of the whole cell system. Previously some source based software has been used. This gives the scope for well independently as well as knowledge dissemination. MDCI has acted as the model agency for conducting that nationally coordinated test for selection of Ph.D. candidates as well as MDCI for recruiting students joining out from various Bioinformatics programs in the country. One of the first such student of MDCI is a recipient of fellowship under the Ph.D. scheme. At MDCI has been signed with BIOINIC, so that the students completing their 2 best course would be eligible for an MDCI Post degree in Bioinformatics.

As MDCI project is Hospital Management has also been given approval. Prof. Bernard Gough of University of Ottawa called as a Director and gave a seminar. Prof. Jacques Gauthier of International Bio-Science Institute, Ottawa and currently the Foundation Grant Professor of Department of Science, called as guest lecturer. Prof. M. Gauthier from MDCI was an MDCI visiting Professor in the Department. Prof. Robert Van Pelt (University) joined the Department as MDCI Executive Professor. Dr. John Van Pelt (MDCI) completed was not paid and Dr. J. Gauthier called Gough to join MDCI. Prof. Gough of Ottawa University called as on July 10. Prof. Bernard Gough of Ottawa Institute of Science Physics has joined as an Advisor.

It is also supported and supported in Ottawa, Bioinformatics and Computing. Following persons presented their paper: Prof. Robert Gauthier of MDCI, Dr. Gauthier, MDCI, Prof. J. Gauthier of Ottawa University, Gauthier, Prof. Robert Gauthier of MDCI, Prof. J. Gauthier of Ottawa University, Prof. Robert Gauthier, and Prof. M. Gauthier of Ottawa Institute of Science Physics, Dr. Gauthier from Prof. M. Gauthier called and Prof. J. Gauthier of Ottawa University.

Prof. Robert Gauthier is joined at the head of study in Ottawa has been a Senior Fellowship Associate and a research. The University has been a recipient of an International Centre of Bioinformatics Research.

3. BIOINFORMATICS CENTRE

The Bioinformatics Centre has been established from September 1, 2002. The centre provides a facility of collaboration of its own resources and those of the associated academic. Bioinformatics Researcher (Feb 2002) at St. Francis College, Ottawa. BIC has been inaugurated on the 17th of December. BIC will become fully operational from the 10th of December, 2002.

The Bioinformatics has set up a Dept and has appointed a Specific Officer and also an Executive Superintendent. It has also created a Basic Science facility with an office arrangements for all needs.

Following websites have given the university grade information:

Affiliat is maintaining the track record of publishing results of all universities within the scope of the last date of the assessment. Affiliat has now list of the members on its official website, a list university accredited by the Affiliat. All of the colleges offer undergraduate programs. There are 5 de-hon programs offered by the affiliated institutions.

Eight colleges of the university are participating in the Minor Study based Model program. Their academic is being done by 5 distinguished professors who are also working in different 2 other colleges. Between these three colleges have 20 members are present and have opened a number of PG courses.

Therefore record of the university continues to be good. The next month, date of the next report have already passed that last one. These past month have are expected to be the better. In the university last following students have been reported through various channels.

Name of the University	Number of Students

Affiliat is organizing National Students Symposium from January 1-3, 2015. Major focus will be on students in University (2015) for the following year. It will be going off in Washington, D.C. with all over the country and across with its developing and more. The Symposium has been supported by all the major South Asian countries.

WBUT had distinguished visitors in the campus viz. Prof. D. Acharya, Chairman AICTE. DR. Acharya chaired a brainstorming session on Developing Entrepreneurship based M.Tech. curricula. The meeting was also attended by Prof. K.L.Chopra, ex-Director IIT, Prof. Subir Chaudhury, ex-Director IIM, Kolkata. A spin off this discussion meeting has been the establishment of EKTA incubation Centre.

The previous Chairman of AICTE Prof. R.Natarajan chaired a brain storming session attended by 22 academics including Vice-Chairman, Higher Education Council, Prof. Subimal Sen. This meeting discussed the issues related to Use of Open Source in Technical Education.

In order to ensure good quality text books, especially for the Under graduate students WBUT has entered into an MoU with New Age publishers for publication of books. The University has taken initiative to develop soft skill of the students by entering into agreement with several institutions. They are running pilot projects in the University with an approach that their program gets fine tuned to the needs of the students of West Bengal University of Technology. The Cambridge program of British Council, Orient Longmans, IMS are engaged in this, to name a few.

A one day workshop was organised where eight industrial houses mainly from IT sector participated where the industry's perspective in terms of the skill set requirement of the students to increase their employability was discussed.

5.11 THE BENGAL ENGINEERING AND SCIENCE UNIVERSITY, (2004)

Genesis

Established way back in 1856, as the Civil Engineering College, Calcutta; renamed as 'Bengal. Engineering College' in 1921 and elevated to the status of a 'Deemed University' in 1992; the University with its present name as 'Bengal Engineering and Science University, Shibpur' has come into being with effect from October 1, 2004. With a presence of nearly 150 years, it is considered to be one of the pioneers of engineering education in India;

The University is located in a sylvan surrounding in the district of Howrah, on the bank of the river Hooghly and is adjacent to the famous Indian Botanic Garden. It is only a few minutes drive to the heart of Kolkata through the Vidyasagar Setu.

Academic Programmes

UG Programmes

The University offers UG programmes leading to B.E/B.Arch. degrees in nine branches namely Architecture, Civil Engineering, Computer Science & Technology; Electrical Engineering, Electronics

& Tele-Communication Engineering, Information Technology, Mechanical Engineering, Metallurgical Engineering and Mining Engineering. Admission to UG programmes, is based on W. B. Joint Entrance Examination, Recently, a BBA programme has also been introduced.

PG Programmes

The University has the distinction of being the first institute to offer postgraduate degrees in various branches of engineering since 1953. The following postgraduate programmes are offered at present :

- Master's of Engineering/Technology in Civil, Electrical, Mechanical, Metallurgy; Computer Science and Technology, IT, Electronics and Telecommunication, Engineering Mechanics, Mining, Materials Engineering
- Master's in Town and Regional Planning (MTRP)
- Master's in Computer Application (MCA)
- Master's in Business Administration (MBA)
- Part time PG programme in Civil Engineering in specialized fields and Industrial Metallurgy
- Full time M.Sc programmes in Applied Physics, Applied Chemistry; Applied Mathematics and Applied Geology

The following autonomous schools have already been established to facilitate interdisciplinary PG activities :

- Purabi Das School of Information Technology
- School of Management Sciences
- Dr. M.N. Dastur School of Materials Science and Engineering
- School of Community Science and Technology

Ph.D. Programmes

Doctoral programmes have been an integral part of the University since 1954. With the institute's upgradation to University status, these are being further strengthened with increase in number of Fellowships.

Funded Research

R&D activities in the institute are financed by different national and international agencies. The major funding agencies include AICTE, DST, CSIR, DRDO, INTEL, NASA-USA and World Bank to name a few. The institute has always contributed to community technology development. Innovative research works done in-house have already led to the procurement of several patents.

Cutting edge research

Besides conventional fields, the University has brought many frontier areas of Science & Technology under the purview of its research activity in recent years. Some such areas are : VLSI and Embedded Systems. Nano science and Technology, Disaster Engineering, Cellular Automata, Bio-Mechanics, Fuel Cell Technology; Intelligent Motion Control etc.

Achievements

The University successfully completed the prestigious IMPACT project sponsored by the World Bank.

The Journal of Technology, a referred journal for publishing national and international research works in science and technology is being published since 1956.

Industry Academia Interaction : The University has successfully carried out research projects sponsored by leading organizations like Intel-USA, Fujitsu-USA, NORTEL- USA etc. Ministry of HRD, Govt. of India has declared the university 'an institution of National Importance' along with Jadavpur University and three other reputed institutions across the country and a grant of Rs.10 crore has been sanctioned at the first phase.

Collaborations : Faculty members of the University have been involved in research programmes in collaboration with experts in different academic institutions within the country and abroad. Noteworthy among them are the IITs; University of Illinois, Urbana-Champaign, USA; University of New South Wales, Australia; University of Ulm, Unlverslty Fuer Verfahrenstechnik, Germany; Dalhousie University, Canada; Swiss Federal Laboratories for Material Testing and Researxch (EPMA), Switzerland and Delft University, Netherlands.

Plans for a second campus are also underway, with establishment of new departments of Chemical Engineering and Bio Technology; new schools in frontier technology areas like VLSI, Bio-Informatics, Mechatronics and Robotics, Environmental Engineering and other facilities.

6.1.1 BIDHAN CHANDRA KRISHI VISWAVIDYALAYA

P.O. Krishi Viswavidyalaya, Mohanpur, Nadia, Pin-741252.

Ph. 033-2587-9772, 03473-222666, E-mail : vcbckv@vsnl.net

The university established in 1974, has completed three decades of its existence as the pioneer institute of Agricultural Education, Research and Extension. The main objective of this Viswavidyalaya is to provide facilities for the study of Agriculture, Horticulture and Agricultural Engineering. It is also to conduct researches in these sciences and undertake the educational and extension programmes in agriculture among the rural clientele base, keeping in view the requirements of the state.

6.1.2 UTTAR BANGA KRISHI VISWAVIDYALAYA

P .O. Pundibari, Dist - Cooch Behar

West Bengal-736165 Ph. 03582-270141/249

The Uttar Banga Krishi Viswavidyalaya (UBKV) is a new-born Agricultural University in West Bengal. It has come into existence at Pundibari, 16 k.m. away from the Cooch Behar district head quarter on 1st February, 2001. Since 1979, an Educational and Research establishment had been operative at Pundibari under Bidhan Chandra Krishi Viswavidyalaya as a part of its constituent units. The University has been given responsibility for teaching, research and extension education in different branches of agriculture, horticulture, forestry , tea and allied science for creating qualified technical manpower and new technologies to the State Government in order to help the farmers towards increasing agricultural production and improving their economic conditions. The University has Regional Research Station/ Sub-stations at Kalimpong, Dalapchand, Pedong of Darjeeling district, Majhian of Dakshin Dinajpur district, Manikchak and Ratua of Malda district, Kharibari of Siliguri sub-division of Darjeeling district and at Pundibari of Cooch Behar district.

OTHER UNIVERSITIES

Academic programmes in the University, both at U.G., P.G. and Doctoral levels are conducted here. Instructional programmes in the University are being operated under Faculty of Agriculture and Horticulture. Besides, there have also been provisions of conducting inter-institutional, inter-disciplinary postgraduate level instruction and advanced research under nine centres of advanced studies.

The Faculty of Agriculture comprises of ten Departments namely, Agronomy, Agril. Chemistry & Soil Science, Genetics & Plant Breeding, Agril. Statistics, Agril. Economics, Agril. Extension, Agril. Entomology, Plant Pathology, Plant Physiology and Biochemistry. The Faculty of Horticulture comprises of five Departments namely, Pomology and Post Harvest Technology, Vegetable & Spice Crops, Plantation Crops & Processing which includes Tea Science and Technology, Floriculture and Aromatic & Medicinal Plants and Forestry.

6.1.3 WEST BENGAL UNIVERSITY OF ANIMAL AND FISHERY SCIENCES

37 & 68, Khudiram Bose Sarani, Belgachia, Kolkata 700 037

Phone : 2556-5021

Date of establishment : 2-1-1995.

(Under the West Bengal University of Animal Science and Fishery Science Act, 1995)

The University is located in the old Bengal Veterinary College Campus on either side of Kudhiram Bose Sarani in Belgachia. The arching entrance looks imperial and successfully conveys the impression that the university is rich in history and tradition.

FACULTIES

6.1.4 THE WEST BENGAL NATIONAL UNIVERSITY OF JURIDICAL SCIENCE

Aranya Bhavan, 10A, LA Block, Sector III, Salt Lake City, Kolkata - 700098

Ph : 2335- 0534 / 7379

FAX : 033 - 2335 - 7422

The West Bengal National University of Juridical Sciences came into existence in August 1999 under Act IX of 1999 passed by the West Bengal Assembly. The University commenced its academic programmes from 1st June, 2000.

Activities during the year :

The 2nd NUJS National Moot Court Competition

The Second NUJS National Moot Court Competition was held on 3rd, 4th, and 5th February 2006. The following teams participated.

1. National Law University, Jodhpur
2. Symbiosis Law College, Pune
3. Indian Society of Law, Pune
4. National University of Advanced Legal Studies, Cochin
5. Government Law College, Mumbai
6. University Law College, Bangalore
7. Gujarat National Law University, Gandhinagar
8. Amity Law School, Delhi

The competition was inaugurated by Prof. B.S. Chimmi, Vice Chancellor on 3rd February. The draw of lots for preliminary was also held on the same day.

The National University of Juridical Sciences organized its very first Literary, Sporting and Cultural Festival. This fest, the culmination of almost two whole years of hard work, was one of the foremost agendas of this year's Executive Committee. Titled 'Outlawed' to celebrate the 'non-legal' side of the University, the event was organized over a span of three days from the 7th to the 9th of February 2006.

With an unrivalled drive and enthusiasm the three-day celebration took off. There were literary activities such as the Extempore, the JAM/HAM Competitions, Quizzes - Literary & General etc. The Sports Committee held football, basketball, carom and table tennis matches while the Cultural Committee organized painting, poster making, singing and dancing-eastern and western-competitions. The Final Night ended with one of Kolkata's most popular bands-Hip Pocket- performing in front of an exuberant crowd.

OTHER UNIVERSITIES

The fest saw participation from colleges across the city and outside. St. Xaviers, Presidency, Bhagwan Das Educational Society, Loreto, IIT Kharagpur, IIM Kolkata and a number of other local colleges participated at the NUJS fest. The event also provided an opportunity to further our relations with our neighbours the National Institute of Fashion Technology and the College for Leather Technology, both of which recorded enthusiastic participation, taking part in almost all the events. It took numerous trips to convince various local and national enterprises to convince them to invest in advertising at the fest (It was here that our persuasive skills were most tested). Many of these enterprises sent their representatives to the event to ensure the footfall and atmosphere merited their participation. Almost all of them returned satisfied, promising to cultivate the relationship for the future.

Courses available

Course	Eligibility criteria	Duration
B.A./B.Sc LL.B.(Hons.) Programme	Passed (10+2) in any stream with at least 50% marks in aggregate and 35% marks in English & other core subject	5 years.
LL.M. Programme	Passed LL.B. with 50% marks in aggregate	2 years
M.Phil Programme	Passed LL.M. with 50% marks in aggregate	1 year
Doctor of Philosophy Programme (PHD)	M. Phil degree in the same subject as the one in which the candidate proposes to pursue her/his doctoral research.	Maximum of 5 years
Doctor of Laws Programme (LL.D)	M.Phil Degree in Law from any recognized University or a LL.M degree from a recognized University along with ten years experience in teaching law in a University/College/Institution of national importance or a LL.M degree from a recognized University together with a Ph.D degree in a law-related subject.	Maximum of 7 years
Certificate Course on human Rights Law	(10+2+3) in any discipline from a recognized University.	45 days

Note : This University does not have any distant mode of education.

Research Activities

The Research Activities are mainly done in the field of Law, viz. Criminal Law, Business Law & International Law.

ACADEMIC ACTIVITIES OF THE SCHOOLS DURING JUNE 2005 TO MARCH 2006**I. School of Criminal Justice And Administration**

1. A Ten-day Induction Training Programme for newly recruited Assistant Public Prosecutors of West Bengal - from 17th to 26th May, 2005.
2. Workshop on "Criminal Law Amendment Bill, 2005 : its merits and demerits" - 20th August, 2005.
3. Two-day Workshop on Human Rights for the Public Prosecutors and Assistant Public Prosecutors of West Bengal - 24th and 25th September, 2005.
4. Six-day Vertical Interaction Course for Senior Police Officers -from 21st to 26th November, 2005.

ACADEMIC ACTIVITIES OF THE SCHOOLS DURING THE MONSOON SEMESTER (JUNE – OCTOBER 2005) AND WINTER SEMESTER (NOVEMBER – MARCH 2006)**School of Criminal Justice And Administration**

1. A Ten-day Induction Training Programme for newly recruited Assistant Public Prosecutors of West Bengal- from 17th to 26th May, 2005.
2. Workshop on "Criminal Law Amendment Bill, 2005 : its merits and demerits" - 20th August, 2005.
3. Two-day Workshop on Human Rights for the Public Prosecutors and Assistant Public Prosecutors of West Bengal -24th and 25th September, 2005.
4. Six-day Vertical Interaction Course for Senior Police Officers -from 21st to 26th November, 2005.
5. Seminar on "Criminal Law Amendment, Act 2005 and its implications" – 24.12.05.
6. Workshop Fringe Benefit Tax - its socio-economic benefits. - 7. 1.2006.
7. Seminar on 'Victimology" - 14. 1.2006.
8. Quiz competition as a teaching technique - 27. 1. 2006.
9. Special Lecture by a Legal Practitioner of repute.
10. Address by an expert.
11. Publication during the relevant period and release of publication on 21st November, 2005.

Centre for Studies in WTO Laws

WTO AND THE THIRD WORLD

The Centre had its second programme in February 2006 when along with the Society of international Law and Politics organized a seminar on "Revisiting the Third World Perspective on the Completion of a Decade Long Institutionalized World Trading System" at the University. Prof. Mrityunjoy Mohanty, Indian Institute of Management, Calcutta chaired the seminar, while Ms. Sheela Rai, Lecturer, West Bengal National University of Juridical Sciences and two students namely Mr. Siddharth Sinha and Mr. Rahul Chatterji presented papers.

6.1.5 THE WEST BENGAL UNIVERSITY OF HEALTH SCIENCES

DD-36, Sector-1, Salt Lake, Kolkata-700 064

Year of establishment : 2002

Phone No. 2321-5389, Fax : 2358-0100

In pursuance of The West Bengal University of Health Sciences Act, 2002 (West Bengal Act XIII of 2002) this University was established in the year of 2002 and started functioning on the 1st Day of January, 2003 at DD-36, Sector-I, Salt Lake, Kolkata-700 064.

MISSION

The State Government notified the establishment of the University for the purpose of affiliating, teaching, ensuring proper and systematic instruction, training in Modern system of Medicine, Homoeopathic system of Medicine, Ayurvedic system of Medicine, Unani system of Medicine, Nursing Education, Pharmacy Education, Dental Education, Education on Laboratory Technology, Physiotherapy, Speech Therapy and Education on other Paramedical courses. This University will act as a specialized autonomous institution with the objective to promote academic freedom, scholarship for teachers as well as for the students and to foster and develop an intellectual climate conducive to the pursuit of scholarship and excellence, either independently or jointly with other centers of excellence of higher learning.

JURISDICTION

In terms of the provisions of the Act, all colleges, institutions and educational centres of Health Sciences in the State of West Bengal previously admitted to the privileges of or affiliated to the University of Calcutta, the University of Burdwan, the University of North Bengal, the University of Kalyani, the Vidyasagar University, the Jadavpur University, the Rabindra Bharati University, the

Viswa Bharati University or any other government recognized university, council or affiliating body, shall be deemed to be admitted to the privileges of or affiliated to this University with effect from the date so notified.

Accordingly all the medical colleges/institution and the centres imparting courses relating to health sciences have been brought under one umbrella of this University. The undergraduate Medical/Dental/Pharmacy/Nursing colleges have been included from the academic year 2003. The Post graduate Medical, Dental and Nursing courses and Post Doctoral Medical courses have also been brought under the privilege/affiliation of this University from the academic year 2004.

Moreover, all the colleges/institutions imparting Homoeopathic, Ayurvedic, Unani and paramedical courses have also been brought under the affiliation of this University from 2004 academic year. A full list of the institutions/colleges presently running under this University has been detailed later.

ADMISSION

Admission to various University affiliated courses are conducted by the Joint Entrance Examinations or other Statutory Body of the Government of West Bengal for undergraduate courses i.e. M.B.B.S., B.D.S., B. Pharm, B.Sc. Nursing, B. Sc. Physiotherapy, BASLP, B.O.T., etc. The University conducts its own Examinations for admission in Postgraduate courses, Post Doctoral courses from the year 2004 i.e. MD/MS, PG Diploma, MDS, DM, M.Ch., M. Sc. Nursing, MD (Ayurved) etc. Rules for conducting Ph.D. on different Health Sciences subjects are also being framed shortly.

Academic and other activities during the year :

1. The University has been conducting examinations for admission in Postgraduate degree/ Diploma course, MDS, M.Sc. Nursing, 6 years M.Ch. (Neuro-Surgery) and regular DM, M.Ch. courses and M.D. (Ayurveda) course.
2. The University has already successfully conducted 1st Professional M.B.B.S., 1st Year M.Sc. Nursing, 1st & 2nd Semester B. Pharm and other required examinations strictly following the time schedules.
3. The University has already formulated its own Rules, Regulations and Syllabus for M.B.B.S./ B.D.S./B. Pharm/B.Sc. Nursing courses. The Rules, Regulations and Syllabus for the remaining courses are under process which is expected to be settled shortly.
4. The University is in search of big area, hereby Salt Lake, to construct University Campus.

OTHER UNIVERSITIES

5. An APEX BODY for the University has been formed with the nominees of the Ministry of Health & F. W., Govt. of India, Medical Council of India, University Grants Commission and I.C.M.R., New Delhi. The 1st meeting of the Apex Body has also been held in the campus of the University.
6. The University has already conducted as many as 22 examinations in connection with different Health Sciences course and is prepared to conduct more than 51 examinations in the year 2005.
7. The University has already developed meaningful IT system for conducting its activities as and when required. For this purpose, the Planning Commission (State Plan), Government of India has sanctioned an amount of Rs. 1.00 crore during 2004 for further development of IT Project of the University.
8. In fine, the University will always try to attain the highest standards of academic excellence by providing the physical infrastructure and creating an eclectic intellectual environment conducive to free flow of knowledge, ideas and meaningful exchange of information.

6.1.6 RAMKRISHNA MISSION VIVEKANANDA EDUCATION AND RESEARCH INSTITUTE (RKMVERI) (DEEMED UNIVERSITY)

(Deemed University under UGC Act)

P.O. Belur Math, Dt. Howrah, Pin – 711202,

Telefax : 033-26549999; Mobile : 98302-16636

E-mail : rkmveri@gmail.com, atmapriyananda@gmail.com

Ramakrishna Mission Vivekananda Educational and Research Institute has been established as a self financing Deemed to be university, the first of its kind in West Bengal. This university under Ramakrishna Mission's aegis forms in a sense the actualization of Swami Vivekananda's vision about a university at Belur. Swami Vivekananda wanted a unique type of Educational Institute that would combine the best elements of the East and the West and impart such an education that would be character-building at the individual level and at the collective level help the enormous task of nation-building. The sincere efforts initiated by Ramakrishna Mission during Swami Vivekananda's birth centenary in 1963 culminated in the creation of a deemed university in 2005.

This new university bearing the name of Swami Vivekananda will focus on certain thrust areas which are generally the 'gap areas' in conventional universities in the country.

Some of these thrust areas are :

- (1) Disability Management and Special Education (that would train teachers to manage visually impaired, mentally retarded and hearing impaired children and adults through teacher-training courses and research),
- (2) Integrated Rural Development including Tribal Development (which would strive to achieve all round development for the rural and tribal people by imparting education in areas like integrated pest management, agro-based and appropriate bio-technology),
- (3) Disaster Management (including pre- and post-disaster management techniques),
- (4) Indian Cultural and Spiritual Heritage including Value Education (which would expose and sensitize our youth and adults to the eternal values enshrined in our heritage with a view to educating them in liberal, non- sectarian, non-dogmatic principles and doctrines conducive to peace, harmony, love, mutual respect and fellow-feeling).

While the central administrative office that would monitor and regulate the programmes will be situated in West Bengal at Belur Math in the district of Howrah, the university will operate and function in the matter of running the various courses etc through the different centres of Ramakrishna Mission spread over the country, all of them being under the regulatory control of Belur Math headquarters.

OTHER UNIVERSITIES

In addition to the above, the university has initiated research programmes in certain non-conventional areas like Ramakrishna-Vivekananda philosophy, Translation Studies, Vedanta vis-a-vis modern science, etc on the one hand, and in hard core fundamental sciences like theoretical physics, pure mathematics and theoretical computer science on the other.

6.2.2 IGNOU (Indira Gandhi National Open University)**6.2.2.1 A NEW CONCEPT**

The concept of an open University is an important innovation of the last century. It aims to bring about revolutionary changes in the system of learning through DISTANCE EDUCATION.

The first open University ('The Open University') was established in England in 1969.

IGNOU was established by an Act of Parliament in 1985 to achieve the following objectives :

- To democratise higher education by taking it to the doorsteps of the students.
- To provide access to high quality education to all those who seek it irrespective of age, religion or formal qualification.
- To offer need-based academic programmes by giving professional and vocational orientation to the courses.
- To promote and develop DISTANCE EDUCATION.
- To set and maintain standards in DISTANCE EDUCATION in the country as an apex body.

6.2.2.2 DISTANCE EDUCATION AND OPEN LEARNING

Distance Education is often confused with Correspondence Education. The distinction between Correspondence Education and Distance Education lies in their aims, methods and orientation. Correspondence Education is an extension of conventional education. Distance Education aims at varied goals. These include personal growth, training for better job prospects and job enhancement, a change in attitude, etc., in addition to imparting knowledge. Distance Education allows learning at one's own pace and offers easy entry and exit points. It makes life-long learning a reality. Distance Education employs a multimedia learning package. It is characterised essentially by the advanced learning strategies effected by modern communication technology. Correspondence Education, on the other hand, depends mostly on printed materials distributed by post.

6.2.2.3 GOVERNANCE

The President of India is the Visitor of the University. The authorities of the University include the Board of Management, Academic Council, Planning Board, Finance Committee, etc.

6.2.2.4 INSTRUCTIONAL SYSTEM

The University follows the multimedia approach in imparting instruction. It comprises :

- Self-instructional printed course material packages.
- Assignments for assessment and feedback.
- Supporting audio-video programmes.
- Face-to-face interaction between the student and Academic Counsellors at Study Centres and Work Centres.
- Practicals at designated Institutions.
- Project Work in some programmes.
- Work related field project/functional assignments as per programme requirements.
- Telecast of video programmes on Doordarshan.
- Broadcast of audio programmes by All India Radio (Select Stations)
- Interactive Satellite Aided Communication Network (Teleconferencing)

6.2.2.5 STUDENT SUPPORT SERVICES

Support services are provided through a network of Study Centres scattered all over the country. Study Centres are the actual focal points where the learners receive regular information and learning support. Each Study Centre is provided with library, audio and video facilities for the students.

Senior and experienced academics and professionals are engaged in face-to-face counselling to further help them in the learning process. The Study Centres are generally located in existing educational institutions and normally function on holidays and Sundays and in the evening on working days. Each Study Centre is manned by part-time staff drawn from the host institution. To co-ordinate the functioning of Study Centres IGNOU has set up 19 Regional Centres in different parts of the country.

The IGNOU Regional Centre, Calcutta looks after the activities of the University in West Bengal. A list of Study Centres under Calcutta is given in the Appendix.

6.2.2.6 EVALUATION SYSTEM

IGNOU has a three-tier system of evaluation

(I) *Check Your Progress (self-assessment) :*

This is provided in study materials and is meant for self-assessment.

(II) *Assignments (continuous internal assessment) :*

This carries a weightage of 25% to 30%. There are two types of assignments.

- Computer Marked Assignment (CMA) and
- Tutor Marked Assignment (TMA). TMAs submitted at the Study Centre are returned to the students after evaluation with comments.

(III) *Term-End Examination (TEE) :*

This is the major component in the assessment as 70% to 75% weightage is given. University holds Term-End Examination twice a year (JUNE & DECEMBER).

6.2.2.7 STRIKING CHARACTERISTICS

- Relaxed entry regulations.
- Study according to one's pace and convenience.
- Flexibility in choosing the combination of courses from a wide range of disciplines.
- Study from one's own chosen place (during the course of study a student can change the opted Study Centre to any Centre anywhere in India except for certain exceptional cases).
- One may sit for Term-End Examinations generally anywhere in India and some select Centres abroad.
- Learners may also pursue their study in any other University while being a student of IGNOU.
- Cost effectiveness.

6.2.2.8 RECOGNITION

IGNOU is a Central University under the Ministry of Human Resources Development, Govt. of India. The Degrees, Diplomas, Certificates awarded by IGNOU are recognised by the Association of Indian Universities (AIU) and are at par with Degrees/Diplomas/Certificates of all Indian Universities/Deemed Universities/Institutions vide UGC Circular No : F1-8/92 (CPP) dated February, 1992.

The Directorate of Employment, Govt. of West Bengal has recognised the degrees/diplomas of IGNOU to be at par with the same of other Universities of the country in the matter of providing employment.

The Deptt. of School Education, H.S. Branch, Govt. of West Bengal has issued an Order No.187-SE(HS)/10M-3/97 dated 22nd August, 1997 by strength of which degrees/diplomas offered by IGNOU are acceptable for the purpose of further studies of teachers' training and employment in Schools of West Bengal.

6.3.4 INDIAN INSTITUTE OF MANAGEMENT (IIM) - KOLKATA

Diamond Harbour Road, Joka-700104

Kolkata (Calcutta), West Bengal, India

Phone: 91-33-2467-8300/8301/8302

Fax : 91-33-2282-1498

Website : <http://www.iimcal.ac.in>

The Indian Institute of Management, Calcutta was established in 1961 - India's first national institute of management for post-graduate studies and research in management. Established in collaboration with the Alfred P Sloan School of Management, Ford Foundation, the Indian business community, the Government of India and the Government of West Bengal, a substantial part of the annual capital and revenue expenses of the Institute are provided for by the Government of India.

FACTS

- IIM Calcutta started functioning from Emerald Bower, Barrackpur Trunk Road. In those days the Institute was endowed with such eminent academicians as Douglas McGregor, Miles Kennedy, Ravi Mathai, Ashok Mitra, Barun De, Kamini Adhikary, Eshwar Dayal, Warren Bennis, Jati K. Sengupta & Gouranga Chattopadhyay.
- In 1975, The institute moved to its own sprawling 135-acre campus at Joka, on the outskirts of Calcutta.

The foundation stone of the Joka campus was laid by Sri Morarji Desai, the then Dy. Prime Minister of India on Dec 15, 1968. The Institute moved to its present campus in 1975.

CURRICULUM

- IIMC offers a wide range of courses for the aspiring business graduate to choose from. Apart from the **Postgraduate Diploma in Management(PGDM)**, a course ranked among the top 10 in Asia, IIMC was the first in the country to introduce a **Postgraduate Diploma In Computer Aided Management(PGDCM)** to cater to the burgeoning specific managerial need of the IT industry. For those seeking a research oriented education, IIMC offers the **Fellow Programme**.

- IIMC also offers a part time **Postgraduate Diploma in Business Management(PGDBM)** for working managers with relevant work experience. In addition to numerous consultancy services, IIMC also offers the industry an opportunity to utilise its extensive resources for managerial training and development through the numerous Management Development Programmes(MDP) that IIMC conducts regularly.

- **Postgraduate Diploma in Management, IIM Calcutta**

The course enjoys a two-tier structure. The first year is committed to developing business fundamentals through compulsory courses spanning the areas of economics, finance, marketing, operations, systems and behavioural sciences. The second year offers a slew of optional.

- **Postgraduate Diploma in Computer-Aided Management, IIM Calcutta**

Hundreds of dot coms get registered from India every year. Recognising the need for a specialised course that can make an individual the manager, the entrepreneur with the e-touch, the PGDCM course at IIM Calcutta is already in its 6th year. The focus is on IT, clearly. The course does not compromise on any of the fundamentals of the classical PGDM program. The electives and the core courses are designed to make students all ready to tackle on challenges in the area of information technology.

- **Fellow Programme, IIM Calcutta**

The Fellow Programme of the Indian Institute of Management Calcutta is a full-time doctoral level programme in different fields of Management as well as in various disciplines and areas related to Management.

- **Postgraduate Diploma in Business Management, IIM Calcutta**

Through an upgradation of its earlier 2-Year Evening Postgraduate Certificate Programme in General Management (PGCGM) offered since 1981, IIMC launched this 3-Year Part Time

OTHER UNIVERSITIES

Evening Postgraduate Diploma in Business Management (PGDBM) Programme in 1994 as one of its major initiatives. The PGDBM Programme is recognised by the All India Council of Technical Education (AICTE) and enjoys equivalence to an MBA degree of Indian Universities.

The Institute's concern for conducting this Evening Programme in Business Management emerged from the appreciation of a responsibility to offer a quality management education to the young practising and in-service executives of organisations in and around Calcutta.

Through this programme, IIMC facilitates a process for the students to integrate their real-life work experiences with the conceptual and analytical foundations and development in management disciplines. The focus of this Programme is to inculcate among the students such perceptions, knowledge, skills and abilities that would enable them to become effective managers in the modern business processes and to assume higher levels of managerial responsibilities.

● **MANAGEMENT DEVELOPMENT PROGRAMMES, IIM-C**

MDPs are short-term residential courses for senior management personnel. People eligible to apply for the MDPs are General Managers and Heads of Marketing/Strategic Business Unit Heads / Senior and Middle level managers in Sales, Product and Brand Management and Corporate Planning. The teaching method will be participative, using case studies, group exercises and concept discussions.

The programme seeks to address the corporate need by developing strategic managers. It would enhance the strategic thinking, i.e. cross functional, holistic, and future oriented thinking ability of the participants in relation to the overall corporate objectives and the emerging company environment. By attending the programme participants will be equipped with various concepts, tools, and techniques to think and act strategically in a highly dynamic environment working at any level and at any function in the organisation. Management Development Programmes organised by IIM-Calcutta include:

MDP on Future Markets

MDP on The Strategic Management

MDP on Strategic Analysis, Planning and Posture

MDP on Total Productive Maintenance

MDP on Ethics in Business

MDP on Supply Chain Management

• ADVANCED MANAGEMENT PROGRAMME

Indian Institute of Management Calcutta has a long tradition of offering the prestigious Advanced Management Programme (AMP) for senior executives of Public Sector Enterprises in collaboration with the Department of Public Enterprises (DPE), Ministry of Industry, Government of India. For more than a decade, a large number of senior managers have benefited from participating in this programme. Since last year the institute has opened up the programme to senior decision-makers of the Public as well as the Private sector.

6.3.5 SAHA INSTITUTE OF NUCLEAR PHYSICS

BL-AF, Sector I, Salt Lake, Kolkata-91 (Phone : 2350-2344/337-0379)

Saha Institute was established in 1951 in memory of Late Dr. Meghnad Saha, one of the greatest Indian Scientists.

Major areas of research :

High energy Physics: Quantum field theory, Standard model and beyond, string theory, Cosmology and early universe. Phenomenology of heavy hadron physics. Plasma physics: Experimental research with Tokamak, Condensed matter Physics : High-Tc super conductors thin films, magnetic properties of solids, NMR studies, surface Physics :

Crystallography and Molecular Biology study of protein Molecules.

6.3.6 ASIATIC SOCIETY

Park Street, Kolkata (Phone : 229-0779)

The Asiatic Society, Calcutta was founded in 1784 by Sir William Jones (1746-1794), eminent Indologist, with the objective of inquiring into the history, science, arts and literature of Asia. This institution proved to be the inspiration behind all literary and scientific activities in the country. Three main activities of the Society concerning the scientific pursuit of the knowledge are (i) Library services (ii) Academic activities and (iii) Publications.

Library :

The Library of the Asiatic Society is one of oldest learned institutions in Asia. The holding numbering more than 2,50,000 volumes comprises, among others, a vast treasure of rare books, journals and other printed materials on Asiatic Arts and Sciences. A vast collection of old volumes of journals are preserved at the Metcalfe Hall at 12 Strand Road, Kolkata. Exhibition and display of books in connection with seminars are regular activities of the Library.

OTHER UNIVERSITIES

Resource sharing with other Institutions :

The following deserve special mention :

1. INSDOC
2. Indian Association for Cultivation of Science.
3. State Gazetteers office, Govt. of West Bengal.
4. Paschim Banga Bangla Academy.
5. National Council of Science Museum.
6. National Library.
7. Bangiya Sahitya Parisad.
8. Indian Museum.

Museum Section

The Museum of the Society possesses the priceless and unique collection of Manuscripts and Archival documents both in English and Russian, Rare printed Books, Lithographs, Paintings, Busts, Photograph-print, Coins, and Copper-Plate-Inscriptions etc.

Publications

During the year 3 publications have been performed with two awaiting publication.

Exhibition

Several exhibitions of Rare Illuminated Manuscripts & other materials were organized in the Museum of the Society on the occasion of Visit of different distinguished visitors.

Visitors

639 Indian and 63 Foreign visitors from different countries of the world visited the Museum.

Reprography Section

The Reprography Section of the Society, is dealing to the work of making Xerox copies from Books for Reader Service and supplied to various Readers/Scholars of India and Abroad, and documents for official purpose.

Conservation Section

The Conservation Laboratory meant for the preservation and restoration of the Library and Museum materials has performed the following tasks in preserving and restoring manuscripts, rare books and other objects kept in the Museum and Library of the Society.

Publication Section

The Asiatic Society is known to the world of learning mostly because of its publications of high academic standard. The Society has been publishing original and outstanding books periodicals and Booklets which have been able to draw the attention of academic world.

Academic Section

Research works of Fellows with Scholar Supervisors for different projects including outside projects sponsored by the Society deserve mention. Lectures, Seminar, Symposia, Workshops and Training Programme were also held by the Society as a significant part of its academic activities.

6.3.7 BOSE INSTITUTE

P1/12, Acharya Prafulla Chandra Road, Kolkata-700 009

The Bose Institute was founded by Acharya Sir Jagadish Chandra Bose in 1917 for the advancement of science and dissemination of knowledge. The Institute has served the nation for the past 85 years through its pursuit of advancement of knowledge in science and technology. There are departments of Biochemistry, Biophysics, Botany, Microbiology, Chemistry and Physics and the research sections on Animal Physiology, Environmental Science, Immunotechnology and Plant Molecular & Cellular Genetics. In addition, there are support and service centres like RSIC, DIC, Library, Workshop etc.

Research Activities

The research programmes of the Biochemistry Department include studies for the basic understanding of gene expression in plants and bacteria, plant and animal biotechnology, yeast and parasite molecular biology, structure-activity relationship proteins and structural biology.

The major theme of the Biophysics Department is structure, function and dynamics of biomolecules. The research interests are mainly focused on proteins, nucleic acids and small pharmacologically active compounds.

The major research goal of Botany Department established in 1917 is to improve crop productivity using conventional and modern techniques, where genes with elite characters particularly those endowed with biotic and abiotic stress tolerance are identified and located in wild relatives, with an objective to incorporate those in cultigens of rice, Brassica, Beta and Chenopodium using breeding, tissue culture and genetic engineering techniques.

OTHER UNIVERSITIES

The programmes of the Chemistry Department are centred around studies on biomolecules. The major objective is to understand the chemical and biochemical nature of these molecules and gain information about their roles in biological processes.

The research activities of the Microbiology Department address mainly the problems in the areas of parasitic and bacterial infections, drug design, detoxification, plant-microbe and mineral-microbe interactions.

The Physics Department is one of the oldest departments in the Institute, as the founder himself was a physicist. The main objective of this department is to improve our understanding of the basic laws of nature, in the realm of both macro and micro worlds.

The Research Section on Animal Physiology was established in 1930 with the objective of understanding basic amphibian, piscine and invertebrate physiology, reproductive physiology, drug research and nutrition.

The section on Environmental Sciences created in 1992 mainly deals with studies on Air, Noise, Water, Land and Biological environment and provide consultancy services to Industries. The section extends consultancy work on Quality Control, Monitoring and Control and Environmental Pollution at the local and national level.

The Immunotechnology section was created in 1992. Newly introduced programmes include an effort to understand phage induced modifications and inactivation of host aminoacyl tRNA synthetase, and a study of white spot syndrome associated baculovirus affecting shrimp aquaculture in India.

The Plant Molecular & Cellular Genetics section was established in 1989 with the objective of studying basic and applied aspects of plant processes through modern molecular approaches.

6.3.8 INDIAN INSTITUTE OF CHEMICAL BIOLOGY

4, Raja S. C. Mullick Road, Kolkata-700 032

(Established in the year 1935)

The Indian Institute of Chemical Biology has always focussed basic research in Bio-Medical science. Over the years, it has endeavoured to attain excellence in basic biological research and to focus attention on applied research.

MAIN AREAS OF ACTIVITY :

Leishmaniasis, Vibrio Cholerae, Developmental Neurobiology and Neurological Disorders, Cell Biology, Reproductive Biology, Chemistry of Bio-active Substances, Immunobiology and Immunochemistry, Protein Engineering and Structural Biology, Bio-technology, Theoretical Biology and Modelling of Bio-systems, Drug Designing and Molecular modelling.

AIMS AND OBJECTIVES

- Understanding the molecular basis of pathogenicity of parasitic and bacterial diseases of national importance. Development of early diagnostic methods and immunoprophylactic measures.
- Investigation of the role of thyroid hormones in brain development. Mechanisms of genesis of the features of Parkinson's disease and clinical studies of early diagnosis of the disease as also monitoring of drug therapy.
- Identification and characterization of bioactive materials from natural sources synthesis of new molecules and exploration of their usefulness as potential drugs.
- Mapping of small genomes and sequencing.
- Studies on human genetics of the Indian subcontinent. Identification of disease genes and gene therapy.
- Development of radiopharmaceuticals for diagnosis of different functional disorders.
- Development of diagnostic kits for determination of hormonal disorders.
- Understanding the molecular mechanisms of cellular regulation in gastric hyperacidity and ulceration, muscular dystrophy and related abnormalities.

6.3.9 SATYENDRA NATH BOSE NATIONAL CENTRE FOR BASIC SCIENCES

Block JD, Sector III, Salt Lake, Kolkata - 700 091.

The Satyendra Nath Bose National Centre For Basic Sciences was established in 1986 to foster the growth of advanced studies in selected branches of basic sciences and to conduct original researches in theoretical and mathematical sciences and other basic sciences in frontier areas including challenging theoretical studies of future application and to train young scientists for basic researches.

OTHER UNIVERSITIES

Main Programmes are :

Theoretical Physics, Applied Mathematics, Mathematical Modeling and Theoretical Chemistry. This centre has been maintaining an excellent standard in research activities, conducting various seminars and collaborating programmes with different universities in and outside the country.

Some of the research projects undertaken :

Electronic structure of random alloys, Nuclear Fission and Nuclear structure calculation, Probing the foundation of Quantum Theory, High-Tc Super conductors-effects of radiation damage, Liquid Crystals, Statistical mechanics-theory of sand piles and aggregates.

CHAPTER – 7

COLLEGES

7.1 GENERAL INFORMATION ON GOVERNMENT AND NON-GOVERNMENT COLLEGES:

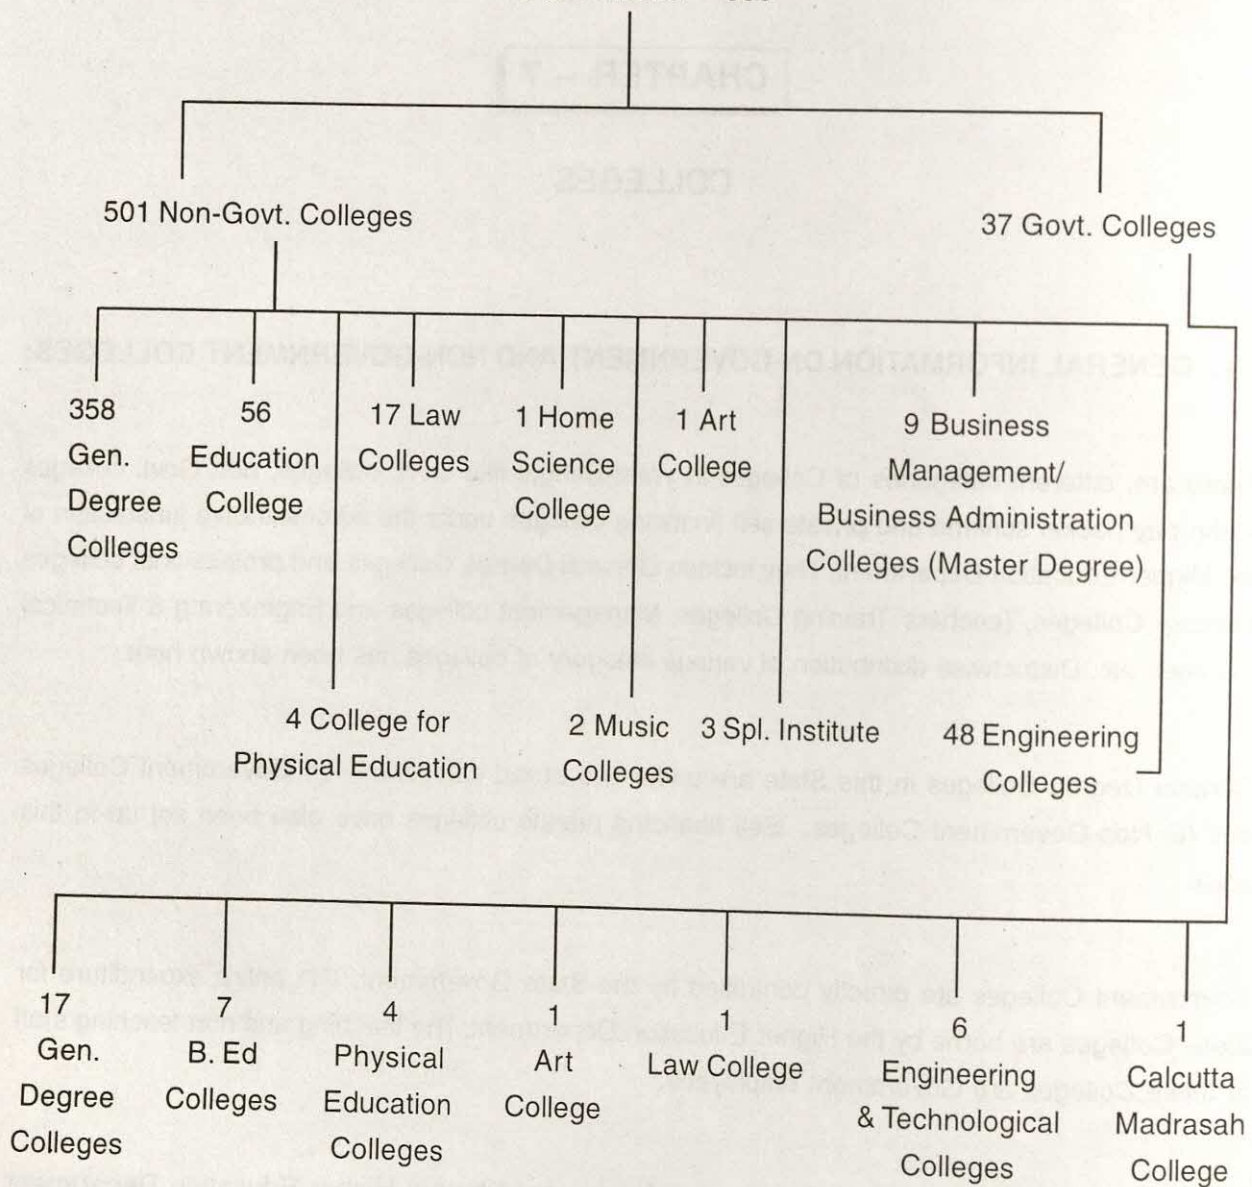

There are, different categories of Colleges in West Bengal like Govt. colleges, non Govt. colleges under pay packet scheme and private self financing colleges under the administrative jurisdiction of the Higher Education Department. They include General Degree Colleges and professional colleges like Law Colleges, Teachers' Training Colleges, Management colleges and Engineering & Technical Colleges etc. Districtwise distribution of various category of colleges has been shown here.

General Degree Colleges in this State are under two broad categories—(i) Government Colleges and (ii) Non-Government Colleges. Self financing private colleges have also been set up in this area.

Government Colleges are directly controlled by the State Government. The entire expenditure for these Colleges are borne by the Higher Education Department. The teaching and non-teaching staff of these Colleges are Government employees.

The Non-Government Degree Colleges are also financed by the Higher Education Department almost entirely. In 1978, the PAY PACKET SCHEME was introduced for payment of salary of teaching and non-teaching employees of the Colleges under the West Bengal Colleges (Payment of Salaries) Act, 1978. All Non-Government degree colleges (including erstwhile sponsored colleges) receive salary under this scheme. Recently the State Govt. has allowed a few autonomous non profit making societies/trusts to set up a few private colleges on self financing basis. The General Degree Colleges have a wide variety in enrolment, subjects offered and in educational achievements.

COLLEGES - 538

Districtwise distribution of colleges with Honours teaching facility is shown in the Table below.

The Department feels that Honours teaching facility should be evenly distributed in the districts amongst various subjects in Arts, Science and Commerce Groups. Efforts are being made to move in that direction.

In the case of extension of affiliation to new subjects in the existing colleges, the infrastructure of the particular college, its teaching strength, academic record as evidenced by examination results, location, area served, etc. are taken into consideration. Special importance is also given for according affiliation to new subjects in colleges, which have a higher SC/ ST student population. A number of Govt. and Non-Govt. Colleges have been given extension of affiliation in respect of new subjects during 2005-2006. Some colleges have more than one shift on account of student population.

Out of 375 General Degree Colleges in West Bengal only 257 Colleges have the facility for science teaching at General and / or Honours level. These science-teaching colleges are, however, not evenly distributed throughout all the districts. The following table will show percentage of distribution of colleges with science teaching facility in the districts.

COLLEGES

Most of the sciences teaching colleges teach physical sciences (Physics/Chemistry). Life Sciences (Botany/Zoology/Physiology) are taught in a much lesser number of colleges. Subjects like Statistics, Geology, Computer Science, Electronics, etc. are taught in a limited number of colleges although there is a great demand for those subjects. In view of the above, the Higher Education Department has been granting affiliation for Computer Science and Electronics in several colleges at both the general and the honours level.

It may be noted from the following table that only 207 colleges offer teaching in Commerce. As regards districtwise distribution of these colleges, the percentage is high (i.e. more than 60%) in only 6 districts, namely, Howrah, Hooghly, Burdwan, Birbhum, Nadia and South 24 Parganas.

There are girls' colleges in all districts except Birbhum and North Dinajpur. The oldest Girls' College in the State is Bethune College, which was established in 1879. Besides the above-mentioned colleges, there are some professional colleges (Teachers' Training / Fine Arts/ Home Science etc.) which are meant for girls' students only. There are some co-education colleges with facility of Girls' Hostel.

COLLEGES

7.2 GAMES AND SPORTS IN COLLEGES

FACILITIES

Although games and sports are not included in regular curricular programme of General Degree Colleges, the Government encourages these activities in various ways. There are posts of Physical Instructor/ Physical Instructress in all Government Colleges and in some Non-Government Colleges. They are entrusted with the responsibility of organising games and sports in respective colleges. Grants are released to colleges for purchase of equipment for games and sports.

GOVERNMENT COLLEGES

Most of the Govt. Colleges have playgrounds within or outside. The students of the colleges are encouraged to participate in games and sports. An INTER-GOVT. COLLEGE ATHLETIC MEET is held every year.

NON-GOVERNMENT COLLEGES

The picture of the non-Govt. colleges is slightly different. It is understood from available data that 105 colleges have playground attached to those colleges, while 25 colleges have playground outside the campus. But the playgrounds of most of those colleges are not spacious enough for popular games like football or cricket. Like Govt. Colleges, inter non-Govt. College athletic meet and Football competition is organised by the Directorate of Physical Education annually.

7.3 HOSTEL FACILITIES IN COLLEGES

All the Government Engineering and Technological Colleges have hostel facility. All the Govt. Teachers' Training Colleges, excepting one, also have this facility. Amongst the Govt. General Degree Colleges, however, only ten colleges have hostels. Amongst the non-Govt. (General Degree and Teachers' Training) colleges, ninety three colleges offer this facility. The number of non-Govt. colleges in each district having hostel facility is shown below :

7.4 SOME SALIENT FEATURES OF COLLEGES

A. Government Colleges

- **Centre for Advanced Study :**

Presidency College has a Centre for Advanced Studies in Economics. This centre was started in 1972 under the Special Assistance Programme of the U.G.C. The centre helps in conducting the teaching programme in Economics at B.A (Hons) level and carries out research programmes. Seminars and workshops are also organised by the Centre on various aspects of macro and micro-economics. The primary thrust of research in the Centre has been in the formulation of approaches and methods for understanding some important problems of Indian economy. Two posts of Professors have been created by the Govt. of West Bengal exclusively for the Centre. The Geology Deptt. of Presidency College has been declared as Centre for Advance Studies (CAS) by the U.G.C. in 2006 and Rs. 1 Crore has also be granted for overall upgradation of infrastructure of this Department.

- **College of Excellence :**

Presidency College is the first college in West Bengal to be declared as the 'College with Potential for Excellence' by the UGC and Rs. 35 lakhs have been granted by UGC which is being used for total computerization of the college. Loreto College, St. Xavier's College and Scottis Church College, Kolkata have also earned this distinction.

- **Research / Partnership :**

Ford Foundation, UGC, DST -GoI, CSIR, etc, have funded special research and academic projects in top government colleges. Presidency College alone has received nearly Rs. 5 cr Libraries, Laboratories and Computer systems have been upgraded to enhance research and other academic facilities.

- **Created financial flexibility :**

The Principals of the Govt. Colleges have been given the financial powers of DPI/Secretary for sanctioning expenditure. They do not have to approach HE Deptt/DPI for these matters, as was the system before.

NON-PLAN PROVISION FOR PAYMENT OF SALARY UNDER THE BUDGETARY HEAD "2202-03-103-NON-PLAN" FOR THE STAFF (TEACHING AND NON-TEACHING) OF THE GOVERNMENT DEGREE COLLEGES (EXCEPTING THE GOVT. ENGINEERING & TECHNOLOGICAL COLLEGES AND MEDICAL COLLEGES).

B. Non-Government Colleges

Besides the Government Colleges, the State at present has 501 Non-Government Colleges of different categories of which 375 are non-Government General Degree College. Serampore College, established in 1818 under the initiative of the Danish Government is the oldest. It thus coincides with the year of establishment of Hindu College (later Presidency College) in Calcutta. It was followed by Krishnath College (1858), St. Xaviers' College (1860), St. Paul's College (1865) and Midnapore College (1873). The establishment of the colleges was, in some cases, associated with the National (Education) Movement in India during the British period, such as Surendranath College (1884) and Jadavpur Vidyapith (now Jadavpur Vidyapith College of Education). The decadal growth of Colleges (Appendix II) will show the course of development of Non-Government Colleges.

Since Independence, the Central and the State Governments have appointed various commissions in the field of education, the University Education Commission, 1948-49, the Indian Education

Commission (Kothari Commission), 1964-66 and the Education Commission (Ashok Mitra Commission), 1992-93 etc. for the improvement of education and the service conditions of the Non-Government College teachers which were not at par with those of the Government Colleges teachers. Various effective steps have been taken for the improvement of the service conditions of teachers of Non-Government Colleges since the Left Front Government came into power in 1977, which include :

- As there was no security in service of College teachers and the payment of their salary was irregular, the present Government, after assumption of power, passed the West Bengal College (Payment of Salaries) Act, 1978 by which the security of service and the payment of salaries were ensured by the State Government. The Pay Packet Scheme is administered by Education Directorate.
- The Governing body of the Non-Government Colleges was democratized by the inclusion of elected representatives of the teaching and the non-teachings staff of the college.
- Previously the non-Government Colleges had to deposit 50% of their income in the Government Exchequer against the total payment of salary by the State Government. But the Government has waived this deposit.
- Similarly, Death-cum-Retirement benefit scheme was sanctioned for teachers of Non-Government Colleges in 1978. In 1993-94 an enhanced rate of pension and other benefits were sanctioned for teachers who had opted for them, making the benefits at par with those of the Government College teachers. A Pension Cell is attached to the Pay Packet Section of the Education Directorate to look after the payment of the Retirement Benefits of the Non-Government College teachers. Recently (2005-06) Govt. has taken urgent steps to clear the backlogs in pension related cases.
- Setting up of new departments/affiliation of new subjects in the emerging areas.
- Setting up of new courses/programme on self financing basis.
- Professional and vocational courses in collaboration with different organisations/institutes.

Expansion and Quality improvement :

The State Government has concentrated on the decentralization of educational opportunities to the rural and other backward areas of the State to meet the demands of the people for education. Between 1977 to 2004 General Degree Colleges have been established in different parts of the

State. The State Government is equally conscious of the need for improvement of the quality of college education. Every year the State Government has been sanctioning grants for the development of libraries and laboratories of the Colleges. Funds are also released for the repair, reconstruction/renovation and extension of college buildings.

The responsibility of management of non-Government colleges lies with the Governing Bodies of the colleges subject to overall jurisdiction of the State Govt. The academic matters of the Colleges are looked after by the University concerned to which the colleges are affiliated.

C. National Assessment & Accreditation Council (NAAC)

The last five decades have seen a notable increase in the number of Higher Education Institutions in the country. The need for quality in public Instructions cannot be overlooked in any level of educational

structure of the country. However, maintenance of quality in Higher Education considering all socio-economic aspects, including the higher amount of investment per student, is a matter of paramount importance.

In order to address this issue of quality in higher education in the country, an apex evaluatory body, the National Assessment and Accreditation Council (NAAC, Bangalore) has been constituted under the jurisdiction of the University Grants Commission, New Delhi in 1994.

In West Bengal seven state-aided universities attached to this department and 106 General Degree Colleges have been assessed and accredited by NAAC so far.

- **Placement of Teachers in Non-Government Colleges**

The State Government established the West Bengal College Service Commission in 1979 for making recommendations for filling up the vacancies of different categories of teaching posts in Non-Government colleges. The College Service Commission has been successful in filling up the vacant posts of academic staff in large numbers and has helped in raising the academic atmosphere in the Colleges.

- **Commitment of the State Govt. towards Payment of higher remuneration to Part-time Teachers**

Effective steps have already been taken towards payment of remuneration to part time teachers @ Rs. 4000/pm . Rs.107 crore has been allotted during 2005-2006 fiscal. Provisions have also been made in the current year's budget in this matter.

- **Sanction of Additional post of teachers for the Colleges**

During the year, 1000 teaching posts in non-Govt. colleges and 125 teaching posts in Govt. colleges have been created.

8.1 TEACHERS' TRAINING

Secondary Teacher Education Programme in West Bengal :

In all there are 47 Secondary Teacher Education (B.Ed) Institutions established decades ago. Out of these 7 are Government Colleges, 19 are Government aided full-fledged colleges, 15 are Government aided General Colleges with B.Ed. Departments and 6 Universities where B.Ed. Course is offered.

In the last 3 years 35 new Secondary Teachers Education Institutions have been established on self-financing basis with a view to cope with the growing demand of trained teachers in the State. The Government of West Bengal has issued no objection for establishment of such colleges on the recommendation of West Bengal State Council of Higher Education and the Universities have given affiliation to some of those colleges for running the B.Ed. Course.

All the 7 Government Colleges and all 6 B.Ed. Departments in the Universities are, at present, recognized by the National Council for Teacher Education (NCTE). Out of 19 Non-Govt. full-fledged teacher training colleges 11 have already got recognition of NCTE and the rest are under process of getting the same very soon. Out of 15 non-Govt. Degree Colleges having B.Ed. Department 7 have already got recognition from NCTE. Out of 36 very recently established self-financing colleges 3 have secured NCTE recognition.

The training colleges not yet recognized by the NCTE are getting ready to achieve that and the Govt. of West Bengal has taken necessary steps to get those colleges recognized as soon as possible.

The steps taken by the Govt. of West Bengal to improve the situation for fulfillment of norms and standards for B.Ed. programme as laid down by the NCTE are as follows :

1. Infrastructure of Govt. aided teacher education colleges has been improved and for this Rs. 37 lakhs has been allotted particularly for construction purpose during the Financial Year 2004-2005 and Rs.7 lakhs during the Financial Year 2005-2006.
2. The Govt. of West Bengal has created 30 additional posts of lecturers in different Govt. aided teacher education colleges in 2004-2005. This has been done to equip the college in respect of teacher strength as per NCTE norm.
3. Almost all the colleges have reduced their intake of trainees to follow the NCTE norms.
4. M.Ed. course has been introduced at David Hare Training College and Education Deptt. of Calcutta University and Kalyani University. The total intake being 70. Institute of Education for Women, Hastings House, is going to start M.Ed. Course and for this they have applied to NCTE for getting recognition from this year.
5. The Teacher-Educators, who have been appointed after 1996, are deputed for undergoing M.Ed. Course. This step has been taken to improve their qualification as per NCTE norm.
6. David Hare Training College has been upgraded to Institute of Advance Studies in Education(IASE) and 4 colleges viz. Govt. College of Education, Banipur, Institute of Education

for Women, Hastings House, Govt. Training College, Hooghly, and Ramkrishna Mission Sikshak Sikshan Mandir, Belurmath, have been upgraded to Centres for Teacher Education(CTE). Two more colleges are going to be upgraded to CTE very soon.

The Teachers' Training Colleges fall into two categories: (a) B.Ed Colleges and (b) Physical Education Colleges.

8.3 LAW EDUCATION

The introduction of law education in India can be traced back to the year 1827 when the course was introduced in Hindu College. When Presidency College came into being in 1855, law education became an important department of the College. Various factors, however, compelled this law department to be abolished in 1884. Ripon College (now Surendranath College) was granted affiliation to teach B. L. in 1885. The next major step in law education of the State was taken when Calcutta University opened its law college in 1909. Since 1970, four more law colleges have come up, along with law colleges at North Bengal and Burdwan Universities. The academic status of law education has however, fluctuated over the decades. Initially, it attracted brilliant scholars and produced most of the legal luminaries of the 19th century. After the First World War, the legal profession became overcrowded. After the Independence, law graduates came to be in high demand due to industrial and commercial growth and the facilities for law education was expanded.

Previously, the study of law comprised 3 year courses but of late, a major innovation has been made by introducing a 5-year integrated course on the recommendations of the All India Bar Council. The course starts beyond the H.S. stage and the first 2 years include, apart from some basic law courses, English, Political Science, History and allied subjects. The last three years are devoted to the teaching of only law subjects.

The West Bengal University of Juridical Science was formally inaugurated on 22nd April 2000. The admission to the 5-year Course in law offered by the University is made through an All India Entrance Examination. The present position in legal education in the State is enumerated below in a summary form. Law Colleges have also been established on self financing basic.

Slater Hall, Bengal Engineering & Science University, Howrah 711103

Ph. : (033) 2668-4890, Fax : (033) 2668-4676

The West Bengal Board of Examination for admission to Engineering, Medical and Technological Degree Colleges was formed as West Bengal Board of Examination for admission to Engineering Degree Colleges in the year 1962 vide Order No. 828-Edn(T) dated 02.03.1962 in terms of an Executive Order issued by the Higher Education Department (Technical Branch), Government of West Bengal, born out of a concept of holding a common admission test for the Engineering Colleges of the State of West Bengal. The basic purpose was to select candidates for consideration for admission to the State Universities/Colleges/ Institutions on the basis of the results of a single competitive examination which would also lead to saving of time, energy and expenditure on the part of the candidates in appearing at number of entrance tests.

Since inception, the office of the Board has been functioning at Slater Hall in the campus of Bengal Engineering and Science University, Shibpur [erstwhile Bengal Engineering College], Howrah – 711103. The Vice-Chancellor of Bengal Engineering and Science University, Shibpur is the Chairman of this Board while twenty nine other Members include the heads of professional Universities/Colleges, Officials from the Departments of Higher Education and Health of the Government of West Bengal and Member-Secretary who happens to be a senior faculty member of Bengal Engineering and Science University, Shibpur. The total number of candidates appearing in all the examinations taken together has increased from 5,000 in 1962 to more than 1 lakh in the year 2005-06.

Following Entrance Examinations are conducted by the Board at present for admission to different professional courses.

JEM – Joint Entrance Examination for admission to Engineering Degree Colleges started from 1962 and Technological Degree Colleges from 1971. Presently Govt. Engineering Colleges, Private Engineering Colleges and Universities in West Bengal admit their students for Engineering and Technology through Joint Entrance Examination. Since 1990 the admission to B.Arch. Course in two Universities is being held through the Joint Entrance Examination (GDAT). The admission of all Medical/Dental Colleges in West Bengal through Joint Entrance Examination started from 1972. The Degree Courses of Veterinary Sciences & Animal Husbandry and Fishery Sciences awarded by the West Bengal University of Veterinary Sciences admit their students through Joint Entrance Examination from 2004-05. The Degree Colleges of Ayurvedacharya are admitting their students from 1992 and Homoeopathy from 1997, B. Sc. Physiotherapy and Unani from 1999. The students for B.Sc. (H) Nursing Course in various Private and Govt. Nursing Colleges are also going to admit their students through Joint Entrance Examinations conducted by the West Bengal Board of Examination.

JECA – The West Bengal Board of Examination started the Joint Entrance Examination for admission to Master of Computer Application Course (MCA) of Bengal Engineering and Science University, Shibpur (erstwhile B. E. College) and Jadavpur University from 1989. Presently, 26 Govt. and Private Engineering Colleges and Universities in West Bengal admit their students of MCA Course through Joint Entrance Examination.

ELET – Lateral entry admission to 2nd year of the four years course of Bachelor Degree in private and Govt Engineering/Technological College/Universities in West Bengal through joint entrance examination conducted by the West Bengal Board of Examination from 2002.

JEHOM – West Bengal Board of Examination also conduct the joint entrance examination for admission to the Bachelor Degree Course of Hotel Management.

9.5 NATIONAL SERVICE SCHEME (N. S. S.)

The National Service Scheme is a noble Youth Activity of our country started in 1969 on the occasion of the birth centenary of Mahatma Gandhi. The main objective of NSS is 'Education through Community Service'. "Not me but you" is the motto of NSS which means every person should realize that not he alone or she alone is important but the society in which he or she lives is on the whole important. NSS activities are multipurpose as well as multidimensional in their nature. And in practice, these activities take an important part to the service of mankind and in execution of the process of formation of the future generation of the country through various constructive programmes. The phenomenal success of Science and Technology in his service has made man forget the long cherished values such as love, peace, co-operation and tolerance etc. Materialism and its comfort shifted the importance of life to mere acquisition of material wealth. Further Globalisation has thrown the values out of greater life. The modern dehumanised materialistic civilisation has been neglecting human values. And, it is only the NSS activities which can lead young ones to become more meaningful and fruitful to the society which in an extended sense encompasses the entire humanity. As NSS has

launched the movement of Awareness, Sensitization, Motivation, Dedication, Service etc. its thousands of volunteers as well as dedicated teachers from schools and colleges are always active and sincerely busy in inculcating the basic principles and values of NSS among the student community through their society- friendly programmes and issues as Environment Enrichment and Conservation, Women's Development and Gender Justice, Production orientated programmes. Education and Recreation, Health, Family Welfare and Nutrition of the weaker section of the society, Social Service, Relief and Rehabilitation, Socio-Economic Surveys, Health Awareness and Scientific Awareness Generation etc. Involvement of Youth in Social Activities is a crying need of the day. Social responsibility shouldering should be taught through projects like NSS.

West Bengal is one of the first few States where NSS has been introduced since its inception in the country in 1969,. But over the years, it could not hold the momentum and has now slipped from the top rung in the arena of NSS. In the days to come, NSS activities will further be strengthened to take it to the optimum level by sincerity and commitment of all concerned.

An overview of activities undertaken by N.S.S. :

There are two broad categories of work done by the N.S.S. volunteers (i) Regular activities and special camping programmes. All the N. S. S. units under different Universities have undertaken regular activities and special camping programme as usual. An in other years, many N.S.S. volunteers from West Bengal also participated in the National level N.S.S. camps, particularly in the National Integration Camps held elsewhere in India and brought a number of laurels.

It is a matter of great satisfaction that Sri Sachidananda Roy, recipient of Indira Gandhi N.S.S. National award as a volunteer for the year 2004-2005 was selected for 18th ship for "World - Youth Programme" by the Ministry of Youth Affairs and Sports and visited Japan on and from 9th Jan. 2006 to 3rd March, 2006.

State level workshop on "Disaster Management" for N.S.S. functionaries :

A state level workshop for functionaries of NSS on Disaster Management was held at the Jadavpur University campus and Deptt. of Higher Education had sanction Rs. 1,50,000/- for the noble cause. Almost 200 N.S.S. programme officers and Programme Co-ordinators of different Universities participated in one day workshop with special focus on building the knowledge, aptitude and skill of the communities in holistic disaster Management including disaster response which will improve the capabilities of youth organisations specially N.S.S. volunteer of the state (approx. 70,000) for mounting a more effective and speedier Disaster Response. The National Institute of Disaster Management, New Delhi had joined hands and supported the workshop with their kind presence and presentation of important aspects. Several other eminent speakers have also remained present.

ACADEMIES AND ORGANISATIONS

An orientation programme for state liaison officer on Disaster management were also held at New Delhi and S.L.O. West Bengal participated in the two days workshop at Delhi.

The Universities in West Bengal had arranged several orientation and workshop for N. S. S. officers and volunteers on Disaster Management during the year 2005-2006 successfully.

“AIDS walk for life”

An all India Campaign on AIDS Awareness and prevention, the “AIDS walk for life 2004-2005” has been undertaken by P.C.I. which was started from New Delhi in Dec, 2004, a large group of walkers have performed the walk for an year which covered 15 states on and around the golden quadrilateral National Highway. In West Bengal the Health & Family Welfare department while co-ordinating the walk in West Bengal requested N.S.S. volunteers and functionaries to come forward in the walk on and from 19th August to 16th Sept. 2005. The N.S.S. units at various school/ colleges and universities were requested to support the walk. We feel happy that Vidyasagar University N.S.S. officers and volunteers, Jadavpur University, Calcutta University and Burdwan University have extended full co-operations, participated in the walk and successfully helped to complete the year long AIDS Awareness rally.

9.6 PASCHIM BANGA HINDI ACADEMY

1, Bankim Chatterjee Street,

(In the Old Building Complex of the Government Sanskrit College)

Kolkata -700 073, Phone: 219-1277

The Paschim Banga Hindi Academy founded in 1990 functions under the administrative control of the Department of Higher Education.

I. AIMS AND OBJECTIVES

The main objective of the Academy is to encourage the study of Hindi language and literature in the State of West Bengal, especially among the non-Hindi speaking people, both the rural and urban areas. The other objectives of the Academy are :

- (1) to encourage and undertake translation of Bengali classics and scholarly works in Bengali on literature, history, science and technology – into Hindi;
- (2) to publish Hindi text books for different classes following the syllabi and curricula meant for non-Hindi speaking people;
- (3) to undertake and encourage research in Hindi language and literature, etc.

II. STRUCTURE

The academy has a General Council consisting of 61 members, a Governing Body consisting of 23 members. The Governing Body has constituted five sub-committees consisting of 5 members each. The Chief Minister, Government of West Bengal and the Minister-in-Charge of Higher Education Department, Government of West Bengal are the Chairman and the Vice-Chairman respectively of the Paschim Banga Hindi Academy.

9.7 WEST BENGAL DISTRICT GAZETTEERS

One of the important activities of an academic nature which the State Government have undertaken after the independence is the revision, compilation and publication of the District Gazetteers of the State. Though the term gazetteer connotes a geographical dictionary, but in its present endeavour it is a comprehensive account of a district in highest possible attention. In this age of information storage, control and dissemination, a gazetteer may serve the public demands from all walks of life – because the nature of this particular genre of government literature has been regarded as the core and authentic source.

Presently, this office has undertaken to publish updated edition of District Gazetteers in Bengali, one of its kind Murshidabad is already out of print just after its publication. It was a co-publication with financial assistance borne by the District Magistrate, Now, it is Uttar Dinajpur District Gazetteer in Bengali, of which the initial draft have already been prepared by the district cell of gazetteer; after going through carefully and with some additional informations and re-writing some of the chapters and said gazetteer is expected to be completed in this year, this gazetteer will be published exclusively under the head of account of this office.

Apart from, two valuable records of archival importance on Sunderbans have already been published, say, F. E. Pargiter's Revenue History of the Sunderbans and F.D.Ascoli's Revenue History of the Sunderbans – over the years, these two have been considered most valuable well-researched colonial documents of the Sunderbans. It is also expected that the volume IV under the series Rivers of Bengal will be coming out soon.

Staff pattern of the office

The staff pattern in this office is quite different from other offices; as this office is a publication-oriented one with its own accounting system; Editorial/Research/Publication Wings; Own Library enriched with precious rare books; own Sales Counter, etc. Having been set up in 1959 at the instance of the Government of India, the office has been writing/compiling/revising/editing and publishing West Bengal District Gazetteers and allied literature, initially under the guidance of the Expert Committee of the Government of India and then the State Advisory Committee.

Pursuant to the recommendation of the Kothari Commission on 'Media Transfer' to implement the programme of switching over to regional languages as the medium of instruction at the level of Higher Education, Book Boards were formed in different States in the country. Accordingly, in the year 1970 the West Bengal State Foundation for Text Book Board was formed and registered under the West Bengal Societies Registration Act.

The authority of general superintendence, direction and control of the Society is vested in the Board of Governors of the West Bengal State Book Board. The Minister-in-Charge of Higher Education, West Bengal is the ex-officio Chairman of the Board. The Principal Secretary, Department of Higher Education is the Vice-Chairman and the Chief Executive Officer, is the Member-Secretary of the Board.

The maintenance cost of running the Board is borne by the Department of Higher Education of the Government of West Bengal. The Government of India provides assistance for the publication of text books on the basis of proposals prepared by the Board.

The number of publications of the Board has been on the increase. It rose from 766 in 2000-2001, 783 in 2002-2003 to 792 in 2003-2004, 801 in 2004-2005 and 820 in 2005-2006.

The Board publishes text books for the use at the undergraduate and postgraduate levels of studies. The publications also cover terminologies, dictionaries and monographs in science for students and general readers.

The academic disciplines in which the Board has so far published books are as follows :

(1) Agriculture, (2) Botany, (3) Chemistry, (4) Commerce, (5) Computer Science, (6) Defence Studies, (7) Economics, (8) Environmental Studies, (9) Geography, (10) Geology, (11) History, (12) Journalism, (13) Law, (14) Literature, (15) Library Science, (16) Mathematics, (17) Music, (18) Physics, (19) Physiology and Medical Science, (20) Popular Science, (21) Philosophy, (22) Political Science, (23) Sanskrit, (24) Sociology and Human Studies, (25) Statistics, (26) Teachers' Training, (27) Zoology, (28) Physical Education.

In the year under review the Board concentrated on the publication of syllabus oriented text books. In 2002 the University of Calcutta thoroughly revised the syllabus of all subjects and the Board was considered as the principal organisation who are experienced in the publication of such text books. Therefore special efforts were made to constitute subject committees for a couple of subjects. So far 11 new books, as per the new syllabus and about 10 new editions and the reprints were published during this period. This is in consonance with the stand taken by the Commission for Scientific & Technical Terminology, Government of India as expressed by its Chairman in a recent meeting held on 20.03.2006 at New Delhi.

The Board participates in the Book Fairs in different places both within and outside the State and get good response there.

9.10 WEST BENGAL STATE COUNCIL OF HIGHER EDUCATION

The West Bengal State Council of Higher Education, established under West Bengal Act XXXVII of 1994 started functioning in April 1995. Office of the Council is located at 147A Rashbehari Avenue, Kolkata 700029 in a building owned by the Higher Education Department. Functions of the Council, as stipulated in the Act are stated below :

- (a) Planning and coordination in the area of higher education in the State including co-operation with the UGC.
- (b) Academic functions e.g. curriculum development, teachers' training and encouragement of sports, games and extension activities.
- (c) Advisory functions in determining the basis and amounts of block maintenance grants, linking research with educational institutions and industry, framing and amendment of university statutes, regulations etc.
- (d) Allocation of grants to different universities and colleges and make enquiries regarding utilization thereof.

Activities of the Council since its inception :

West Bengal State Council of Higher Education, within a decade of its constitution, has gradually evolved into the Apex Body of higher education in our State, as envisaged in the guidelines issued by University Grants Commission, under the Chairmanship of Prof. Satyasadhan Chakrabarty, Minister-in- Charge, Higher Education Department, Govt. of West Bengal.

The completion of more than ten years of its existence is an occasion when we can look back to see what has been achieved, what has been planned but not implemented and what should have been attempted to achieve.

ACADEMIES AND ORGANISATIONS

The Council, one of the earliest of our country, was assigned the task to bring a desired level of uniformity and cohesion in the academic and administrative activities of the Universities of our State, to formulate action plan and policies towards general improvement of the quality of higher education throughout the State, opening up new opportunities for our aspiring young generation, to make the system flexible and competitive enough to face the challenges of the fast changing aspirations and priorities of our young generation and to withstand the pressure of the globalised economy.

If we look at the higher education scenario in our State, the first thing which one cannot fail to notice is that considerable expansion of opportunities has taken place in the basic science as well as humanities stream and in technical education in particular. Within the span of first four years of Tenth Five Year Plan, 19 new degree colleges, out of which 10 are in pay-packet scheme, have come up primarily in the rural and backward areas. However most significant change has taken place in the arena of technical and professional streams. Even a few years ago, we had in our State only a handful of State-aided Engineering Colleges including two very reputed institutions, Jadavpur University and B. E. College, then enjoying Deemed University status, as well as the well known technical departments of Calcutta University like Department of Applied Physics, Applied Chemistry, Radio Physics and Electronics etc. But the number was too small to cater to the rising demand for technical education within our State. As a result, a large number of students from our state used to migrate to several southern states as well as to Maharashtra to study different courses in Engineering and Technology. Today situation is reversed, so much so that in the current year, several thousand students from outside have applied for appearing in Joint Entrance Examination. This turn around has been made possible due to a very bold decision taken by the State Government to allow opening up self- financed Private Engineering Colleges throughout the State. Today the number of such colleges is around 55, spanning the entire length and breadth of our State. In the same vein, the number of B.Ed/B. P. Ed and other professional institutions has increased to 66 and 43, respectively, a great leap forward within a very short span of 5-6 years. To co-ordinate the teaching learning processes in so many technical and related professional Colleges, a new University, West Bengal University of Technology has also been established. Another important feature during this period is added emphasis on the expansion of Distance Education Mode through establishment of Netaji Subhas Open University and opening up the same in several traditional Universities like Burdwan and Medinipore to provide student-centric education in traditional as well as in Professional, Technical and Career Oriented Courses. Other notable features are (i) opening up Undergraduate Courses in several subjects, not taught earlier at this level e.g. Computer Science, Electronics, Micro-biology, Bio-Chemistry, Journalism & Mass Communications, Defence Studies, Human Rights, Nutrition etc. (ii) introduction of new vocational courses and specially (iii) allowing a few undergraduate colleges to offer Post- graduate Courses in several traditional as well as emerging areas.

Special features of creation of these additional facilities is its balanced nature in the sense that unlike in many socalled advanced states, due emphasis has been given on studies in basic science, humanities and social sciences. In fact, so far as Arts and Humanities are concerned in a recent

survey Calcutta University has been placed at 39th position among all the Universities across the world, ahead of Universities like Sussex, Heidelberg, Johns Hopkins, among others. Recently UGC has launched a special project on interdisciplinary research activities in Social Sciences and Calcutta University has been chosen as its Centre to coordinate the activities for the Eastern Region. In all major scientific Research establishments across the country, significant number of young researchers working there have completed their Postgraduate Education in our state. In spite of so many slants published in the media about the "poor" knowledge in English of our students, if one look at the state-wise distribution of young engineers and technologists working in well known companies both within India and in abroad, West Bengal comes near the top.

Other notable features are introducing a new culture whereby the colleges and universities were encouraged to generate their own resources through several measures like increasing the student fees within a limit prescribed by the Council, opening up self- financed courses mainly in emerging areas, receiving donations from the alumni and the public, in general etc. The colleges under pay-packet scheme are allowed to retain the additional amount thus generated for their developmental purposes. This is an important step towards granting partial financial autonomy to these colleges. Efforts are being made to extend similar autonomy to the Govt. Colleges also.

To maintain parity with all India pattern, the duration of the General Degree Courses offered by our Universities were changed from two to three years.

Proper Rules and Regulations were formulated following the guidelines of Bar Council of India for conducting Undergraduate Courses in Law.

So far as ensuring more uniform distribution of educational facilities throughout the state is concerned, the following features may be noted. Traditionally, Kolkata had been the only centre for Higher Education in West Bengal. In keeping pace with growing aspiration of our people for Higher Education and changing focus of economic and industrial activities, several Educational Hubs have come up in different places of our State, like Bidhannagar, Kalyani, Durgapur, Haldia, Siliguri and others. This is a very encouraging trend so far as extending the facilities of Higher Education to every nook and corner of our State.

It is not only the expansion of facilities but up-gradation of quality of education through syllabus revision, creation of much needed additional infrastructural facilities in newly established as well as in old institutions, ensuring academic and administrative disciplines in Colleges and Universities, modification in the examination pattern, better coordination among the institutions and several other related measures, has also received due attention of the Council since its inception. The Council has repeatedly emphasized that in view of the financial constraints of the State Govt. new and innovative measures have to be taken if we want to make maximum possible utilization of our available human, infrastructural and financial resources. It may be mentioned in this connection that in spite of the fact

that our State spends a very considerable portion of the budget allocation towards maintenance and expansion of higher education sector, the plan expenditure is much below what is needed even for maintaining the quality of education let alone its improvement. The problem is compounded due to very meagre amount being spent by UGC for the State- aided colleges and Universities throughout the country. In this background, the Council mainly at the initiative of our Chairman has introduced an innovative concept of conferring on some of our reputed colleges the status of 'Lead Colleges.' The Colleges thus designated should receive additional grant from the State to improve their existing infrastructure and to add some new. These Colleges, in turn, would strive to help some of the neighbouring colleges to improve their standard of teaching learning process by opening up their own much better infrastructural and human resources for utilization of these colleges and providing them necessary help and guidance. Another related concept of forming a cluster of colleges who would willingly share their all resources for mutual benefit has received great appreciation of UGC and they have accepted it as a unique concept to be propagated throughout the country.

The Council also drafted 'Higher Education in the Next Decades-Policy for the State of West Bengal' which was the subject matter of discussion of a large number of very reputed academicians, scientists, Vice Chancellors both present and former, members of State Planning Board and very high officials of Higher Education Department, in a workshop, especially convened for this purpose. Based on the comments, observations and suggestions received from the experts, the policy document is under process of being given a final shape.

Reconstitution of the composition of the Governing Bodies of the State-aided as well as self-financed ones, in the changed scenario, modification of the Acts/Statutes/Rules and Regulations in the State-aided Universities, further empowerment of the State Council and bringing uniformity in the service conditions of different categories of employees of these Universities, have also been suggested by the Council for consideration of the State Govt. as well as the concerned Universities.

Another important achievement of the Council is its success in sensitizing the colleges towards opting for NAAC accreditation. In the initial stage, there were large-scale misgivings among the academicians in our State about the necessity and futility of this accreditation process. It is mainly at the initiative of the Chairman, the Council made sincere efforts in not only sensitizing but also providing necessary support and expertise to the undergraduate colleges in preparation of self-study report and acquainted them of the entire procedures. As a result, whereas by the year 2000 we had in our state only one college accredited by NAAC, now the figure is around 106.

These are some of the achievements of the Council which have been made possible under the leadership and guidance of the Chairman and with active support of all the functionaries and members of the Council.

However, the Council has a long way to go. In addition to the tasks which have already been mentioned, there remains several other areas where Council should take more proactive role in the coming days. With the expansion of the facilities both in the state and in private sectors, the need for proper monitoring and framing guidelines for not only sustenance but also improvement of the quality of education is urgently needed. The Council should seriously ponder over striking a balance between meeting ever-increasing demand for access and quality and also ensuring that the students belonging to the underprivileged sections are not left outside the arena of higher education. In view of general decline of interest, throughout the country, in studying traditional subjects including basic science, and in the pursuit of serious research (one of the most important objectives of higher education) the very sustainability of the entire system may be going to be threatened. To formulate a proper strategy to face this alarming situation and to find out ways and means to attract the students to more serious study and research in the so-called traditional subjects should be one of the priority areas of the Council's activities. Without having a strong base in basic subjects, one cannot venture into any new and emerging areas, whether it belongs to the discipline of science, technology, humanities or social science.

To create an atmosphere where people would not only realize but also try to translate into practice, better co-operative ventures among the colleges, between colleges and universities, universities and research institutes and to set up active interface between the academia and the industry is also an important task.

Reduction in gender disparity in so far as student enrolment in all the disciplines is concerned, more equitable distribution of student profile in our universities cutting across economic, social and religious barriers, instilling a sense of involvement and dedication of our teaching community as a whole, encouraging more and more research activities in our undergraduate colleges without jeopardising normal teaching, suggesting new sources of revenue generation are some of the areas where the Council should take some initiatives in due course of time.

Director : Dr. Satyajit Chaudhury

Bankim-Bhaban Gaveshana Kendra is a research centre registered in the ancestral house of Rishi Bankim Chandra Chattopadhyaya and maintained by Govt. of West Bengal in the Department of Higher Education. The aims and objectives of this centre include :

1. Renovation and restoration of the heritage building complex wherein Bankim Chandra was born and brought up and created most of his immortal literary works including the National Anthem 'Bande Mataram'.
2. Preservation of a huge collection of rare mutilated written manuscripts, letters, deeds, and other paper documents, textiles and other items of personal effects of the archive and Museum.

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS _____

It includes also the work of preservation and consolidation of a big bulk of rare mutilated 19th century text books and reference books used and read by Bankim Chandra, Sanjib Chandra and other family members.

3. Research on the life and works of Bankim Chandra Chattopadhyaya and his associates who contributed to the renaissance of the 19th century Bengal.
4. Research on the different aspects of the social history of Bengal and of the Bengali language and literature.
5. To continuously augment with new addition and alteration in display of the existing personalia museum on Bankim Chandra, and his associate writers as well as to develop it as a potential Regional Museum.
6. Expansion of the Museum in the newly renovated premises in the ancestral house of Bankim Chandra where he was born and brought up.
7. Digital documentation and preservation of the thousands of books and journal of the library : The nucleus of the library handed over to the Gaveshana Kendra, included a rare collection of old books and journals of the Chattopadhyay family, which subsequently, enlarged by other donations of books, journals, offprints etc. by eminent litterateurs.
8. To build up an archive with handwritten documents, records, genealogies and old Puthis on Palm leaf and country made paper and processing for publication.

The Archive :

A) Handwritten and Printed documents :

The nucleus of the archive was primarily the materials and written documents collected from the Chattopadhyay family numbering about 25 thousand pages and items, which include land and property deeds (since early 18th century A.D .), wills, pattas, diaries, letters, official reports, drafts, bills, notes, proof sheets, invitation cards etc. of the said Chattopadhyay family. It also includes correspondences of various writers and other eminent persons of the period.

On the other hand, in 'Mm. Haraprasad Shastri collection' hundreds of letters written by Haraprasad Shastri to his son, Benoytosh Bhattacharya, the then Director, Gaekwad Research Institute and letters received from the eminent European indologists like Sylvain Levi, C. Bendall, J. Jolly, W. Caland, F. E. Parigiter, Louis de la Vallee Poussin, J. A. Bourdillon, Th. Stcherbatskoi, A. F. Rudolf Hoemle, G. Thibaut, K. Ohmiya, Denison Ross, H. Jacobi, Lord Curzon and Lord Lytton etc. written between 1901- 1930 is preserved.

Similarly, papers of Saillares Basu collected from his family include many notes, letters, diaries, and interestingly, some papers of the great artist Ramkinkar Baij.

These rare archival materials are being cleaned and stored digitally, while the originals are laminated for permanent preservation. The up to date techniques are being adopted in this process and the works are being executed with a very expert hand. Till date more than 25,000 documents have been processed. The process continued this year also.

These documents are very precious materials for research on 19th century Socio-Cultural History including the process of modernisation of the Bengali literature under the leadership of Bankim Chandra and his associates. Utmost care being taken to preserve these materials utilising most modern digital techniques available.

B) Puthi :

An important component of the archive is a collection of nearly 200 Sanskrit' Puthis ' donated by the descendants of Mill. Haraprasad Shastri. These puthis were used in the 'Toll' of Shastri family since 1760 and comprise of disciplines like *Smriti*, *Vyakaran*, *Tantra*, *Nabya Naya*, *Kavya* etc. Processing these manuscripts for proper preservation as well as preparing a descriptive catalogue of the same are two important research projects undertaken by the centre. Efforts are being made to procure more such puthis from the families in Bhatpara, Naihati, Halisahar, once renowned centres of Sanskrit culture.

C) A collection of variations of 'Bandemataram' song :

The Bankim-Bhavan Archive possesses a rich collection of records of 'Bande Mataram' song, sung by eminent musicians, vocalists like Rabindranath Tagore, Pandit Omkarnath, Dilip Kumar Roy and Ms. Subbu Lakshmi and others. The number is about 45.

Museum :

The present museum of Bankim- Bhavan Gaveshana Kendra is situated in the 'Baithak-khana' (Parlour), built by Bankim Chandra himself in the year 1862 where most of his literary works were penned. The famous *Bande Mataram* song was also composed here and set to tune by his music teacher famous Jadu Bhatta for the first time.

The personal mementos of Bankim Chandra, rare photographs of his family and associates are neatly displayed in the museum that attracts regular visitors from all over India. New exhibits in thematic units have been arranged, highlighting, in details, the creative activities of Bankim Chandra

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS _____

and his associates and of the period. Protective but transparent covers for the different units of exhibits has been devised and installed in the gallery.

The total collection accumulated could not be displayed due to paucity of space hence an annexe building is contemplated to extend the existing museum. Railway authority was moved to handover a piece of land adjacent to the present museum for building the annexe. The present Railway Minister Sri Lalu Prasad Yadav has kindly sanctioned this prayer and Bankim-Bhavan will get four cotta of land in near future for this project.

Library :

The nucleus of the library handed over to the Bankim Bhavan Gaveshana Kendra included the collection of books and journals received from Chattopadhyaya family. Presently it has around 2500 volumes of books, bounded volume of journals, off- prints collected from five different sources.

Publication :

A) Bangadarshan :

Bankim Chandra established the famous monthly journal *Bangadarshan* in the year 1872. Subsequently the journal had been edited by Sanjib Chandra Chattopadhyay, Srish Chandra Majumdar, Rabindranath Tagore, Sailesh Chandra Majumdar and Mohitlal Majumdar until 1955.

This journal has been revived by Bankim-Bhavan Gaveshana Kendra in the year 2000 as a biannual mouthpiece of the Research Centre. From the very beginning of its publication, the revived *Bangadarshan* received warm appreciation of our scholarly world. Special mention should be made of two joint issues.

- a) 6th- 7th : Niharranjan Roy centenary commemoration volume, most eminent scholars contributed in this volume.
- b) 8th-9th joint issue emphasised the centenary of theory of relativity, Jean Paul Sartre and the great artist Binode Bihari Mukherjee.

Both the issues have been coveted as collectors item.

B) Other Publication Projects :

- i) *Haraprasad Shastri Rachana-Samgraha* : Volume V edited by Dr. Satyajit Chaudhury and Dr. Bijali Sarkar, shortly to be published by the West Bengal State Book Board.

- ii) **Bangadarshan Parampara** : a research monograph written by Dr. Bhabatosh Dutta and Dr. Bijali Sarkar. On the history of *Bangadarshan Patrika* successively edited by Bankim Chandra, Sanjib Chandra, Rabindranath & others. This monograph would contains full index of different periods of the publications. It is ready for publication.
- iii) **Bankim Chandrer O Bankim Paribarer Patrabali** : a definitive edition of letters written by Bankim Chandra and his family members edited by Sri Krishnajiban Bhattacharyya, is also under the process for publication.
- iv) **Rabindranather Bankim Chandra** : a complete collection of writings of Rabindranath on Bankim Chandra with notes and references, being edited by Dr. Bijali Sarkar.
- v) Another important monograph in three versions- Bengali, English and Hindi, '**The Source and Variations of Bandemataram-tune**' (**Bandemataram Sangiter Utsa O Sura Baichitra**), a contribution of late Prof. Ananta Kumar Chakraborty will be published shortly.

A collection of variations of 'Bande Mataram' song :

As many as 52 versions of Bande Mataram song sung by Rabindranath Tagore, Pt. Omkarnath, Dilip Kumar Roy, Ms. Subbulaxmi and other eminent singers, were collected by late Prof. Ananta Kumar Chakraborty. With an arrangement with SAREGAMA, 48 records could be cleaned eliminating disturbing noises and restored for permanent preservation in compact disk (C.D.). These collection is a rare possession of the centre which could be used by the serious research workers.

Seminars :

Two very important seminars were organised in this year.

- i) Celebration of Bankim Jayanti on 28th June, 2005. In this seminar Prof. Brajadulal Chattopadhyay of Jawaharlal Nehru University talked on "Bankim Chandra in Haraprasad Shastri's view" and Dr. Amiya Kumar Bagchi, Director, Institute of Development Studies, Kolkata talked on 'Partition of Bengal'. Sri Ramaprasad Banik the eminent actor recited some interesting passages from Bankim's writing.
- ii) Haraprasad Shastri Jayanti on 6th December 2005 : Haraprasad Shastri Birth anniversary was celebrated. A very interesting exhibition displaying Books, Manuscripts and other Mementoes of Mm. Haraprasad Shastri was organised. On this occasion Prof. Biswanath Banerjee, President, Asiatic Society of Bengal narrated the contribution of Haraprasad Shastri in Sanskrit studies. Dr. Chittaranjan Panda, Secretary & Curator, Victoria Memorial Hall discussed possibilities of development of Bankim- Bhavan as Regional Research Centre & Museum.

Bangadarshaner Majlish : Regular seminars :

These seminars are regularly held on last Saturday of the month.

Regular discussions are held on last Saturday meetings about various interesting subjects that covers Art & Literature, History, Education, Health, Music, Cinema, Poetry-Drama-Short Story reading sessions. Nearly 100 interested persons regularly attend this sessions and participate in lively question and answer sessions.

10.3 CENTRE FOR STUDIES IN SOCIAL SCIENCES, CALCUTTA

R1, Baishnabghata-Patuli Township

Kolkata - 700 094, Ph. : 2462-5794 / 5795 / 7252

Fax : +91-33-2462-6163, E-mail : csscal@vsnl.net, postmast@csssc.ernet.in

The Centre for Studies in Social Sciences, Calcutta (CSSSC) was founded in 1973, mainly with the aim to undertake, aid, promote and co-ordinate research in social sciences, with special emphasis on the problems of the eastern region and West Bengal.

ACADEMIC EXCELLENCE

CSSSC, commonly referred to as The Centre, has come to occupy a special prominence amongst the academicians and intellectuals. Eminent scholars from disciplines like economics, history, political science, sociology, geography and later media and cultural studies, were drawn to the Centre from its very inception. Over the years, there have been gradual and sometimes radical shifts in the interests of scholars at the Centre, but it has remained steadfast in its pursuit of academic excellence. The reports of the review committee of ICSSR and acknowledgements from distinguished scholars from India and abroad bear ample testimony to this.

ASSOCIATION WITH PUBLIC BODIES

Faculty members are often associated with bodies like State Planning Board, State Higher Education Commission, State Finance Commission and Sahitya Akademi. Many of them are on the editorial boards of academic journals and are office bearers of academic associations.

SUPERVISION OF DOCTORAL WORK

Several Ph.D. students registered with different universities, work under the guidance of CSSSC faculty members, though the Centre does not award any degree.

RECENT PUBLICATIONS BY FACULTY MEMBERS

Faculty members are quite prolific in publishing books and anthologies and also in contributing articles in newspapers, magazines and professional journals of national and international repute, like *EPW*; *International Journal of Comparative Sociology*, *Dialectics*, *Sociological Bulletin*, *Journal of Asian Studies*, *Inter-Asia Cultural Studies*, *Journal of South African Studies*, *Journal of World System Research*, *Journal of Political Economy*, *Journal of International Trade and Economic Development*. Their seminal contributions, over the years, have been widely acknowledged by discerning readers both within and outside of the academic world.

PROJECTS

The main project emphasis of the Centre is related to the fields of agricultural labour, rural development, financial markets, informal sector, resettlement and rehabilitation, political economy and cultural studies with cross-disciplinary approaches.

In the past the Centre has carried out projects, assigned by various national and international organizations like RBI, SSRC, SANEI, DFID, ENRECA, World Bank, ICRR, CSOS, IDPAC, Massey University and Ford Foundation.

The Ongoing Projects are :

- i) Resource Centre at CSSSC for the Asian Region - SEFVHS
- ii) A Documentary History of Advertising in Bengal 1880-1950 -
- iii) SSRC Resource Centre -SSRC, New York
- iv) Industrial Finance -RBI Permanent Research Endowment Scheme
- v) Joint Research and Training Program -ENRECA
- vi) Property Ownership and Inheritance Rights of Women for Social Protection - ICRR
- vii) Education, Decentralization and Social Inequalities -IDPAC
- viii) New Cultural Histories of Eastern India -Ford Foundation
- ix) Globalization, Income Inequality and Regional Disparity - Analysing the Indian Experience in the 1990 - SANEI
- x) Political Ethnography of Rural West Bengal -Boston University
- xi) Decentralization in Panchayat Institutions in West Bengal -DFID
- xii) Study of Democracy in South Asia -CSOS & Lokniti, Delhi
- xiii) Dialogue on Democracy and Pluralism in South Asia -Centre for Law Governance, JNU, New Delhi.
- xiv) Exchange Program with Massey University

IMPORTANT ACADEMIC EVENTS

The busy calendar of *Seminars, workshops, lectures, conferences and face-to-face interactions*, organized by the Centre, has come to occupy a prominent place in the intellectual life of Kolkata. A wide cross-section of Indian and International scholars are brought together at these events from time to time.

ANNUAL LECTURES

The Sakharam Ganesh Deuskar Lectures on Critical Art, was delivered by Professor Gita Kapoor, on March 16 & 17, 2005.

The R.C. Duet Memorial Lectures on Polarization and Conflict, was delivered by Prof. Debraj Ray, Julius Silver Professor of Economics, New York University, USA on December 22 & 23, 2005.

Documentation :

Over last two years the Centre successfully deployed MARC recording for electronic bibliographic records in archive, library and newly built resource centre. All information relating to books and printed texts at the archive and library have been transferred to full and preliminary level MARC records on a single database. However, experiments with an appropriate structure for electronic documentation of images are still on.

Digitisation :

The work of digitisation of microfilm rolls budgeted from the ENRECA programme (330 out of the total strength of 577) have been completed at the Roja Muthiah Research Library, only little cleaning and technical tests are awaiting. At the same time one of the archive assistants carrying on the job of cleaning and cropping of the images to prepare the proposed e-book and altogether 41 titles have been transferred to PDF e-book format. Rest of the microfilm rolls will be digitised before the end of this year from a grant extended by the South Asia Microfilm Project (SAMP) through Centre for Research Library as part of an exchange programme.

The Archive acquired new hardware and software for archival quality digitisation from the Ford Foundation project head and the same have been installed and work of systematic digitisation of images began. In May, 2004 two of the Centre's staff received training from the National Institute of Oceanography (NIO), Goa for implementation of the programme WWWISIS and the server setting for image integration in the database. The same awaiting implementation at the CSSSC for the limitation of server configuration and some technical fault at the Centre's Win 2000 server. However, the computer committee discussed the issue and we are expecting quick recovery from the problem.

As mentioned earlier, the entire database of text materials at the archive in MARC 21 data structure has been prepared and ready to upload in web-server ... in addition the archive staff extended support for preparation of the library database and as on date more than 75% of bibliographic records at the library transferred to electronic format and ready to give online public access after little task of cleaning.

Publication :

The much awaited English translation of the first volume of Pradip Bose (ed.) *Samayiki* has been published by the Sage, New Delhi (**Health and Society in Bengal: A selection from late 19th century Bengali periodicals**, Sage, New Delhi, 2006). The work on the second volume of *Samayiki* in Bengali is also over and negotiation with publishers are on another English translation of the second volume is proposed as soon as we hand over the Bengali volume to the publisher. Though it was committed in last report that another descriptive catalogue of archival holding (revised edition of *A Guide to the Hitesranjan Sanyal Memorial Collection* compiled by Abhijit Bhattacharya would be published in late 2005 but the work has not been done yet, as the year 2005 was mostly occupied with completion of electronic cataloguing, however, now a print publication of a descriptive catalogue may be published from the electronic dataset within a few months of time if the same approved and budgeted.

A complete set of digital copies in reader friendly PDF file format is also planned. Once we digitise all the microfilms in TIFF file format we can convert all individual articles from all the periodicals and publish them electronically and integrate the titles in a database following MARC recording standards. But the later is a mammoth task both in terms of time and technically skilled human hour required for doing so. It will be highly appreciated if the possibility of the same reviewed closely.

Access :

As a policy of the archive it has an open and free access policy for all students, scholars and faculty members affiliated with any academic institute/University. During the year 2005 altogether 57 new readers from academic institutions of India and abroad took fresh membership for reading and consultation of archival documents apart from our short term visitors, RTP students and members of Academic staff of the Centre.

10.4 JAGADIS BOSE NATIONAL SCIENCE TALENT SEARCH

716, Jogendra Gardens, Kasba, Kolkata - 700 078
 Telephone : 2442-8270, 2442-5191, 2442-8269 (Director)
 Fax : 2442-5485, E-mail : jbnsts@vsnl.com
 Estd. 1st July, 1960

To commemorate the Birth Centenary of Acharya J. C. Bose, India's first modern scientist, this unique institution was established in the year 1958 by visionaries like Dr. B. C. Roy, Sir Jehangir Ghandy, Sir R. Mudaliar and other noted educationists and industrialists. The program was inaugurated by Pandit Jawaharlal Nehru.

AIMS AND OBJECTIVES

- To identify talented students at a young age who will emerge as scientists, technologists and doctors of very high abilities in the future and become the “builders of modern India”.
- To nurture them through enrichment programs to develop their talents.
- To motivate students to realize the importance of excellence in the scientific world and educate them to cultivate this goal in real life as students of science.
- Conserve scientific talent with a view to provide for the nation's need for science and technology personnel.

AREA OF WORK

Financed by the Department of Higher Education, Government of West Bengal, the functions of JBNSTS were primarily limited to West Bengal only. However, from the early 90's, it started to spread its activities to the neighboring states of Eastern and Northeastern Region. Presently, JBNSTS is engaged in a number of projects in collaboration with Dept. of Science and Technology, Govt. of India, Council of Scientific and Industrial Research, Govt. of India, Ministry of Development of North Eastern Region, Govt. of India etc. Apart from that, a project for training of science teachers of West Bengal has been undertaken in collaboration with Sir Ratan Tata Trust, Mumbai. This program is found to be very suitable by the Department of Higher Education, Govt. of West Bengal.

Presently, the activities of JBNSTS are extended to 14 States of India namely West Bengal, Bihar, Orissa, Jharkhand, Chhattisgarh, Assam, Tripura, Arunachal Pradesh, Nagaland, Manipur, Mizoram, Meghalaya, Sikkim and Andaman & Nicobar Islands.

STATUS AND FUNCTIONING

JBNSTS is a registered society (Regn no. S/ 4353 of 1960-61) under Registration of Societies Act, 1860. It enjoys status of a special institution as declared by Department of Higher Education, Government of West Bengal.

JBNSTS undertakes various projects in collaboration with different departments of Central Government as well as State Government and reputed private Organizations, Trusts etc.

JBNSTS has a Governing Body with representatives from Higher Education Department, Government of West Bengal, industrialists, educationists and eminent professionals from various disciplines. Apart from that, there are eminent educationists in the Academic Advisory Board and it is a privilege to get their guidance in all academic matters.

Presently, Chief Patron of JBNSTS is Hon'ble Shri Gopalkrishna Gandhi, Governor of West Bengal. The President is Shri Jyoti Basu, former Chief Minister, Government of West Bengal, and Chairman is Dr. Purnendu Chatterjee, noted industrialist.

With a group of very dedicated staff as its asset, the office "**JB Centre of Excellence for Student Scientists**" is situated at 1300, Rajdanga Main Road, Kolkata 700 107.

Programs undertaken by JBNSTS in collaboration with Dept. of Higher Education, Govt. of West Bengal

a) Senior Scholarship Scheme

This is the core program of JBNSTS. Since the inception of this organization, this program has remained at the center of all the activities. Under this scheme, the undergraduate students of Pure Science, Medicine and Engineering appear in a multiphase selection procedure and those who are selected are awarded this prestigious scholarship. The selected scholars are motivated and nurtured throughout their M.Sc/MBBS/BE/B.Tech level. JBNSTS has a very luminous list of scholars like Professor A Ananthakrishnan, Former Director, GMRT, Pune, Prof. K. B. Sinha, Distinguished Scientist, Indian Statistical Institute, Delhi, Dr. Purnendu Chatterjee, noted industrialist, to name a few. Almost all the scholars occupy very high positions in their field of works.

The students, who passed Higher Secondary examination or its equivalent in 2005, appeared in the written test on January 8, 2006. A total of 472 students applied for the test in 6 centers in West Bengal. On the basis of merit, 69 students were called for the interview and 43 students among them were selected for Scientific Creativity Test. Finally, 25 students were selected for this prestigious award.

The selected scholars get a monthly scholarship of Rs.500/- and book grant of Rs.1000/- per year during the period of the scholarship. Besides, they are invited to take part in various follow-up Programs like seminars, talent enrichment programs, and educational tours, project works etc.

b) WBDS Program

This program is aided by the Department of Higher Education, Govt. of West Bengal and meant for the middle school students of different districts of West Bengal. The main focus of this scheme is on the underprivileged but meritorious students of remote areas of the State. It is a very successful and popular program among the students and the teachers of the district schools. Presently, 7 districts are covered under this program namely Nadia, 24 Pgs (S), Birbhum, Purulia, Burdwan, Bankura and Hoogly. A number of science workshops were organized in different schools for the students of those areas (List of workshops during April, 2005 to May 2006 is enclosed and marked Annx. A).

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS _____

Under this program, Residential and non-residential science workshops are organized rotationally in the districts for students of Class VIII and IX for 3 to 4 days. About 60 - 65 students nominated by the schools of a particular area and accompanying science teachers from each school take part in these workshops. A team of outstanding faculties conduct these workshops. The workshops consist of theory and practical lessons plus laboratory and outdoor assignments not included in the school syllabus. The participating students are exposed to the exciting and advanced areas of science, which are basic to the understanding of the core concept of the subjects. They are also encouraged to develop self learning through self exploration. It is an excellent opportunity for the young students to understand the basic areas of science as well as the global character of scientific activities. It surely is a very rich learning experience for the students.

OTHER PROGRAMS

a) CSIR Program

The Council for Scientific and Industrial Research (CSIR), Government of India has been contributing to the talent enrichment of selected scholars since 1962 and has in the past few years extended its support of JBNSTS to cater to undergraduate science students from Bihar, Orissa, Jharkhand and Chhattisgarh.

b) DST Program

Since 1999, Department of Science & Technology (DST), Government of India has been contributing to a range of Contact Programs for students of the Northeastern States as well as that from Bihar, Orissa, Jharkhand and Chhattisgarh. In the past two years Andaman & Nicobar Islands have been included in this Program.

c) DRDO Program

This year the Defence Research Development Organization (DRDO), Government of India has sponsored a few programs for the enrichment of senior scholars of the JBNSTS as well as the High School students of the Northeastern States.

d) SRTT Program

It has been just one year since JBNSTS has launched itself in the field of Teacher's Training in science teaching for middle school science teachers of West Bengal. This venture has been taken up by JBNSTS in collaboration with Sir Ratan Tata Trust, Mumbai, and has been successful in building a community of motivated, goal oriented and skilled middle school science teachers. This project shall eventually be recognized as a strong pedagogic movement within the State.

e) DoNER Program

From the year 2005-06, a project to motivate, identify and nurture the young talented science students from 8 northeastern States has been undertaken in collaboration with the Ministry of Development of North Eastern Region. Under this project, high school science students will be motivated to take up science as their future career. Talented students will be identified through talent identification tests and scholarship and book grant will be given to the selected students.

After immediate completion of 125 years and at the juncture of 75th Year of Discovery of Raman Effect IACS continues to strive towards excellence in basic science and allied technology covering several emerging frontline areas of materials research, atomic, molecular and optical physics, molecular science, theoretical science and biology. However, the acute shortage of funds remains a matter of grave concern for its all-round growth and development.

Research Activity in various departments and units :

Materials Science

During the year motivated research has been carried out in the Department of Materials Science of Indian Association for the Cultivation of Science on the front line areas of synthesis and characterization of materials of current interest. There is also a strong theoretical group working in the front line areas of Atomic and Molecular Physics.

Continued activities have been in the areas of Powder Profile Analysis in Alloys, Films and Crystal Growth and defects Characterization in solution-grown single crystals of sulphate groups.

Theoretical work was started to explore different approaches to molecular control. Investigation of selective population transfer by chirping, control over angular distribution and product branching using appropriately designed multi-frequency pulses is being carried out. Future plans include coherent phase control, optimization of pulse shape for achieving a specified target state.

Solid State Physics

Magnetic susceptibility, specific heat and Mossbauer spectral study of highly frustrated magnetic system like DyTiO_3 are reported. Magnetic properties of molecular magnets have also been investigated. EPR measurement on Mn(II) clusters in silica glass is indicative of supraparamagnetic transition at low temperature. Reciprocal space-real space direct methods have been applied successfully for ab-initio solution of a protein, lysozyme, without heavy atom. Donor-acceptor type heterojunction devices and dye-sensitized solar cells have been fabricated. A model has been developed to generate characteristics of light-emitting devices. Nanoparticles and nanorods of antimony selenide were prepared and optical and electrical properties were studied.

Spectroscopy

The highlight of achievements :

Laser flash photolysis experiments performed on different organic donor acceptor systems reveal the production of monomeric triplets, importance of hydrogen bonding effects, energy exchange via charge recombination process and enhancement of photobleaching efficiencies in non-polar environment. Identification of new and fascinating host-guest complexes of organic molecules in restricted geometry, dual fluorescence of some organic compound in reverse micelles and identification and mechanism of ultrafast excited state proton transfer have been done through photophysical studies.

Theoretical Physics

In the field of atomic and molecular physics Feshbach resonances due to the auto-detaching states of the positronium ion below the positronium excitation thresholds have been successfully predicted. First quantum calculations for antihydrogen-hydrogen scattering have been performed. Electron correlation effect has been studied for some two-electron transition processes.

In the field of condensed matter physics the relevance of effective theory for the edge fractional quantum Hall effect has been microscopically tested. A novel technique has been developed by which low energy spectrum for a fairly large number of uncommon fractional quantum Hall states can be obtained.

In the field of nonlinear dynamics it was shown by constructing a simple dynamical system analogous to the full system of spherical Bondi flow around a massive star, how the nonlinearity can actually select a particular trajectory at infinitely long times. This helps us understand how the transonic Bondi flow results in the steady state.

In the area of astroparticle physics, theoretical estimates of sea level muon spectrum at different zenith angles have been made and impressive agreement found with experimental data.

In the area of high energy phenomenology, a non-minimal supergravity framework has been identified where there is a possibility of having higgsino dominated lightest neutralino while having a smaller range of fine-tuning throughout the parameter space of the model.

In the field of gravitation and cosmology it has been shown that a spacetime with torsion can explain astrophysical signals like optical activity in radiation from distant galactic source. The implication for different compactification schemes has been explored.

Energy Research Unit

- (i) An indigenously designed and fabricated prototype production line for the fabrication of large area integrated double junction (30 cm x 30 cm) a-Si₁ solar modules have been set up and made operational in December, 2002. Initial trial with the line has been started.
- (ii) High growth rate (4.5 Å/Sec) has been achieved for intrinsic microcrystalline silicon films prepared by RF-PECVD method.
- (iii) Microcrystalline silicon based single junction solar cell has been fabricated with 6 % efficiency.

- (iv) Using transparent conducting ZnO (developed in our laboratory) at n/metal interface more than 10% increase in efficiency has been achieved in amorphous silicon solar cells.
- (v) A new PECVD deposited material has been developed and applied in single and double junction solar cell with higher stability.
- (vi) Plasma diagnostic of silane plasma mixed with different gases is on going.
- (vii) Using insight gained from theoretical modeling, specially the fact that the p/i interface for the pm-Si:H cells is considerably more damaged than standard a-Si:H based cells, the deposition parameters were optimised to ultimately yield pm-Si:H cells, with conversion efficiencies higher than a-Si:H cells.

Biological Chemistry

Total synthesis of tetra- and pentasaccharides related to the *Shigella dysenteriae* type 9 and *Escherichia coli* type 026 have been completed in view of our ultimate goal of preparing synthetic vaccines. Lectins from hemolymph of gastropod and fish sera have been purified to homogeneity by chromatography on ion-exchanger and affinity matrix and their erythroagglutinin properties have been studied.

Inorganic Chemistry

This includes : (1) Self assembly towards the construction of molecular ladder and rectangular grid of cadmium(II)-selenocyanate; (2) three new single end-to-end azide-bridged copper(II) chains using three different tridentate Schiff bases magneto-structural correlations; (3) valence delocalization in a mixed-oxidation divanadium(IV, V) complex electro generated from a divanadium(V) analogue; (4) electron transfer reactions involving monomeric manganese(III)- and bis(μ -oxo) manganese(III, IV) macrocycles; (5) new observations on copper(I)-water bond and electrooxidation of tetraphenylborate anion, (6) deamination reactions in osmium (II) complexes.

Organic Chemistry

The continuing research efforts have unfolded novel methods of carbon-carbon bond formation by metal mediated reactions, transition metal induced radical reactions, and Lewis acid catalysed and microwave assisted processes. Asymmetric synthesis via chirality transfer during photocycloaddition reaction is one of the most significant achievements. These methodologies have been successively applied for the total synthesis of bioactive substances like pseudo nucleosides, sesquiterpenes and allelopathic compounds. A number of heterocyclic systems have been synthesised through transition metal induced reactions for investigating structure-activity relationships.

Physical Chemistry

A theory of quantum Brownian dynamics has been developed. A new class of growth models with nonlinear diffusion has been proposed and its implication and applicability to several biological problems (e.g., tumor growth) is being explored. A picosecond diode laser has been set up and solvation dynamics of proteins has been studied by covalently attaching the probe to the protein. IR-UV double resonance spectroscopy in supersonic jets has been used to obtain structures of hydrated clusters of tetrahydro isoquinoline. Multireference coupled cluster theory has been developed to obtain detailed information about potential energy surfaces of molecules in which correlation effects are strong.

Polymer Science Unit

Researches in the following areas were conducted :

Living Polymers : Synthesis of living polyacrylamide (an important water soluble polymer) was accomplished for the first time using the atom transfer radical polymerization route.

Novel elastomer blends : Various combinations of accelerators and vulcanizing agents were investigated in order to improve upon the covulcanization of elastomers differing greatly in the level of unsaturation e.g. natural rubber + EPDM rubber.

Polymer crystallization : The crystallization of PET with the piezoelectric polymer poly(vinylidene fluoride) was explored.

Polymer gelation : Conductivity variation of polyaniline gels was studied. It was the thermodynamics of gelation of poly (3-alkyl thiophene) in xylenes.

Polymer based nanostructures : Progress has been made towards the synthesis of hollow polymer nano-capsules.

Polymer-surfactant interaction : Interaction between a physiologically important surfactant viz. bile salt and a biocompatible polymer, poly(vinyl pyrrolidone), was studied.

HONOURS AND AWARDS

Our faculty members have received national awards, they have been elected to distinguished Academies of Sciences and invited to address various national and international meetings.

10.6 INSTITUTE OF HISTORICAL STUDIES

Estd : 1961

35, Theatre Road

Kolkata - 700017

Phone : 2247-5236

The Institute of Historical Studies, Kolkata, founded by Dr. S. P. Sen, in April, 1961 as a pioneering organisation devoted to the cause of historical study and research completed the forty-fourth year of its fascinating history of sustained growth to attain a phenomenal height in the academic world. His dynamic and dedicated leadership enabled the Institute as his spiritual child to receive in its early formative phase the warm and enthusiastic support of scholars and academicians all over India and abroad on its way to becoming what it is today – a leading all India academic forum for the advancement of historical knowledge with international recognition. The institute is now an autonomous body, financed by both the Government of India and the Government of West Bengal on 50 : 50 basis.

ACTIVITIES DURING THE YEAR :

To organise seminars, lectures and discussion meetings on various subjects in different fields of academic and historical interest is an important part of our activities, besides organising the all-India annual conference with both general and local themes of academic discussion.

The 26th Founder's Day Celebration was held at the Institute on 8th and 10th June, 2005. The celebration was inaugurated with a day-long Junior Research Scholars' Seminar. The inaugural session was presided over by Swami Prabhananda, Secretary, The Ramakrishna Mission Institute of Culture, Gol Park, and was attended by Professor Dilip Coomer Ghosh, Treasurer, The Asiatic Society, Kolkata, as the Chief Guest. The Seminar evoked much enthusiasm among the Junior members of the Institute and their friends. Ten research scholars attached to different universities of West Bengal presented thoughtful papers on subjects of their specialization. The papers elicited lively comments and criticism.

On the second day Professor Suranjan Das, Pro-Vice-Chancellor for Academic Affairs, University of Calcutta delivered the Dr. S.P. Sen Memorial Lecture (2005) at a well-attended meeting in the presence of a learned audience. He spoke on 'Knowledge for Politics: The Use of Partisan History in India and Pakistan.'

On 13th August, 2005, Professor Ranjit Sen of the University of Calcutta delivered the Professor Nemaï Sadhan Bose Memorial Lecture. Professor Sen spoke on 'Anatomy of a Pensive Moment: 1905'. Professor Amalendu De presided over the meeting. The lecture was organised in collaboration with the Society for Preservation, Calcutta.

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS _____

The I.C.H.R. sponsored two-day national seminar on 'Understanding the History of Environment' was organised by the Institute in collaboration with the Department of History; Jadavpur University on 10th & 11th March, 2006. The U.G.C. sponsored two-day national seminar on 'Revolutionary Movement in Modern India with Special Reference to the role of Women' was organised by the Department of History, North Bengal University in collaboration with the Institute on 17th & 18th March, 2006. The Institute is endeavouring to organise seminars in collaboration with Malda College and Victoria Memorial Hall.

The forty-second Annual Conference of the Institute was held at Mumbai under the auspices of the Patkar-Varde College from 30th November to 2nd December, 2005. The Conference which met in the auditorium of the College was inaugurated by Dr. A.D. Sawant, Pro- Vice-Chancellor of the University of Mumbai, and the presidential address was delivered by Dr. A.R. Kulkarni, Professor Emeritus of History, University of Pune.

The Institute's library specialises in historical journals, Indian and foreign. We are trying to organise and augment our research library in the best interests of readers and members. Some valuable books will be purchased and efforts will be made for the collection of rare letters, documents etc. to make library holding attractive in terms of historical study and research.

The Quarterly Review of Historical Studies has earned distinction as one of India's prestigious journals maintaining an international standard of excellence. It is now running the 43rd year of its publication. The Institute undertakes in a planned manner, research publications for the promotion and advancement of historical knowledge. We are trying to bring out the third volume of our prestigious publication Dictionary of National Biography (Supplement) very soon.

The Indian Council of Historical Research has been pleased to sanction our proposal of a collaborative research project on 'History of Indian Historiography'. The project work is going on and we expect it to be a significant contribution in the field of historical knowledge. The Department of Higher Education, Government of West Bengal has kindly sanctioned our research project entitled 'Documentation of Dhokra Art of Bardhaman and Bankura Districts, West Bengal'. The project work has already started.

It is thus well evident that the Institute is quite active in performing its normal academic functions for the furtherance of historical research. This has been possible because of the kind co-operation and guidance from the members of the Executive Committee, historians from India and abroad, members and well-wishers of the Institute of Historical Studies.

10.7 PASCHIM BANGA ITIHAS SAMSDAD

Sarat Bose Bhavan,
1, Woodburn Park,
Kolkata – 700 020

Paschim Banga Itihash Samsad is one of the largest regional associations of professional historians, history- inclined academics and lay persons in India. It has maintained close link with the Indian History Congress for more than a decade now. The organization has more than 2000 members.

OBJECTIVES

The PBIS has consistently tried to promote the cause of teaching and research in history through the Bengali language and maintain links with other regional associations pursuing similar goals. It has also directed its efforts towards upholding secular and scientific values in all history – related endeavors. It has continued to devote its attention to rationalizing and updating the history curriculum followed in schools, colleges and universities of West Bengal. The publications of books and compilations of articles continued to form and integral part of Samsad's activities. The PBIS also organizes special lectures on education, political thought and historical geography apart from social and economic history of India.

Publications

1. **Itihash Anusandhan** , Vol 17, 816 pages.
2. **Itihaser Prekhite Kolkatar Sankhalaghu Sampradai** (Edited by Sk Makbul Islam)
3. **Paradhiner Romantikata o Jugosandhir Rabindranath** by - Professor Malini Bhattacharya, Jadavpur University

10.8 THE RAMKRISHNA MISSION INSTITUTE OF CULTURE

Estd. 1938

Gol Park, Calcutta - 700 029

Telephone : 2464-1303, Fax : (91-33) 2464-1307, E-mail : rmic@vsnl.com

The Ramkrishna Mission Institute of Culture is a Branch Centre of the Ramkrishna Mission, Belur Math. It was established in 1938 in a small rented room in North Calcutta and shifted to Gol Park in 1961. Pandit Jawaharlal Nehru inaugurated it on 1st November 1961.

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS _____

OBJECTIVES

The activities of the Institute are directed towards fulfillment of its three main objectives : (i) proper interpretation and appraisal of Indian culture, (ii) the promotion of mutual understanding between India and other countries, and (iii) the promotion of the study of cultural heritage of India and of mankind as a whole.

ACTIVITIES DURING – 2005-2006.

One of the most significant and remarkable accomplishments of the Institute during the year 2005 was the consecration and inauguration of the Annexe of the building of the Institute. The Consecration ceremony of the newly constructed Annexe building was held on Friday, 20th May 2005 with a special Puja, Homa and devotional songs in the gracious presence of srimat Swami Gahananandaji Maharaj, srimat Swami Abnasthanandaji Maharaj and Srimat Swami Gitanandaji Maharaj, Vice Presidents of the Ramakrishna Math and Ramakrishna Mission. Again on 6th November 2005, after unveiling a full-length (12 ft. high on a pedestal of 8 ft.) bronze statue of Swami Vivekananda in Gol Park Traffic Island, Srimat Swami Gahananandaji Maharaj, President, Ramakrishna Math and Ramakrishna Mission formally inaugurated the newly constructed Annexe of the Institute.

To continue regular activities for the spread of knowledge and promotion of higher values ,317 public functions were held throughout the year. Of this, 34 were public lecture, 148 were scripture classes and discourses, 5 were seminars and symposia, 90 endowment lectures, 6 special lectures, 15 recitals and Musical Festivals. The Institute also organized some special programmes to celebrate the Foundation day, Christmas Eve and to hold convocation and to inaugurate Swami Vivekananda in which there were 764 contestants and 75 candidates won prizes. On 17 June, a small marble statue of Swami Vivekananda kept in the Institute after being replaced from the Gol Park Traffic Island was installed in the campus garden.

The Library is the pivotal point of the activities of the Institute. With the extension and renovation of the Library in a new adjoining building there has been a spurt in the activities of the Library in a computerized environment. The Library has three wings -General, Children and Junior Section. The number of books purchased, obtained as gifts and bound periodicals during the year was 4700 raising the stock to 222993, (General 199595, Junior 7261, Children 14088, Research 2049). The average daily attendance for the Library was 1478.

The activities of the Institute are value-oriented. To encourage young people to imbibe the ideals of the Ramakrishna Mission, the Institute started a youth forum called Vivekananda Study Circle and later on another youth wing called 'Vivekananda Anushilan' for a deeper study of the life and philosophy of Swami Vivekananda. The Vivekananda Study Circle held 18 sessions during the year at the institute

with an average attendance of 12 in each session. The subjects discussed were: (1) Concept of History of Swami Vivekananda (2) Seva Dharma in the eyes of Swami Vivekananda (3) women progress in the eyes of Swami Vivekananda (4) Holy Mother in the eyes of Swami Vivekananda. The Vivekananda Anushilan conducted 22 sessions with an average attendance of 70. The Institute in its Value Orientation programme carried the man-making message of Swami Vivekananda further to the youth at large through 142 Youth Conferences held in 11 districts of Kolkata, Howrah, Hooghly, Nadia, Burdwan, Bankura, Murshidabad, Paschim Medinipur, Purba Medinipur, South and North 24 Parganas in which 28960 youths participated. Besides this, one central Youth Convention was held on 20 November 2005 at the Institute in which 1500 youth delegates from 80 organizations covering 11 districts took part.

The Institute organized Value Education Sessions in pursuance of the guidelines framed by the Department of Secondary and Higher Secondary, Ministry of Human Resource Development, Government of India at this Institute in two spells -one in April- May 2005 targeting three vital sectors of the society, namely, students, parents and teachers involving 713 participants in three separate sessions -one for 275 senior students and the other for 267 parents and 171 teachers, while the other spell was conducted during 26-30 December, 2005 involving 265 senior students from various schools and colleges of the state.

The Institute's activities towards dissemination of knowledge for different disciplines are supported by its publications and the Institute has a very active and productive Publication Department. The monthly Bulletin with contributions from eminent scholars on culture in all its aspects was regularly published every month and distributed among members, subscribers of the Institute and others. The popularity of the Bulletin in academic circles, both in India and abroad, is steadily rising. Among other publications brought out this year mention may be made of *Ramakrishna Movement*, *Mayer Chitti*, *Social Philosophy of Swami Vivekananda*, *Sarada Anudhyan*, *Swami Vivekananda as a Philosopher*, *A Hand Book on Value education*, Vol-I, & II. A good number of Institute's earlier publications were reprinted during the year.

The main thrust on the activities of the Institute being dissemination of Knowledge for the promotion of the concepts of harmony of religions and the basic unity of man and his culture and other higher values of life, research is the inherent and continuous activity of the Institute. In pursuance of this objective the institute carried on, during the year under report, research activities, as in the previous years, through the Department of Culture for Indological Studies and Research, with scholars from the country and abroad. During the year on 21 April the renovated Research dept. was inaugurated by srimat Swami Atrnasthanandaji Maharaj, Vice President, Ramakrishna Math & Ramakrishna Mission. On that occasion a book on 'Life, Mind and Consciousness', was released by Revered Vice President Maharaj. As some scholars have been awarded with doctorate and post- doctorate degrees, fresh scholars joined the Department to strengthen research activities. During 2005, the number of pre-doctoral and post-doctoral scholars are 15 & 4 respectively. Some foreign scholars have completed

their projects and gone abroad. At present there are a few foreign scholars in the Centre. The Centre in collaboration with UNESCO and the MHRD, Govt. of India, has launched an advanced course, 'International Understanding for Human Unity' which was inaugurated on 1 September 2005 by Dr Kapila Vatsayan, Executive Committee member, UNESCO, Paris and chaired by Swami smarananandaji Maharaj, General Secretary, Ramakrishna Math & Ramakrishna Mission. Eminent dignitaries like Mr Rohan P. Perera, acting Director, UNESCO, New Delhi, sudip Banerjee, Education Secretary, Govt. of India, spoke on the occasion. The Convocation of the Centre was held on 3 September 2005 where Dr Pratap Chandra Chunder, formerly Minister of Education, Govt. of India gave away the Prizes and Post-Graduate Diploma Certificates conferred by KaviKulguru Kalidas Sanskrit Vishwavidyalaya, to the successful students of the courses on Indology (5), 3-tier Functional Sanskrit (9) and Appreciation of Indian Art (22). A 12-day Sanskrit Workshop in Advanced level was conducted from 1 to 13 August, 2005 to promote Functional Sanskrit among the students, teachers of various colleges and universities. The Centre also conducted a Sanskrit debate competition on the motion 'Application of Science is opposed of Value Awareness', on 30 September 2005. Total 20 students from various school, college and universities participated and finally 8 contestants were selected to speak on the final day.

Established in 1995, now Vivekananda Archive is functioning as a wing of the Centre for Indological Studies and Research of the Institute. During the year under report it has been shifted to a bigger space at Swami Niranjanananda Hall of the Institute. Its objectives are: to collect all kinds of materials, specially publications in all languages, Indian and Foreign, on and by Sri Ramakrishna, The Holy Mother and Swami Vivekananda and his brother disciples, Sannyasins of the Ramakrishna Order and other personalities related to the Ramakrishna- Vivekananda Movement and also to help research scholars working on the same subject. During the year many scholars and researchers have visited the Archives and used the collection kept in the Archives. It added to its Library 206 books -48 souvenirs and 40 annual reports of various organizations on Ramakrishna Movement. 2. A Bibliography of Bengali writing on social sciences 1948 onward sponsored by the Indian Council of Social Science Research (ICSSR), Union Ministry of Human Resource Development :

The Institute has compiled a bibliography of economic and sociological writings in Bengali up to 1950 with the support of the ICSSR. The Paschim Banga Bangla Academy has published the bibliography of economic writings in Bengali. The Institute has completed a catalogue with annotation of books and articles for a bibliography of all branches of social science from 1948 to 1990 and the manuscript of secondary sources is ready for publication.

3. Economic History of India: Documents. 1858-1901—Agriculture and Irrigation—sponsored by the Indian Council of Historical Research (ICHR), Union Ministry of Human Resource Development :

Two volumes of the manuscript are in the press.

As requested by the ICHR, a proposal for compilation of materials on agricultural and irrigation of India has been submitted to them with a budget of Rs. 6 lakhs.

4. Bengali Writings on Science and Technology, 1800-1950 :

The Institute is going to publish Bengali Writings on Science and Technology, 1800-1950. The West Bengal Government has sanctioned a grant of Rs.25,000. The manuscript is being processed for publication.

10.10 SRI SRI SITARAMDAS OMKARNATH SAMSKRITA SIKSHA SAMSDAD

107, Southern Avenue, 'Vaikunthadham',
Kolkata - 700 029
Ph : 2466 4983

Activities during the year 2005-2006 :

The major activities of the Samsad during the year 2005-06, which are aimed at achieving its objectives, viz., propagation of Sanskrit and Vedic learning as also dissemination of the message of Indian culture, are enumerated below :

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS —

The Samsad has become the premier Institute in the Eastern Region of the country imparting instructions in Sanskrit and other oriental subjects in accordance with syllabus prescribed by the Government of India. It is also concurrently running a very important traditional course leading to the titles of 'Adya', 'Madhya' and 'Upadhi', through Examinations conducted by the Vangiya Sanskrita Siksha Parishat, a wing set up by the Government of West Bengal to monitor Sanskrit learning in the State. Performance of its students in these examinations during the year was very satisfactory. Alongwith these courses students are also being taught in Modern Subjects and Computer Application with the ultimate object of preparing them to sit for the Secondary Examination. This will, no doubt, enlarge the scope of their employment. During the year in question, the Sam sad had been maintaining 61 students in its four units.

During the year two of its students who were eligible to appear at the All India Examination held annually by Maharshi Sandipani Rashtriya Vedavidya Pratishthan at Ujjain passed the said examination creditably.

The Samsad has a publication wing and a few books on Indology and Sanskrit and Bengali literature have already been published and few others are under process.

The Samsad had already set up a cultural unit, which holds such cultural programmes as would promote Indian culture. Besides, rich works in different areas of Indian culture and performing arts being carried on in this Unit.

Samsad as in previous years, the/organised during the year a few seminars and lectures on Indian studies and culture, each of which was intended to highlight the relevance of Sanskrit and Vedas in the contemporary world.

The Samsad does not confine its activities to traditional subjects alone, but it tries to make its students conversant with some basics of science and new scientific developments through discourses on various scientific topics.

As in previous years, this year also Samsad held its own Examinations at Kolkata in 'Adya', 'Madhya' and 'Upadhi' in accordance with syllabus drawn by the topmost scholars in the country. The Examinations evoked keen interest and as many as 500 candidates from various districts appeared thereat.

The Rashtriya Sanskrit Sansthan, a "Deemed University", which holds Examination every year on All-India basis in 'Sastri' and 'Acharya' courses, has entrusted the responsibility of conducting this All-India Examination at its Kolkata Centre, the Samsad. During the year 2005-06 the said examination was held in April, 2005 and about 350 students appeared thereat. The Examination was conducted by Samsad very smoothly and to the entire satisfaction of the University.

The Samsad has already established itself as one of the leading Research Institute in the country. As recommended by the State Government the following projects were earlier allotted to it by the Government of India :

(i) Compilation of Anthology; (ii) Art of Life; (iii) Compilation of a Dictionary of Sanskrit Poetics; (iv) Iswar Chandra, Bankim Chandra, Swami Vivekananda, Sri Aurobindo and Rabindranath Tagore in Sanskrit.

While the work on the first two projects have already been completed and final Report sent to the Government of India, the work on the remaining two are in progress. Meanwhile two other important projects entitled "Translation of Certain Sanskrit Texts into Bengali" and "Relations between Sanskrit and Concepts originating in contemporary society", have been allotted to Samsad by the Government of India on the recommendation of the State Govt.

The Calcutta Mathematical Society undertook various activities during the year 2005- 2006, related to the development of teaching and research in Mathematics and Mathematical Sciences for which objectives the Society was established in 1908 at the Senate House of Calcutta University with Sir Asutosh Mookerjee as the founder President and Sir Gurudas Bandyopadhyay as one of its founder Vice-Presidents.

Major activities and achievements during 2005-2006 :

- 1) **Publication of Journals :** The Society has published all its four internationally recognized series of journals namely, 'Bulletin of the Calcutta Mathematical Society' (bi-monthly), 'Review Bulletin of the Calcutta Mathematical Society', 'News Bulletin of the Calcutta Mathematical Society' (monthly), and the new title 'Journal of the Calcutta Mathematical Society' for the year 2005.

Other Publication of the Society :

- i) Silver Jubilee volume of the Bulletin of the Calcutta Mathematical Society.
- ii) Golden Jubilee volume (Part I and II) of the Bulletin of the Calcutta Mathematical Society.
- iii) Sir Asutosh Mukerjee Birth Centenary Commemoration volume of the Bulletin of the Calcutta Mathematical Society (1964).
- iv) Proceedings of the Seminar on Scientific Contributions of Professor S.N.Bose (1973).
- v) Diamond-cum-Platinum Jubilee Commemoration volume (1984).
- vi) Research monographs of eminent Indian and Foreign mathematicians.
- vii) Proceedings of the International Symposium on Recent Advances in Mathematics and its Applications - ISRAMA 2004.

Library : Over the years, the library of the Society has attained the distribution of being one of the richest libraries in the country particularly in the field of Mathematics and Mathematical Sciences. Library has now more than 20,000 volumes of books and journals altogether. The Society has exchange relation with different Universities, Institutions and Learned Societies all over the world

under 'Jr. exchange programme'. Society now receives 120 foreign journals from USA, UK, Japan, Yugoslavia, China, Korea, France, Australia, Germany, Spain, Czechoslovakia, Italy, Poland, Canada and 25 journals from different states of India. Library also maintains manuscripts and letters of Professor S.N.Bose, Life History of Professor Bibhuti Bhushan Dutta (Later known Swami Vidyaranya). Several valuable papers of the eminent scientists like Meghnad Saha, C.V.Raman, S.Chandrasekhar, S.N.Bose, Ganesh Prasad and many others had been published in the Bulletin of the Calcutta Mathematical Society, which were bound and kept in the library.

Academic activities of the Calcutta Mathematical Society :

Seminar & Symposia : The Society organized National Seminar and International Symposium with the financial support from the Govt. of India and Govt. of West Bengal.

(A) National Seminar : Society organised a National Seminar on "Trends in Research and Education in Mathematics and its Application" during 6- 7 September, 2005 to celebrate its 98th Foundation day. More than one hundred Mathematicians and Physicists from different states of India participated in this Seminar.

(B) Symposium on Einsteinian Physics : The year 2005 was declared as the "Year of Physics" to mark the centenary of the year 1905 which saw the publication of the three seminal papers of Albert Einstein. Einstein theory brought about fundamental change in our views of space, time and matter. Calcutta Mathematical Society and Indian Statistical Institute, Kolkata jointly organized the Symposium on Einsteinian Physics to commemorate this event during 25-26 June, 2005 at the premises of the Society. Many distinguished scientists spoke on revolutionary work of Albert Einstein. The list included Professor K.B.Sinha (Director, Indian Statistical Institute, Kolkata), Professor N.Mukunda (Centre for Higher Energy Physics, I.I.Sc. Bangalore), Professor A.Banerjee and Professor S.Banerjee (Jadavpur University), Professor S.Sengupta and Professor J.K.Bhattacharya (Indian Association for Cultivation of Science), Professor S.Dattagupta (S.N.Bose National center for Basic Science, Kolkata), and many others. Professor M.Mizushima, Colorado State University, USA sent a summary of his contribution to the Symposium. The Symposium was actually a humble tribute to Albert Einstein, one of the most original thinkers of all time.

(C) International Symposium : Society organised an "International Symposium on Recent Advances in Mathematics and its Applications" (ISRAMA 2005) during 17-19 December, 2005. More than 200 scientists throughout the world participated in the Seminar from India and abroad. The programme included invited lectures by eminent researchers as well as contributed papers. Professor Sankar K Pal, Director, Indian Statistical Institute inaugurated ISRAMA 2005 and Professor M.R.Adhikari described the role of Calcutta Mathematical Society for promotion of Mathematics Education and Research. Renowned scientists, namely, Professor Erik Trelle (Sweden), Professor N.Manickam (USA),

ISEC has been working for 25 years since its foundation on 25th November, 1980(1980-2005). We are happy to note that we are giving our service for 25 years to the nation in developing and propagating science, science education and science-based culture, for which Govt. of India stressing much for the development of our country, in the manner and method available to us. We publish a science journal, *Indian Science Cruiser* whose frequency is increased from four issues a year to five issues from January 2005. We organize seminars of topical interest for our members and other interested people and publish them in booklet form. These are available in permanent form. We also publish books, reports, booklets which are written by our members, most of whom are professors of universities/research centres and colleges. Some of our members are very much inspired to write

very high level papers/articles etc. To mention a few, the contents of the journals, books, seminars including **population growth, women education, various cultural patterns, various research themes of Sunderban area, agricultural items, environment issues, healthcare, etc.**

On the while, it has been possible to arouse interest in the activities of ISEC among people and our members from school level (higher secondary) to college and university levels, research levels and the members of scientific communities.

We give below some salient features of our activities during the year 2005-2006.

1. PUBLICATION OF JOURNAL : *INDIAN SCIENCE CRUISER*

ISEC publishes an international standard journal entitled, *Indian Science Cruiser*. This is now five issues a year from 2005 in January, March, May, August and November. ISEC has published the following issues :

Indian Science Cruiser, Vol 19, No 3, May 2005

Indian Science Cruiser, Vol 19, No 4, Aug 2005

Indian Science Cruiser, Vol 19, No 5, Nov 2005

Indian Science Cruiser, Vol 20, No 1, January 2006

Indian Science Cruiser, Vol 20, No 2, March 2006 (in press)

The journal is covered with up-to-date information on science, technology, medicine and also educational and environmental aspects.

2. ORGANISATION OF SEMINARS

ISEC organizes one seminar on Regional/National basis every year. This year on 25th February 2006 ISEC will organize a seminar on

Disasters: Natural and Manmade

In the Jibanananda Hall of Bangla Academy, Rabindra Sadan Complex, Kolkata. Many scientists, environmentalists, geologists, engineers -like

Prof. Sujay Basu, President of ISEC will address the participants, Dr. Aloke Bagchi, Dr. Sisir Kumar Sen, Geologists, Prof. Sudip Banerjee, Chairman, West Bengal Pollution Control Board, Prof. N. C. Datta, Ex- President of ISEC and formerly of Zoology Department, Calcutta University, and other dignitaries will address on this occasion.

3. INVITED TALKS/MEMORIAL LECTURES

Every year ISEC organizes Annual Lecture program on topical interest for its members, invited guests and other persons in the Annual General Meeting day. This year ISEC organized the lecture program on

“Culture”

by Prof Prasanta Roy, Department of Sociology, Presidency College, Kolkata on 23rd July 2005 in the 'Jibanananda Hall' of Bangla Academy, Rabindra Sadan Complex, Kolkata. Members and others who joined the program enjoyed very much.

4. PUBLICATION OF BOOKS/SEMINAR REPORTS, ETC.

In addition to ISEC mouthpiece, The Indian Science Cruiser, for dissemination of scientific knowledge and information, ISEC publishes science books/reports etc every year as per situation arises. A few books published by ISEC are in stock with the ISEC Library as follows :

i) Environmental Education & Training in a Developing Country, ii) Man, His Environment and its Pollution, iii) Patterns of Nature's Laws -An Introductory Approach, iv) Bharatiya Sunderban -Paribesh O Parichaya and v) Polymer Bigyan O Manab Samaj.

5. PARTICIPATION IN NATIONAL/INTERNATIONAL CONFERENCES

1905 is the Albert Einstein's Miraculous Year. For this, International Physics Community has set aside the year 2005 as the World Year of Physics as a tribute to Einstein's Centennial. On this occasion, West Bengal State Council of Science & Technology and Department of Science & Technology, Govt. of West Bengal have been organizing a series of lecture under the title "Bengal Science Lecture-2005". ISEC always invited to participate in such lecture programmes which are already reported in Indian Science Cruiser. A few such lecture sessions are i) Space Technology -by Prof. U R Rao on 12th August 2005 ii) Global Changes and India: Issues & Perspective -by Dr. A P Mitra on 9th September 2005 etc.

Foreign Correspondent of Indian Science Cruiser attended the 55th Meeting of Nobel Laureates in Landau, Germany from 26th June to 1st July 2005, the report of which is also published in Indian Science Cruiser, Vol. 19, No.3, May 2005 issue.

6. ISEC SILVER JUBILEE CELEBRATION

On 25th November 2005 members of ISEC installed the silver jubilee commemoration plaque in ISEC House, 42-B, Syed Amir Ali Avenue, Kolkata 700 017.

On 27th November 2006 there was a get-together with members, patrons, advisors in the Indumati Sabhagriha at National Council of Education, Bengal, Jadavpur, Kolkata 700032.

7. DEVELOPMENT OF TECHNICAL LIBRARY

ISEC maintains its library with various types of books on science, technology, education, medicine etc.

8. ACKNOWLEDGEMENTS

For fulfilling the activities mentioned above, ISEC gratefully acknowledges the yearly sanction from the Department of Science & Technology, Govt of India, New Delhi, and also Department of Higher Education, Govt. of West Bengal.

ISEC also acknowledges the support from WBIDC, State Bank of India, National Insurance Co. Ltd, Allahabad bank, Dey's Medical Stores (Mfg) Ltd, etc for their help in publishing the journal Indian Science Cruiser. ISEC also acknowledges the financial assistance from benevolent members and many organizations.

sciences working towards a Ph.D. The Institute is committed to the dissemination of its research findings through workshops, seminars, publications in the media, and other public counselling and education programmes. The most important new development in the area of teaching programmes has been the launching of a multidisciplinary M.Phil programme on Development Studies, in collaboration with the Centre for Social Sciences and Humanities, University of Calcutta. The course will commence in July 2006.

Important Activities during 2005-2006 :

- IDSK has carried out field survey-based research programmes on polio eradication communication campaign in West Bengal in collaboration with UNICEF.
- It has also conducted an assessment study of in-service training programmes under the West Bengal District Primary Education Programme (WBDPEP) in five purposively selected districts of West Bengal.
- It has taken up a project on monitoring school level history textbooks of West Bengal, sponsored by the Ministry of Human Resource Development, Government of India.
- A major project on the collection of documents on the economic history of British Rule in India 1858-1947 sponsored by the Indian Council of Historical Research is being coordinated by the IDSK.
- A monograph by Sumanta Banerjee, the outcome of a project of study of crime and urbanization in nineteenth-century Calcutta, that was sponsored by the IDSK, has been accepted for publication by Tulika, New Delhi.

Research Programmes :

A. Summer internship programme in collaboration with UNICEF

The IDSK supervised a group of four interns representing Canada, Taiwan and India who were engaged in a research-based documentation of 'Polio eradication communication campaign in West Bengal' over a period of eight weeks starting from 30 May 2005. This was a part of the 'Knowledge Community on Children in India (KCCI)' partnership initiative between Government of India and UNICEF.

The interns, trained in environmental engineering, law, social work, social planning and print media journalism, received basic inputs/orientation from the Faculty at the IDSK and various institutions/professionals involved in programme planning and implementation. Interns collectively chose to research the dynamics of 'resistance' in the context of polio eradication

communication campaign in West Bengal. The illustrative case study of 'Baro Kamaria' village -officially perceived as a pocket of 'resistance' in the programme -threw up certain new insights into factors associated with 'resistance' and their implications for policy and planning in polio communication. Major findings of the study were printed as a report and a short documentary film 'Fold, hide, catch: In search of resistance' was screened in workshops organized in Kolkata and Delhi.

B. An assessment of in-service training programmes under DPEP in five districts of West Bengal

This study sponsored by the State Project Office of the West Bengal District Primary Education Programme (WBDPEP) was completed in November 2005. It has examined the impact of the short duration in-service training programmes for teachers on primary education in the five districts of West Bengal, namely, Bankura, Birbhum, Coochbehar, Murshidabad and South 24 Parganas, where the DPEP was launched in 1997-98.

C. The programme on 'Women and media in the context of globalisation' funded by the Rosa Luxemburg Stiftung

The Institute of Development Studies Kolkata, as the nodal agency, and its four partners: School of Women's Studies, Jadavpur University, Institute of Women's studies, Lucknow University, School of Women's Studies, Utkal University and Women's Studies Research Centre, Guwahati engaged in the project devoted to research and advocacy have made substantial progress in 2005. Research work and dissemination continued hand-in-hand.

D. The project on 'Monitoring of school level history textbooks'

The IDSK has undertaken a project on 'Monitoring of school level history textbooks of West Bengal' sponsored by the Ministry of Human Resource Development, Government of India. For this it has set up a (history textbook) monitoring cell. The cell is supervised by Dr. Ramkrishna Chatterjee as the Project Director and Shri Saubhik Bandopadhyay as the Project Co-ordinator. The objective of the project is to pinpoint the errors, inaccuracies, distortion and deliberate falsification of history that are found to be infiltrated in many of history textbooks and to guard against the possibility of young minds being poisoned by communalism or linguistic, or regional chauvinism or chauvinism of any other variety.

E. The Project on 'Documents on economic history of British Rule in India 1858- 1947'

The Indian Council of Historical Research has appointed Professor Amiya Kumar Bagchi

General Editor of the project of compiling the basic documents on the economic history of India under British rule and Professor Arun Bandyopadhyay, Nurul Hasan, Professor of History, Calcutta University Associate Editor of the project. Under the original scheme of the project, which had been initiated in 1991-92 but then discontinued for some years, Dr Bhubanes Misra had compiled three volumes of railway documents pertaining to the period and these had been published by the ICHR.

Conferences, Seminars and Workshops :

Training-cum- research workshops

a) Certificate Course on 'Literature in the Social Sciences'

A certificate course on 'Literature in the Social Sciences' was organized by the Institute of Development Studies Kolkata in collaboration with the Centre for Social Sciences and Humanities, University of Calcutta, from 20th to 24th June 2005. It was coordinated by Professor Subhoranjan Dasgupta and Dr. Barnita Bagchi of IDSK. The objective of the course was to familiarize as well as to refresh teachers and research scholars with issues in the chosen area.

b) Regional Workshop on 'Implementation of PCPNDT Act 1994'

The Pre-conception and Prenatal Diagnostic Test (PCPNDT) Act came into force in 1994. Subsequently, following a Supreme Court order regarding its proper implementation, certain amendments were made to the Act. The declining sex ratio particularly in the 0 to 6 age group population is a matter of grave concern. It was expected that proper implementation of the PCPNDT Act would check pre-natal sex determination and elimination of the female foetus within the womb at least to some extent. However, although there has been ample time for implementing the Act, we find that there are grave lacunae in the actual implementation, and there is no sign that the decline in child sex ratio has been halted. The infrastructure set up by most states for implementing the Act is still defective. Recent studies show that in certain parts of Eastern India too the use of prenatal diagnostic tests spread fast. For instance, the metropolitan areas of Kolkata showed a steep decline in the 0-6 child sex ratio between 1991 and 2001. In order to address these problems, the Institute of Development Studies Kolkata (IDSK) organized a two-day regional workshop at Swasthya Bhawan, Kolkata on 1 and 2 February 2006, sponsored by the National Commission for Women.

c) **Conference on 'Narratives of Development' held between 27-29 March 2006**

During 27-29 March 2006, the IDSK organized a conference on 'Narratives of Development' in collaboration with the Centre for Social Sciences and Humanities, University of Calcutta. The Governor of West Bengal, Shri Gopal krishna Gandhi inaugurated the conference with an address focusing on a vivid historical 'narrative of development', a document recording a meeting in Sevagram just after Gandhi's assassination, attended by some of India's leaders and social workers.

Lectures delivered by visiting scholars

- On 11 May 2005, Shri Jawhar Sircar, IAS, Principal Secretary, Department of Higher Education, Government of West Bengal delivered a lecture on 'The construction of the Hindu identity in medieval Western Bengal: The role of popular cults'.
- On 22 July 2005, Dr. Des Gasper, Institute of Social Studies, The Netherlands gave a talk on 'Subjective and objective well being'.
- On 31 July 2005, Professor Amartya Sen gave a lecture on 'The ancient argument and modern democracy' at Nandan in Kolkata, largely based on his book "The Argumentative Indian: Writings on Indian History, Culture and Identity" published by Penguin India / Allen Lane. The lecture was organized by Penguin India, the IDSK and Confederation of Indian Industries.
- On 9 September 2005, Shri Binayak Ray, Visiting Fellow, Department of Political and Social Change, the Australian National University delivered a talk on 'Corruption: Perceptions, realities and policy implications'.
- On 5 October 2005, Professor Immanuel Ness, Professor of Political Science, Brooklyn College, University of New York gave a talk on 'Workers of the world: Class struggle and the politics of global labour migration'.
- On 11 November 2005, Professor Robin Ghosh, former Professor of Economics at the University of Western Australia, the President of the Institute of Development Studies, Australia and also the editor of the *Atlantic Journal of Development Studies* delivered a lecture on 'Adam Smith on capital accumulation and economic growth: Another perspective'.
- On 23 December 2005, Dr. Indraneel Dasgupta, School of Economics, University of Nottingham, UK delivered a lecture on 'Evasive reform: Informalisation in a liberalized economy with wage-setting unions'.

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS _____

- On 26 December 2005, Professors Abhijit Banerjee and Arundhati Banerjee, Massachusetts Institute of Technology, gave a seminar on 'The name of the disease: Challenges of delivering health care in rural India' which was illustrated by a film. The seminar was organized by the IDSK in collaboration with the Government of West Bengal.
- On 6 February 2006, Professor Marika Vicziany, Director, Monash Asia Institute and Advisor on South Asia to the Dean of Arts, Monash University, Australia, gave a talk on 'Bang for the buck: Chinese and Indian defence expenditures'.
- On 10 February 2006, Professor Peter Kulchyski, Professor of Native Studies, University of Manitoba, Canada delivered a talk on 'Aboriginal rights in Canada'.
- On 21 February 2006, Professor Irfan Habib, formerly Professor of Aligarh Muslim University, delivered a lecture on 'Towards writing people's history of India'.

Library

The library of the IDSK has continued to grow through purchases of books and journals, and gifts from individuals and institutions. It has received a further installment of books for the Michael Sprinker collection from Dr. Modhumita Roy and a collection of about 1900 books from Shri Parimal Dasgupta, which we are going to designate as the Parimal Dasgupta collection.
